PREMIUM OF THE INSURANCE PER PASSENGER IS 45 PAISE, INCLUSIVE OF TAXES

Rail insurance cover to extend to counter-ticket passengers

DHEERAJ MISHRA
New Delhi, October 16

THE SUPREME COURT has directed the railways to extend the insurance facility to passengers who book tickets from station counters, a move which will extend the insurance net to those coming from disadvantaged sections and from remote areas. The court on October 6 told the Railway Board to implement the order by October 27. Currently, over 87% of all reserved tickets are booked online. The remaining over 12% tickets — purchased offline through counters — don't provide the third party insurance cover that passengers can avail by paying 45 paise extra while buying a ticket online.

Mandatory compensation

Railways has to pay compensation in case of death or injury to a bona fide passenger due to accidents or untoward incidents, as defined in the Railways Act, 1989.

Optional third party insurance

Railways also offers optional travel insurance for e-ticket pas-

sengers. The claim and liabilities fall between the passengers and insurance companies. Railways only provide links with insurance companies through its website to take insurance cover for the passengers.

According to the IRCTC, the scheme is applicable only for Indian Citizens. Foreign nationals are not eligible under the scheme for travel insurance coverage. For Indians, the travel insurance facility is provided only for confirmed, partly confirmed and RAC tickets at the time of booking only.

This means that waiting ticket passengers, who are allowed to travel only at counter ticket, are not covered under the scheme.

The premium of the insurance per passenger is 45 paise, inclusive of taxes, and it was fixed on February 17, 2024.

The scheme covers death, permanent total disability, partial disability, and hospitalisation expenses for injury and transportation of mortal remains following rail accidents or untoward incidents. The sum insured under the insurance scheme ranges from ₹2 lakh to ₹10 lakh based on the severity.

Counter ticket & general passengers

With the push for digitisation in Indian Railways, counter ticket bookings have declined sharply in recent years. Cur-

rently, over 87% of all reserved tickets are booked online. However, passengers who continue to rely on offline bookings largely include those coming from the lowest strata of the society and remote areas, as recognised by the Supreme Court as well.

That is why the intervention of the railways was important for ensuring the safety of such passengers.

"Court has granted sufficient time to the authorities to devise a mechanism for extending such coverage to persons belonging to the lowest strata of society, who, in most cases, purchase their tickets at the railway reservation counters while undertaking journeys by train," said the top court.

Apart from counter ticket passengers, the second class or general class passengers, who constitute maximum train travel, are also not covered under the insurance policy. Even for the reserved classes (SL, 1AC, 2AC, 3AC), the insurance scheme is not available in passenger trains and suburban trains. The travel insurance is also not applicable for the children below 5 years of age. It is applicable for the children of 5-11 years of age who book the ticket with berth or without berth.

Bajaj Housing Finance profit rises 18%

PRESS TRUST OF INDIA
New Delhi, October 16

BAJAJ HOUSING FINANCE on Friday reported an 18% rise in its profit after tax (PAT) to ₹757 crore for the September quarter.

The company posted a profit after tax of ₹643 crore in the July-September quarter of the preceding fiscal.

Total income rose 18.3% to ₹3,251 crore in the second quarter of FY27, compared with ₹,748 crore in the year-

ago period, according to a regulatory filing.

Bajaj Housing Finance's net interest income rose 10% to ₹1,055 crore in the quarter under review from ₹956 crore in the year-ago period. Loan losses and provisions

dropped to ₹35 crore in the latest quarter from ₹43 crore in the year-ago period.

The company's assets under management (AUM) grew 25% to ₹1.58 lakh crore as of September 30, compared to ₹1.27 lakh crore a year earlier.

FROM THE FRONT PAGE

YES Bank sees 250 bps hit on AT1 revival

IT ALSO SAID the annual coupon payments would remain unaffected by the outcome of the appeals.

YES Bank said it was examining the judgment and its implications and would make further disclosures in due course.

The bank's share price continued to fall. It closed on Friday at ₹17.50, down 3.42%. On Thursday, the share price had plunged more than 14% after the Supreme Court ruling.

S&P Global Ratings said it did not expect the ruling to affect its ratings on the bank, although the reinstatement of the bonds would weigh on future earnings.

"We expect YES Bank to remain adequately capitalised, with its risk-adjusted capital (RAC) ratio projected to remain within the 8.0%-8.5% range throughout the fiscal years ending March 31, 2027 and 2028, compared with 9.0% as of March 2026," the rating agency said.

S&P said the estimated

₹8,400-crore reduction in common equity would be largely offset by the reinstatement of AT1 instruments of a similar amount. Consequently, it did not anticipate any meaningful impact on the bank's total adjusted capital.

However, the rating agency flagged the recurring cost of servicing the reinstated bonds. "Going forward, we see this as earnings negative as

the AT1s have high coupon payments of 9.0%-9.5%," it said.

The ruling brings to a close a six-year legal battle that began when YES Bank's AT1 bonds were written off in March 2020 as part of a reconstruction exercise to rescue the financially distressed lender.

