JODHPUR GETS ₹480-CRORE NEW AIRPORT TERMINAL

# Modi launches ₹29,000-cr revamped UDAN scheme

PRESS TRUST OF INDIA  
Jodhpur, July 4

**PRIME MINISTER NARENDRA** Modi on Saturday launched the next phase of the Centre's flagship regional connectivity scheme, UDAN, and inaugurated a new terminal building at Jodhpur airport, marking a major push to expand aviation infrastructure and improve air connectivity across India.

PM Narendra Modi with Union Civil Aviation Minister K Rammohan Naidu in Jodhpur, on Saturday

The revamped *(Ude Desh ka Aam Nagrik)* scheme, approved by the Union Cabinet earlier this year, entails an outlay of nearly ₹29,000 crore over the next 10 years and aims to connect more underserved regions while strengthening last-mile air connectivity.

Addressing the event, Union Civil Aviation Minister Kinjarapu Rammohan Naidu said the scheme would accelerate aviation-led development and transform regional connectivity by expanding infrastructure and making air travel more accessible and affordable.

PM also inaugurated the new terminal building at Jodhpur airport, developed by the Airports Authority of India (AAI) at a cost of ₹480 crore, significantly enhancing the airport's passenger handling capacity.

## 'Diplomatic ties helped tackle energy crisis'

**ASSERTING THAT THE** country implemented "visionary policies" during the recent fuel shortages amid the West Asia crisis, Prime Minister Narendra Modi on Saturday said that India did not merely recover from the unexpected challenge but positively used its "diplomatic power" to recover from the crisis.

Speaking after the inauguration of refinery-cum-petrochemical complex in Balotra, the PM added that the ruling party's success in implementing visionary policies for a decade "played a crucial role".

"This is all unprecedented. India has made the right decisions at every level. Accurately assessed the crisis in time. Devised an effective strategy. Made balanced use of India's resources. India made positive use of its diplomatic power. And only then has India been able to recover from the crisis," PM said on fuel shortages.

PM Modi stated that the Congress government from 2018 to 2023 did not cooperate, and the work remained at a standstill.

"Today I'm inaugurating the refinery project here. We

signed the MoU in 2017, but then the Congress government from 2018 to 2023 did not cooperate, and the work remained at a standstill. The country did not recover from such an unexpected challenge merely by chance. The success of the visionary policies we have been implementing for a decade played a crucial role. You are well aware of my style of functioning: we are the ones who also inaugurate the projects for which we laid the foundation stone," Modi said on fuel shortages amid the West Asia crisis. —ANI

## India-Israel bilateral investment pact comes into effect

PRESS TRUST OF INDIA  
New Delhi, July 4

**THE INDIA-ISRAEL** Bilateral Investment Agreement (BIA), which will ensure a secure and predictable investment climate between the two countries, came into force from Saturday, the finance ministry said.

The pact, which will provide protection to the two-way investments, is expected to contribute to increased cross-border investment activity, it said. The two countries inked the treaty on September 8 last year.

"The BIA between the Government of the Republic of India and the Government of the State of Israel enters into force with effect from today, 04 July 2026," the ministry said.

Under the pact, India has cut down the local remedies exhaustion period for Israeli investors to three years.

Local remedies exhaustion means that investors must first try to resolve their disputes using the legal system of the host country before they can take the matter to international arbitration. Normally, India keeps a five-year period for this.

**India-Peru FTA not soon**

Goyal said that the war in Asia has slowed down negotiations on the FTA with Israel while with Peru the process has been delayed due to the demand for concessions on some products from the other side.

"There are certain concerns. There are many products where we cannot offer them market access. I do not see the Peru FTA happening very soon," Goyal said. He said that manufacturers should immediately send delegations to explore opportunities in the UK market as the FTA with UK is becoming operational from July 15.

## Origin of goods under UK trade pact defined

**THE FINANCE** MINISTRY has notified the rules for determination of origin of goods under the India-UK CETA, which will come into force from July 15, as per a notification. Certificate of origin is a key document required for exports to avail duty benefits under India's trade agreements with partner countries.

The CBIC, in a notification, said entities authorised by the two countries are permitted to issue these certificates in their respective countries.

"While the agreement offers significant tariff advantages, these benefits will now be available only to goods that genuinely satisfy the prescribed origin criteria," said Rajat Mohan, managing partner, AMRG Global. —PTI

JODHPUR GETS ₹480-CRORE NEW AIRPORT TERMINAL

# Modi launches ₹29,000-cr revamped UDAN scheme

PRESS TRUST OF INDIA  
Jodhpur, July 4

**PRIME MINISTER NARENDRA** Modi on Saturday launched the next phase of the Centre's flagship regional connectivity scheme, UDAN, and inaugurated a new terminal building at Jodhpur airport, marking a major push to expand aviation infrastructure and improve air connectivity across India.

