Notes to the financial results:
1. The above is an extract of the detailed format of Quarterly & Annual Financial Results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the Quarterly/Annual Financial Results are available on the websites of the Stock Exchange and the listed entity at www.galaxyagro.com. 2. The Company's financial results for the quarter & year ended 31st March, 2021 have been reviewed by the Audit Committee and subsequently approved & taken on record by the Board of Directors of the Company at its meeting held on 18th June, 2021. These financial results have been extracted from the audited financial statements. Figures for the three months ended March 31, 2021 represent the difference between the audited figures in respect of full financial years and the published figures for the three months ended December 31, 2020. 3. The financial results for the quarter ended 31st March, 2021 have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and after recognised accounting practices and the policies to the extent applicable. 4. Figures of previous reporting periods have been regrouped/reclassified wherever necessary to correspond with the figures of the current reporting period. 5. The Company's Operations had started under a single segment "Agriculture & Industrial Trading". Hence, Segment reporting is not applicable as per Indian Accounting Standard (AS) - 108 Operating Segments. 6. Estimation of uncertainty relating to COVID-19 global health pandemic.
In assessing the recoverability of loans, receivables, intangible assets including goodwill, deferred tax asset and investments, the Company has considered internal and external sources of information, including credit reports, economic forecasts and industry reports up to the date of approval of these financial results. The Company has performed sensitivity analysis on assumptions used and based on current indicators of future economic conditions, the carrying amount of these assets represent the Company's best estimate of the recoverable amounts. As a result of the uncertainties resulting from COVID-19, the impact of this pandemic may be different from these estimated as on the date of approval of these financial results and the Company will continue to monitor any changes to the future economic conditions.

Formulas for computation of ratios are as follows:

- A) Debt Equity Ratio = Debt / Equity
B) Debt Service Coverage Ratio = Earnings before interest and tax and exceptional items / Interest Expense-Principal Repayments made during the period for long term loans
C) Interest Service Coverage Ratio = Earnings before interest and tax and exceptional items / Interest Expense