Bondholders challenged the move, and the Bombay

High Court quashed the writ-off in January 2023. The SC has now upheld that decision.

The development also comes after Japan's Sumitomo Mitsui Banking Corporation (SMBC) acquired a 20% stake in YES Bank for ₹13,483 crore in May 2025.

Abizer Diwanji, founder of NeoStrat Advisors, said the bank would now have to issue additional shares to AT1 bondholders, as had been agreed at the time of restructuring. "There would be a cost, but that would only be fair," he said.

Diwanji argued that existing shareholders had traded in YES Bank shares knowing that the AT1 bond dispute remained unresolved and, therefore, could not claim that any resulting dilution was unjustified.

The same principle would apply to the bank's largest shareholder, unless the share purchase agreement specifically provided protection against such a contingency, he added.

The staff power behind Jio IPO

A REPRESENTATIVE FOR RIL didn't immediately offer any comment.

RIL has 419,911 employees, the second-biggest workforce among India's listed companies, behind Tata Consultancy Services, according to data compiled by Bloomberg.

That includes 74,822 at Jio, according to its website. They can apply through the employee quota, while other RIL workers can bid in the retail category.

Employees who are also the parent company's shareholders can bid through a portion reserved for such investors, the people

said. Jio is aiming for a valuation of up to ₹10.3 lakh crore (\$108 billion) as it's looking to raise as much as ₹30,200 crore in the IPO, offering as many as 270 million shares at ₹1,065 to ₹1,119 each.

It has set aside as much as ₹500 crore of shares for eligible employees, who are being offered a discount of 5%, company filings show.

The IPO also includes a reservation of as much as ₹2,500

crore worth of shares for eligible RIL shareholders, according to the documents.

The IPO is scheduled to open for subscription on October 21 and close October 23, with the anchor book opening October 19. Jio has drawn more than \$20 billion in bids and global investors including Fidelity Management & Research, Allianz and Capital Group have indicated interest, sources said.

PREMIUM OF THE INSURANCE PER PASSENGER IS 45 PAISE, INCLUSIVE OF TAXES

Rail insurance cover to extend to counter-ticket passengers

DHEERAJ MISHRA
New Delhi, October 16

THE SUPREME COURT has directed the railways to extend the insurance facility to passengers who book tickets from station counters, a move which will extend the insurance net to those coming from disadvantaged sections and from remote areas. The court on October 6 told the Railway Board to implement the order by October 27. Currently, over 87% of all reserved tickets are booked online. The remaining over 12% tickets — purchased offline through counters — don't provide the third party insurance cover that passengers can avail by paying 45 paise extra while buying a ticket online.

Mandatory compensation

Railways has to pay compensation in case of death or injury to a bona fide passenger due to accidents or untoward incidents, as defined in the Railways Act, 1989.

Optional third party insurance

Railways also offers optional travel insurance fore-ticket pas-

sengers. The claim and liabilities fall between the passengers and insurance companies. Railways only provide links with insurance companies through its website to take insurance cover for the passengers. According to the IRCTC, the scheme is applicable only for Indian Citizens. Foreign nationals are not eligible under the scheme for travel insurance coverage. For Indians, the travel insurance facility is provided only for confirmed, partly confirmed and RAC tickets at the time of booking only. This means that waiting ticket passengers, who are allowed to travel only at counter ticket, are not covered under the scheme.

The premium of the insurance per passenger is 45 paise, inclusive of taxes, and it was fixed on February 17, 2024. The scheme covers death, permanent total disability, partial disability, and hospitalisation expenses for injury and transportation of mortal remains following rail accidents or untoward incidents. The sum insured under the insurance scheme ranges from ₹2 lakh to ₹10 lakh based on the severity.

Counter ticket & general passengers

With the push for digitisation in Indian Railways, counter ticket bookings have declined sharply in recent years. Cur-

rently, over 87% of all reserved tickets are booked online. However, passengers who continue to rely on offline bookings largely include those coming from the lowest strata of the society and remote areas, as recognised by the Supreme Court as well. That is why the intervention of the railways was important for ensuring the safety of such passengers. "Court has granted sufficient time to the authorities to devise a mechanism for extending such coverage to persons belonging to the lowest strata of society, who, in most cases, purchase their tickets at the railway reservation counters while undertaking journeys by train," said the top court. Apart from counter ticket passengers, the second class or general class passengers, who constitute maximum train travel, are also not covered under the insurance policy. Even for the reserved classes (SL, 1AC, 2AC, 3AC), the insurance scheme is not available in passenger trains and suburban trains. The travel insurance is also not applicable for the children below 5 years of age. It is applicable for the children of 5-11 years of age who book the ticket with berth or without berth.

