Commenting on the Results, Mr. Shilpan Patel, Chairman and Managing Director said, - *"We are delighted to share Arrow Greentech's robust financial performance for the second quarter and first half of FY27. During the half year, the company recorded revenue from operation of ₹1,733 million, marking a robust 69% y-o-y growth. EBITDA stood at ₹692 million, reflecting a healthy 98% y-o-y growth, our EBITDA margin stood at 40% as compared to 34% in H1 FY26, marking a growth of 586 bps. Profit After Tax was delivered at ₹525 million, highlighting our PAT margin from 25% to 30%, growth of 451 bps. Most notably, our EBITDA and PAT for the first six months of FY27 have exceeded what we delivered for the whole year of FY26. This performance reflects our sustained investment in capacity, research and intellectual property over the years, as these strategic investments translate into tangible business outcomes.*

During the half year, our High-Tech Product segment, registered growth of 88% from ₹832 million to ₹1,563 million. This growth is built on years of investment in research and innovation, and that investment continued to bear fruit. During the half year, we were granted with four patents, three in India and one in Singapore.

Each of these strengthens the protection of our technologies and supports our expansion across both domestic and international markets. Our Green Products segment has also continued to progress well. We are seeing a consistent flow of orders from our customers, and our record of delivering on these commitments on schedule continues to deepen the trust they place in us.

With this momentum, as we move into the second half of the year with clear priorities, a strengthened operational platform and a purpose-driven team. Our focus remains firmly on expanding our product portfolio in various countries, so that we continue to stay ahead of evolving industry needs. Above all, we remain committed to creating durable value for all our stakeholders, and the progress of the first half gives us confidence in the journey ahead."