PM Narendra Modi with Union Civil Aviation Minister K Ram Mohan Naidu in Jodhpur, on Saturday

The revamped UDAN (*Ude Desh ka Aam Nagrik*) scheme, approved by the Union Cabinet earlier this year, entails an outlay of nearly ₹29,000 crore over the next 10 years and aims to connect more underserved regions while strengthening last-mile air connectivity.

Addressing the event, Union Civil Aviation Minister Kinjarapu Ram Mohan Naidu said the scheme would accelerate aviation-led development and transform regional connectivity by expanding infrastructure and making air travel more accessible and affordable.

PM also inaugurated the new terminal building at Jodhpur airport, developed by the Airports Authority of India (AAI) at a cost of ₹480 crore, significantly enhancing the airport's passenger handling capacity.

## 'Diplomatic ties helped tackle energy crisis'

**ASSERTING THAT THE** country implemented "visionary policies" during the recent fuel shortages amid the West Asia crisis, Prime Minister Narendra Modi on Saturday said that India did not merely recover from the unexpected challenge but positively used its "diplomatic power" to recover from the crisis.

Speaking after the inauguration of refinery-cum-petrochemical complex in Balotra, the PM added that the ruling party's success in implementing visionary policies for a decade "played a crucial role".

"This is all unprecedented. India has made the right decisions at every level. Accurately assessed the crisis in time. Devised an effective strategy. Made balanced use of India's resources. India made positive use of its diplomatic power. And only then has India been able to recover from the crisis," PM said on fuel shortages.

PM Modi stated that the Congress government from 2018 to 2023 did not cooperate, and the work remained at a standstill.

"Today I'm inaugurating the refinery project here. We

signed the MoU in 2017, but the then Congress government from 2018 to 2023 did not cooperate, and the work remained at a standstill. The country did not recover from such an unexpected challenge merely by chance. The success of the visionary policies we have been implementing for a decade played a crucial role. You are well aware of my style of functioning: we are the ones who also inaugurate the projects for which we laid the foundation stone," Modi said on fuel shortages amid the West Asia crisis. —ANI

## India-Israel bilateral investment pact comes into effect

PRESS TRUST OF INDIA  
New Delhi, July 4

**THE INDIA-ISRAEL** Bilateral Investment Agreement (BIA), which will ensure a secure and predictable investment climate between the two countries, came into force from Saturday, the finance ministry said.

The pact, which will provide protection to the two-way investments, is expected to contribute to increased cross-border investment activity, it said. The two countries inked the treaty on September 8 last year.

"The BIA between the Government of the Republic of India and the Government of the State of Israel enters into force with effect from today, 04 July 2026," the ministry said.

Under the pact, India has cut down the local remedies exhaustion period for Israeli investors to three years.

Local remedies exhaustion means that investors must first try to resolve their disputes using the legal system of the host country before they can take the matter to international arbitration. Normally, India keeps a five-year period for this.

**India-Peru FTA not soon**

Goyal said that the war in Asia has slowed down negotiations on the FTA with Israel while with Peru the process has been delayed due to the demand for concessions on some products from the other side.

"There are certain concerns. There are many products where we cannot offer them market access. I do not see the Peru FTA happening very soon," Goyal said. He said that manufacturers should immediately send delegations to explore opportunities in the UK market as the FTA with UK is becoming operational from July 15.

JODHPUR GETS ₹480-CRORE NEW AIRPORT TERMINAL

Modi launches ₹29,000-cr revamped UDAN scheme

PRESS TRUST OF INDIA Jodhpur, July 4

PRIME MINISTER NARENDRA Modi on Saturday launched the next phase of the Centre's flagship regional connectivity scheme, UDAN, and inaugurated a new terminal building at Jodhpur airport, marking a major push to expand aviation infrastructure and improve air connectivity across India.

PM Narendra Modi with Union Civil Aviation Minister K Ram Mohan Naidu in Jodhpur, on Saturday

The revamped UDAN (Ude Desh ka Aam Nagrik) scheme, approved by the Union Cabinet earlier this year, entails an outlay of nearly ₹29,000 crore over the next 10 years and aims to connect more underserved regions while strengthening last-mile air connectivity.