YES Bank sees 250 bps hit on AT1 revival

IT ALSO SAID the annual coupon payments would remain unaffected by the outcome of the appeals. YES Bank said it was examining the judgment and its implications and would make further disclosures in due course. The bank's share price continued to fall. It closed on Friday at ₹17.50, down 3.42%. On Thursday, the share price had plunged more than 14% after the Supreme Court ruling. S&P Global Ratings said it did not expect the ruling to affect its ratings on the bank, although the reinstatement of the bonds would weigh on future earnings. "We expect YES Bank to remain adequately capitalised, with its risk-adjusted capital (RAC) ratio projected to remain within the 8.0%-8.5% range throughout the fiscal years ending March 31, 2027 and 2028, compared with 9.0% as of March 2026," the rating agency said. S&P said the estimated

₹8,400-crore reduction in common equity would be largely offset by the reinstatement of AT1 instruments of a similar amount. Consequently, it did not anticipate any meaningful impact on the bank's total adjusted capital. However, the rating agency flagged the recurring cost of servicing the reinstated bonds. "Going forward, we see this as earnings negative as

the AT1s have high coupon payments of 9.0%-9.5%," it said. The ruling brings to a close a six-year legal battle that began when YES Bank's AT1 bonds were written off in March 2020 as part of a reconstruction exercise to rescue the financially distressed lender. Bondholders challenged the move, and the Bombay

High Court quashed the writ-off in January 2023. The SC has now upheld that decision. The development also comes after Japan's Sumitomo Mitsui Banking Corporation (SMBC) acquired a 20% stake in YES Bank for ₹13,483 crore in May 2025. Abizer Diwanji, founder of NeoStrat Advisors, said the bank would now have to issue additional shares to AT1 bondholders, as had been agreed at the time of restructuring. "There would be a cost, but that would only be fair," he said. Diwanji argued that existing shareholders had traded in YES Bank shares knowing that the AT1 bond dispute remained unresolved and, therefore, could not claim that any resulting dilution was unjustified. The same principle would apply to the bank's largest shareholder, unless the share purchase agreement specifically provided protection against such a contingency, he added.

The staff power behind Jio IPO

A REPRESENTATIVE FOR RIL didn't immediately offer any comment. RIL has 419,911 employees, the second-biggest workforce among India's listed companies, behind Tata Consultancy Services, according to data compiled by Bloomberg. That includes 74,822 at Jio, according to its website. They can apply through the employee quota, while other RIL workers can bid in the retail category. Employees who are also the parent company's shareholders can bid through a portion reserved for such investors, the people

said. Jio is aiming for a valuation of up to ₹10.3 lakh crore (\$108 billion) as it's looking to raise as much as ₹30,200 crore in the IPO, offering as many as 270 million shares at ₹1,065 to ₹1,119 each. It has set aside as much as ₹500 crore of shares for eligible employees, who are being offered a discount of 5%, company filings show. The IPO also includes a reservation of as much as ₹2,500

crore worth of shares for eligible RIL shareholders, according to the documents. The IPO is scheduled to open for subscription on October 21 and close October 23, with the anchor book opening October 19. Jio has drawn more than \$20 billion in bids and global investors including Fidelity Management & Research, Allianz and Capital Group have indicated interest, sources said. BLOOMBERG

New Delhi, October 16

THE SUPREME COURT has directed the railways to extend the insurance facility to passengers who book tickets from station counters, a move which will extend the insurance net to those coming from disadvantaged sections and from remote areas. The court on October 6 told the Railway Board to implement the order by October 27. Currently, over 87% of all reserved tickets are booked online. The remaining over 12% tickets — purchased offline through counters — don't provide the third party insurance cover that passengers can avail by paying 45 paise extra while buying a ticket online.

Mandatory compensation

Railways has to pay compensation in case of death or injury to a bona fide passenger due to accidents or untoward incidents, as defined in the Railways Act, 1989.

Optional third party insurance

Railways also offers optional travel insurance for e-ticket pas-

sengers. The claim and liabilities fall between the passengers and insurance companies. Railways only provide links with insurance companies through its website to take insurance cover for the passengers. According to the IRCTC, the scheme is applicable only for Indian Citizens. Foreign nationals are not eligible under the scheme for travel insurance coverage. For Indians, the travel insurance facility is provided only for confirmed, partly confirmed and RAC tickets at the time of booking only. This means that waiting ticket passengers, who are allowed to travel only at counter ticket, are not covered under the scheme.

The premium of the insurance per passenger is 45 paise, inclusive of taxes, and it was fixed on February 17, 2024. The scheme covers death, permanent total disability, partial disability, and hospitalisation expenses for injury and transportation of mortal remains following rail accidents or untoward incidents. The sum insured under the insurance scheme ranges from ₹2 lakh to ₹10 lakh based on the severity. Counter ticket & general passengers With the push for digitisation in Indian Railways, counter ticket bookings have declined sharply in recent years. Cur-

rently, over 87% of all reserved tickets are booked online. However, passengers who continue to rely on offline bookings largely include those coming from the lowest strata of the society and remote areas, as recognised by the Supreme Court as well. That is why the intervention of the railways was important for ensuring the safety of such passengers. "Court has granted sufficient time to the authorities to devise a mechanism for extending such coverage to persons belonging to the lowest strata of society, who, in most cases, purchase their tickets at the railway reservation counters while undertaking journeys by train," said the top court. Apart from counter ticket passengers, the second class or general class passengers, who constitute maximum train travel, are also not covered under the insurance policy. Even for the reserved classes (SL, 1AC, 2AC, 3AC), the insurance scheme is not available in passenger trains and suburban trains. The travel insurance is also not applicable for the children below 5 years of age. It is applicable for the children of 5-11 years of age who book the ticket with berth or without berth.

YES Bank sees 250 bps hit on AT1 revival

IT ALSO SAID the annual coupon payments would remain unaffected by the outcome of the appeals. YES Bank said it was examining the judgment and its implications and would make further disclosures in due course. The bank's share price continued to fall. It closed on Friday at ₹17.50, down 3.42%. On Thursday, the share price had plunged more than 14% after the Supreme Court ruling. S&P Global Ratings said it did not expect the ruling to affect its ratings on the bank, although the reinstatement of the bonds would weigh on future earnings. "We expect YES Bank to remain adequately capitalised, with its risk-adjusted capital (RAC) ratio projected to remain within the 8.0%-8.5% range throughout the fiscal years ending March 31, 2027 and 2028, compared with 9.0% as of March 2026," the rating agency said. S&P said the estimated ₹8,400-crore reduction in common equity would be largely offset by the reinstatement of AT1 instruments of a similar amount. Consequently, it did not anticipate any meaningful impact on the bank's total adjusted capital. However, the rating agency flagged the recurring cost of servicing the reinstated bonds. "Going forward, we see this as earnings negative as the AT1s have high coupon payments of 9.0%-9.5%," it said. The ruling brings to a close a six-year legal battle that began when YES Bank's AT1 bonds were written off in March 2020 as part of a reconstruction exercise to rescue the financially distressed lender. Bondholders challenged the move, and the Bombay High Court quashed the writ-off in January 2023. The SC has now upheld that decision. The development also comes after Japan's Sumitomo Mitsui Banking Corporation (SMBC) acquired a 20% stake in YES Bank for ₹13,483 crore in May 2025. Abizer Diwanji, founder of NeoStrat Advisors, said the bank would now have to issue additional shares to AT1 bondholders, as had been agreed at the time of restructuring. "There would be a cost, but that would only be fair," he said. Diwanji argued that existing shareholders had traded in YES Bank shares knowing that the AT1 bond dispute remained unresolved and, therefore, could not claim that any resulting dilution was unjustified. The same principle would apply to the bank's largest shareholder, unless the share purchase agreement specifically provided protection against such a contingency, he added.

The staff power behind Jio IPO

A REPRESENTATIVE FOR RIL didn't immediately offer any comment. RIL has 419,911 employees, the second-biggest workforce among India's listed companies, behind Tata Consultancy Services, according to data compiled by Bloomberg. That includes 74,822 at Jio, according to its website. They can apply through the employee quota, while other RIL workers can bid in the retail category. Employees who are also the parent company's shareholders can bid through a portion reserved for such investors, the people said. Jio is aiming for a valuation of up to ₹10.3 lakh crore (\$108 billion) as it's looking to raise as much as ₹30,200 crore in the IPO, offering as many as 270 million shares at ₹1,065 to ₹1,119 each. It has set aside as much as ₹500 crore of shares for eligible employees, who are being offered a discount of 5%, company filings show. The IPO also includes a reservation of as much as ₹2,500 crore worth of shares for eligible RIL shareholders, according to the documents. The IPO is scheduled to open for subscription on October 21 and close October 23, with the anchor book opening October 19. Jio has drawn more than \$20 billion in bids and global investors including Fidelity Management & Research, Allianz and Capital Group have indicated interest, sources said. BLOOMBERG

PREMIUM OF THE INSURANCE PER PASSENGER IS 45 PAISE, INCLUSIVE OF TAXES

Rail insurance cover to extend to counter-ticket passengers

DHEERAJ MISHRA
New Delhi, October 16

THE SUPREME COURT has directed the railways to extend the insurance facility to passengers who book tickets from station counters, a move which will extend the insurance net to those coming from disadvantaged sections and from remote areas. The court on October 6 told the Railway Board to implement the order by October 27. Currently, over 87% of all reserved tickets are booked online. The scheme covers death, permanent total disability, partial disability, and hospitalisation expenses for injury and transportation of mortal remains following rail accidents or untoward incidents. The sum insured under the insurance scheme ranges from ₹2 lakh to ₹10 lakh based on the severity.

PREMIUM OF THE INSURANCE PER PASSENGER IS 45 PAISE, INCLUSIVE OF TAXES

Rail insurance cover to extend to counter-ticket passengers

DHEERAJ MISHRA
New Delhi, October 16

THE SUPREME COURT has directed the railways to extend the insurance facility to passengers who book tickets from station counters, a move which will extend the insurance net to those coming from disadvantaged sections and from remote areas. The court on October 6 told the Railway Board to implement the order by October 27. Currently, over 87% of all reserved tickets are booked online. The remaining over 12% tickets — purchased offline through counters — don't provide the third party insurance cover that passengers can avail by paying 45 paise extra while buying a ticket online.

Mandatory compensation

Railways has to pay compensation in case of death or injury to a bona fide passenger due to accidents or untoward incidents, as defined in the Railways Act, 1989.

Optional third party insurance

Railways also offers optional travel insurance for e-ticket pas-

sengers. The claim and liabilities fall between the passengers and insurance companies. Railways only provide links with insurance companies through its website to take insurance cover for the passengers.

According to the IRCTC, the scheme is applicable only for Indian Citizens. Foreign nationals are not eligible under the scheme for travel insurance coverage. For Indians, the travel insurance facility is provided only for confirmed, partly confirmed and RAC tickets at the time of booking only.

This means that waiting ticket passengers, who are allowed to travel only at counter ticket, are not covered under the scheme.

The premium of the insurance per passenger is 45 paise, inclusive of taxes, and it was fixed on February 17, 2024.

The scheme covers death, permanent total disability, partial disability, and hospitalisation expenses for injury and transportation of mortal remains following rail accidents or untoward incidents. The sum insured under the insurance scheme ranges from ₹2 lakh to ₹10 lakh based on the severity.

Counter ticket & general passengers

With the push for digitisation in Indian Railways, counter ticket bookings have declined sharply in recent years. Cur-

rently, over 87% of all reserved tickets are booked online. However, passengers who continue to rely on offline bookings largely include those coming from the lowest strata of the society and remote areas, as recognised by the Supreme Court as well.

That is why the intervention of the railways was important for ensuring the safety of such passengers.

"Court has granted sufficient time to the authorities to devise a mechanism for extending such coverage to persons belonging to the lowest strata of society, who, in most cases, purchase their tickets at the railway reservation counters while undertaking journeys by train," said the top court.

Apart from counter ticket passengers, the second class or general class passengers, who constitute maximum train travel, are also not covered under the insurance policy. Even for the reserved classes (SL, 1AC, 2AC, 3AC), the insurance scheme is not available in passenger trains and suburban trains. The travel insurance is also not applicable for the children below 5 years of age. It is applicable for the children of 5-11 years of age who book the ticket with berth or without berth.

Bajaj Housing Finance profit rises 18%

PRESS TRUST OF INDIA
New Delhi, October 16

BAJAJ HOUSING FINANCE on Friday reported an 18% rise in its profit after tax (PAT) to ₹757 crore for the September quarter.

The company posted a profit after tax of ₹643 crore in the July-September quarter of the preceding fiscal.

Total income rose 18.3% to ₹3,251 crore in the second quarter of FY27, compared with ₹,748 crore in the year-

ago period, according to a regulatory filing.

Bajaj Housing Finance's net interest income rose 10% to ₹1,055 crore in the quarter under review from ₹956 crore in the year-ago period.

Loan losses and provisions

dropped to ₹35 crore in the latest quarter from ₹43 crore in the year-ago period.

The company's assets under management (AUM) grew 25% to ₹1.58 lakh crore as of September 30, compared to ₹1.27 lakh crore a year earlier.

FROM THE FRONT PAGE

YES Bank sees 250 bps hit on AT1 revival

IT ALSO SAID the annual coupon payments would remain unaffected by the outcome of the appeals.

YES Bank said it was examining the judgment and its implications and would make further disclosures in due course.

The bank's share price continued to fall. It closed on Friday at ₹17.50, down 3.42%. On Thursday, the share price had plunged more than 14% after the Supreme Court ruling.

S&P Global Ratings said it did not expect the ruling to affect its ratings on the bank, although the reinstatement of the bonds would weigh on future earnings.

"We expect YES Bank to remain adequately capitalised, with its risk-adjusted capital (RAC) ratio projected to remain within the 8.0%-8.5% range throughout the fiscal years ending March 31, 2027 and 2028, compared with 9.0% as of March 2026," the rating agency said.

S&P said the estimated

₹8,400-crore reduction in common equity would be largely offset by the reinstatement of AT1 instruments of a similar amount. Consequently, it did not anticipate any meaningful impact on the bank's total adjusted capital.

However, the rating agency flagged the recurring cost of servicing the reinstated bonds. "Going forward, we see this as earnings negative as

the AT1s have high coupon payments of 9.0%-9.5%," it said.

The ruling brings to a close a six-year legal battle that began when YES Bank's AT1 bonds were written off in March 2020 as part of a reconstruction exercise to rescue the financially distressed lender.

Bondholders challenged the move, and the Bombay

High Court quashed the writ-off in January 2023. The SC has now upheld that decision.

The development also comes after Japan's Sumitomo Mitsui Banking Corporation (SMBC) acquired a 20% stake in YES Bank for ₹13,483 crore in May 2025.

Abizer Diwanji, founder of NeoStrat Advisors, said the bank would now have to issue additional shares to AT1 bondholders, as had been agreed at the time of restructuring. "There would be a cost, but that would only be fair," he said.

Diwanji argued that existing shareholders had traded in YES Bank shares knowing that the AT1 bond dispute remained unresolved and, therefore, could not claim that any resulting dilution was unjustified.

The same principle would apply to the bank's largest shareholder, unless the share purchase agreement specifically provided protection against such a contingency, he added.

Employees who are also the parent company's shareholders can bid through a portion reserved for such investors, the people

said. Jio is aiming for a valuation of up to ₹10.3 lakh crore (\$108 billion) as it's looking to raise as much as ₹30,200 crore in the IPO, offering as many as 270 million shares at ₹1,065 to ₹1,119 each.

It has set aside as much as ₹500 crore of shares for eligible employees, who are being offered a discount of 5%, company filings show.

The IPO also includes a reservation of as much as ₹2,500

crore worth of shares for eligible RIL shareholders, according to the documents.

The IPO is scheduled to open for subscription on October 21 and close October 23, with the anchor book opening October 19. Jio has drawn more than \$20 billion in bids and global investors including Fidelity Management & Research, Allianz and Capital Group have indicated interest, sources said.

However, passengers who continue to rely on offline bookings largely include those coming from the lowest strata of the society and remote areas, as recognised by the Supreme Court as well.

That is why the intervention of the railways was important for ensuring the safety of such passengers.

"Court has granted sufficient time to the authorities to devise a mechanism for extending such coverage to persons belonging to the lowest strata of society, who, in most cases, purchase their tickets at the railway reservation counters while undertaking journeys by train," said the top court.

Apart from counter ticket passengers, the second class or general class passengers, who constitute maximum train travel, are also not covered under the insurance policy. Even for the reserved facilities (SL, 1AC, 2AC, 3AC), the insurance scheme is not available in passenger trains and suburban trains. The travel insurance is also not applicable for the children below 5 years of age. It is applicable for the children of 5-11 years of age who book the ticket with berth or without berth.

Bajaj Housing Finance profit rises 18%

PRESS TRUST OF INDIA
New Delhi, October 16

BAJAJ HOUSING FINANCE on Friday reported an 18% rise in its profit after tax (PAT) to ₹757 crore for the September quarter.

Total income rose 18.3% to ₹3,251 crore in the second quarter of FY27, compared with ₹,748 crore in the year-

ago period, according to a regulatory filing.

Bajaj Housing Finance's net interest income rose 10% to ₹1,055 crore in the quarter under review from ₹956 crore in the year-ago period.

Loan losses and provisions

dropped to ₹35 crore in the latest quarter from ₹43 crore in the year-ago period.

YES Bank sees 250 bps hit on AT1 revival

IT ALSO SAID the annual coupon payments would remain unaffected by the outcome of the appeals.

YES Bank said it was examining the judgment and its implications and would make further disclosures in due course.

The bank's share price continued to fall. It closed on Friday at ₹17.50, down 3.42%. On Thursday, the share price had plunged more than 14% after the Supreme Court ruling.

S&P Global Ratings said it did not expect the ruling to affect its ratings on the bank, although the reinstatement of the bonds would weigh on future earnings.

"We expect YES Bank to remain adequately capitalised, with its risk-adjusted capital (RAC) ratio projected to remain within the 8.0%-8.5% range throughout the fiscal years ending March 31, 2027 and 2028, compared with 9.0% as of March 2026," the rating agency said.

S&P said the estimated

₹8,400-crore reduction in common equity would be largely offset by the reinstatement of AT1 instruments of a similar amount. Consequently, it did not anticipate any meaningful impact on the bank's total adjusted capital.

However, the rating agency flagged the recurring cost of servicing the reinstated bonds. "Going forward, we see this as earnings negative as

the AT1s have high coupon payments of 9.0%-9.5%," it said.

The ruling brings to a close a six-year legal battle that began when YES Bank's AT1 bonds were written off in March 2020 as part of a reconstruction exercise to rescue the financially distressed lender.

Bondholders challenged the move, and the Bombay

High Court quashed the writ-off in January 2023. The SC has now upheld that decision.

The development also comes after Japan's Sumitomo Mitsui Banking Corporation (SMBC) acquired a 20% stake in YES Bank for ₹13,483 crore in May 2025.

Abizer Diwanji, founder of NeoStrat Advisors, said the bank would now have to issue additional shares to AT1 bondholders, as had been agreed at the time of restructuring. "There would be a cost, but that would only be fair," he said.

Diwanji argued that existing shareholders had traded in YES Bank shares knowing that the AT1 bond dispute remained unresolved and, therefore, could not claim that any resulting dilution was unjustified.

The same principle would apply to the bank's largest shareholder, unless the share purchase agreement specifically provided protection against such a contingency, he added.

The staff power behind Jio IPO

A REPRESENTATIVE FOR RIL didn't immediately offer any comment.

Employees who are also the parent company's shareholders can bid through a portion reserved for such investors, the people

said. Jio is aiming for a valuation of up to ₹10.3 lakh crore (\$108 billion) as it's looking to raise as much as ₹30,200 crore in the IPO, offering as many as 270 million shares at ₹1,065 to ₹1,119 each.

It has set aside as much as ₹500 crore of shares for eligible employees, who are being offered a discount of 5%, company filings show.

The IPO also includes a reservation of as much as ₹2,500

crore worth of shares for eligible RIL shareholders, according to the documents.

The IPO is scheduled to open for subscription on October 21 and close October 23, with the anchor book opening October 19. Jio has drawn more than \$20 billion in bids and global investors including Fidelity Management & Research, Allianz and Capital Group have indicated interest, sources said.

दिल्ली 2020 दंगा मामला

हत्या के मामले में सात आरोपी बरी

जनसत्ता संवाददाता
नई दिल्ली, 16 अक्टूबर।

राजधानी की एक अदालत ने 2020 के दिल्ली दंगों के दौरान एक व्यक्ति पर जानलेवा हमला से जुड़े मामले में सात लोगों को हत्या और अन्य गंभीर आरोपों से मुक्त कर दिया, लेकिन उन्हें निषेधाज्ञा का उल्लंघन करने का दोषी ठहराया। अदालत ने कहा कि केवल एक पुलिसकर्म की गवाही के आधार पर आरोपियों को जानलेवा हमले का दोषी ठहराना उचित नहीं होगा, क्योंकि उसकी गवाही की पुष्टि के लिए अन्य साक्ष्यों की जरूरत थी।

अतिरिक्त सत्र न्यायाधीश प्रवीण सिंह ने सातों आरोपियों को हत्या, घातक हथियारों के साथ दंगा करने और विभिन्न समूहों के बीच वैमनस्य को बढ़ावा देने समेत अन्य आरोपों से बरी कर दिया। हालांकि, अदालत ने उन भारतीय दंड संहिता (आइपीसी) की धारा 188 के तहत निषेधाज्ञा का

अतिरिक्त सत्र न्यायाधीश प्रवीण सिंह ने सातों आरोपियों को हत्या, घातक हथियारों के साथ दंगा करने और विभिन्न समूहों के बीच वैमनस्य को बढ़ावा देने समेत अन्य आरोपों से बरी कर दिया। हालांकि, अदालत ने उन्हें निषेधाज्ञा का उल्लंघन करने का दोषी ठहराया।

उल्लंघन करने का दोषी ठहराया। अदालत ने आदेश में कहा कि किसी भी गवाह की गवाही से ऐसा कोई साक्ष्य नहीं मिलता कि आरोपियों में से कोई भी किसी भी तरह का हथियार लेकर आया था। यह मामला 25 फरवरी, 2020 को खजूरी चौक पर बब्बू नामक आटो-रिक्शा चालक पर हुए हमले से जुड़ा है। हमले के दो दिन बाद जीटीबी अस्पताल में उसकी मौत हो गई थी। अदालत ने कुलदीप सिंह, हरजीत सिंह उर्फ हैप्पी, राहुल उर्फ अजय, सचिन रस्तोगी, भरत भूषण उर्फ लकी, संदीप उर्फ संजीव और धर्मेन्द्र को दंड प्रक्रिया संहिता (सीआरपीसी) की धारा 144 के तहत

लगाए गए निषेधाज्ञा का उल्लंघन करने का दोषी ठहराया। अभियोजन पक्ष ने सहायक उपनिरीक्षक (एसएसआइ) अनिल कुमार की गवाही पर भरोसा किया, जिन्होंने दावा किया था कि उन्होंने हमले को देखा था। हालांकि, प्रत्यक्षदर्शी बताए गए अन्य गवाहों ने अभियोजन पक्ष के दावों का समर्थन नहीं किया। अदालत ने यह भी पाया कि अभियोजन पक्ष द्वारा पेश किए गए वीडियो की गुणवत्ता बेहद खराब थी और उसमें दिखाई देने वाले लोगों के चेहरे पहचाने नहीं जा सकते थे। मामले में एक अन्य आरोपी सचिन गुप्ता उर्फ मोपी को संदेह का लाभ देते हुए सभी आरोपों से बरी कर दिया गया।

हिंसा भड़काने के लिए ताहिर हुसैन को दो साल की सजा

जनसत्ता संवाददाता
नई दिल्ली, 16 अक्टूबर।

दिल्ली की एक अदालत ने 2020 के उत्तर-पूर्वी दिल्ली दंगों के दौरान हिंसा भड़काने के मामले में आम आदमी पार्टी (आप) के पूर्व पार्षद ताहिर हुसैन को दो साल के सश्रम कारावास की सजा सुनाई और 10,000 रुपये का जुर्माना भी लगाया है। अदालत ने कहा कि जनता के चुने हुए प्रतिनिधि होने के नाते उसकी जिम्मेदारी इलाके में शांति बनाए रखने की थी, लेकिन उसने अपनी स्थिति का इस्तेमाल हिंसा भड़काने के लिए किया। हुसैन को 10 अक्टूबर को भारतीय दंड संहिता (आइपीसी) की धाराओं 147 (दंगा करने) व 109 (अपराध के लिए उकसाने या उसमें सहायता करने) के तहत दोषी ठहराया था। हुसैन को 24 फरवरी, 2020 को अपने घर की छत का इस्तेमाल भौड़ को करने देने के लिए दोषी माना था।

महिला पत्रकार की याचिका पर तत्काल आदेश देने से इनकार

जनसत्ता संवाददाता
नई दिल्ली, 16 अक्टूबर।

दिल्ली उच्च न्यायालय ने शुक्रवार को एक महिला पत्रकार की उस याचिका पर तत्काल आदेश देने से इनकार कर दिया, जिसमें इस महीने की शुरुआत में जंतर-मंतर के पास एक विरोध प्रदर्शन के दौरान एक पुलिस अधिकारी के खिलाफ कथित जातिसूचक टिप्पणी करने और उसे सार्वजनिक रूप से अपमानित करने के आरोप में दर्ज मामले की जांच पर रोक लगाने का अनुरोध किया गया है। न्यायमूर्ति मिनी पुष्कर्णा ने समय की कमी का हवाला देते हुए कहा कि पुलिस का पक्ष सुने बिना कोई आदेश पारित नहीं किया जा सकता। मामले पर दशहरा अवकाश के बाद सुनवाई होगी। उच्च न्यायालय 19 अक्टूबर से 26 अक्टूबर तक बंद रहेगा। इससे पहले, महिला पत्रकार ने सहायक पुलिस आयुक्त (एसपी) विवेक भगत के खिलाफ यौन उत्पीड़न की शिकायत दर्ज कराई थी। दिल्ली पुलिस की अपराध शाखा इस शिकायत की जांच कर रही है। महिला पत्रकार के वकील ने मामले की जांच पर रोक लगाने का आदेश देने का अनुरोध किया। इस पर न्यायाधीश ने कहा- नहीं, इस तरह नहीं। उनका पक्ष सुने बिना मैं कोई आदेश पारित नहीं कर सकती।

मसविदा मतदाता सूची से हटाए गए नामों का दोबारा सत्यापन शुरू

नई दिल्ली, 16 अक्टूबर (भाषा)।

विशेष गहन पुनरीक्षण (एसआइआर) को लेकर राजनीतिक दलों और अन्य संगठनों के विरोध प्रदर्शनों के बीच दिल्ली में निर्वाचन अधिकारियों ने उन 47 लाख से अधिक मतदाताओं के नामों का फिर से सत्यापन शुरू कर दिया है, जिन्हें मसविदा सूची से हटा दिया गया था। मुख्य निर्वाचन अधिकारी (सीईओ) अशोक कुमार ने कहा कि बूथ स्तर के अधिकारियों (बीएलओ) ने मसौदा सूची से हटाए गए मतदाताओं के नामों का दोबारा सत्यापन शुरू कर दिया है, ताकि एसआइआर के दौरान कोई भी पात्र व्यक्ति मतदाता सूची में शामिल होने से वंचित न रह जाए। उन्होंने कहा कि मसविदा मतदाता सूची में जिन मतदाताओं के नाम छूट गए हैं, वे चार किसंबर को प्रकाशित होने वाली अंतिम मतदाता सूची में नाम शामिल कराने के लिए फार्म-6 भर सकते हैं। दिल्ली में एसआइआर की

प्रक्रिया 30 जून को मतदाताओं द्वारा गणना प्रपत्र भरने के साथ शुरू हुई थी। गणना पूरी होने के बाद दिल्ली की सभी 70 विधानसभा सीटों की मसविदा मतदाता सूची प्रकाशित की गई, जिसमें राष्ट्रीय राजधानी के कुल 1.45 करोड़ मतदाताओं में से 47.5 लाख के नाम शामिल नहीं थे। दोबारा सत्यापन का यह कदम 31 अगस्त को प्रकाशित मसविदा मतदाता सूची से कई ऐसे मतदाताओं के नाम हटाए जाने की शिकायतों के बीच उठाया जा रहा है, जो अपने पंजीकृत पते पर ही रह रहे थे। कुमार ने बताया कि जिन 33.12 लाख मामलों में मतदाताओं को तार्किक विसंगति के कारण नोटिस जारी किए गए थे, उनमें से लगभग 25 लाख मामलों का निपटारा कर दिया गया है। कुमार ने पत्रकारों से कहा, बूथ-स्तरीय अधिकारियों को निर्देश दिया गया है कि वे उन मतदाताओं का फिर से सत्यापन करें, जिनके नाम गणना चरण के बाद जारी की गई मतदाता सूची के मसविदों में नहीं थे।

दिल्ली एसआइआर के दौरान 47 लाख मतदाताओं के नामों को मसविदा सूची से हटा दिया गया था।

कोर्ट ने होटल मालिक की अंतरिम जमानत बढ़ाई

नई दिल्ली, 16 अक्टूबर (संवाददाता)।

संस्थान के मुताबिक, स्तन स्व-जांच के लिए अपनी तरह का यह भारत का पहला बूथ है। बिस्वास ने कहा कि स्तन कैंसर के उपचार के परिणामों को बेहतर बनाने में बीमारी का शुरुआती चरण में पता चलना अहम भूमिका निभाता है। उन्होंने जागरूकता, समय पर चिकित्सकीय परामर्श और स्तन स्व-जांच के महत्व के जोर दिया। उन्होंने कहा कि इससे महिलाओं को स्तन में असामान्य बदलावों को पहचानने और बिना देरी किए चिकित्सकीय सलाह लेने में मदद मिलती है।