'Diplomatic ties helped tackle energy crisis'

ASSERTING THAT THE country implemented "visionary policies" during the recent fuel shortages amid the West Asia crisis, Prime Minister Narendra Modi on Saturday said that India did not merely recover from the unexpected challenge but positively used its "diplomatic power" to recover from the crisis.

"This is all unprecedented. India has made the right decisions at every level. Accurately assessed the crisis in time. Devised an effective strategy. Made balanced use of India's resources. India made positive use of its diplomatic power. And only then has India been able to recover from the crisis," PM said on fuel shortages.

signed the MoU in 2017, but the then Congress government from 2018 to 2023 did not cooperate, and the work remained at a standstill. The country did not recover from such an unexpected challenge merely by chance. The success of the visionary policies we have been implementing for a decade played a crucial role. You are well aware of my style of functioning: we are the ones who also inaugurate the projects for which we laid the foundation stone," Modi said on fuel shortages amid the West Asia crisis. —ANI

No evidence of E20-related vehicle issues at dealerships, OEMs: ARAI

GEETA NAIR Pune, July 4

THE AUTOMOTIVE ORIGINAL Equipment Manufacturers (ARAI) have reported no complaints at their dealerships regarding vehicles powered by E20 blended fuel. The ARAI convened a meeting with OEMs to discuss the growing concerns surrounding E20 fuels and customer complaints about their potential adverse effects on engine performance, particularly for two- and four-wheelers.

THE FUEL SAGA

ARAI director urged that OEMs must address consumer concerns by clarifying performance of their vehicles with respect to E20 blended fuel

He hinted various groups working against India's ethanol-fuel blending programme

ARAI asserted that the E20 policy has conducted testing to ensure there is no adverse impact on engine life

Mathai urged that OEMs must proactively address consumer concerns by clarifying the performance of their vehicles with respect to E20 blended fuel. He urged OEMs to speak clearly on the matter. Additionally, Mathai hinted at various interest groups that may be working against India's ethanol-fuel blending programme, suggesting that the oil lobby may oppose increasing blending levels. He stated that India's combination of BS VI emissions standards and E20 fuel is viewed as a successful global benchmark.

However, ARAI director Reji Mathai noted that participating

OEMs were unable to respond meaningfully because their deal-

erships had not seen problems from vehicles using E20 fuel.

Centre raises procurement price of onion in Maha by 13%

SANDIP DAS New Delhi, July 4

TO BOOST THE procurement for the buffer, the government on Saturday revised the upward, onion procurement price in Maharashtra by 13% to ₹2,125 per quintal under price stabilisation fund from ₹1,875 per quintal fixed last month.

The minimum assured procurement price for the vegetable was raised to ₹1,875 per quintal last week. On June 13, prices offered to farmers were increased to ₹1,650 per quintal from ₹1,580 per quintal announced on June 1. In May, onion procurement price was fixed at ₹1,270 per quintal.

India-Israel bilateral investment pact comes into effect

PRESS TRUST OF INDIA New Delhi, July 4

THE INDIA-ISRAEL Bilateral Investment Agreement (BIA), which will ensure a secure and predictable investment climate between the two countries, came into force from Saturday, the finance ministry said.

The pact, which will provide protection to the two-way investments, is expected to contribute to increased cross-border investment activity, it said. The two countries inked the treaty on September 8 last year.

"The BIA between the Government of the Republic of India and the Government of the State of Israel enters into force with effect from today, 04 July 2026," the ministry said.

Under the pact, India has cut down the local remedies exhaustion period for Israeli investors to three years.

Local remedies exhaustion means that investors must first try to resolve their disputes using the legal system of the host country before they can take the matter to international arbitration. Normally, India keeps a five-year period for this.

India-Peru FTA not soon

Goyal said that the war in Asia has slowed down negotiations on the FTA with Israel while with Peru the process has been delayed due to the demand for concessions on some products from the other side.

"There are certain concerns. There are many products where we cannot offer them market access. I do not see the Peru FTA happening very soon," Goyal said. He said that manufacturers should immediately send delegations to explore opportunities in the UK market as the FTA with UK is becoming operational from July 15.

Origin of goods under UK trade pact defined

THE FINANCE MINISTRY has notified the rules for determination of origin of goods under the India-UK CETA, which will come into force from July 15, as per a notification. Certificate of origin is a key document required for exports to avail duty benefits under India's trade agreements with partner countries.

The CBIC, in a notification, said entities authorised by the two countries are permitted to issue these certificates in their respective countries.

"While the agreement offers significant tariff advantages, these benefits will now be available only to goods that genuinely satisfy the prescribed origin criteria," said Rajat Mohan, managing partner, AMRG Global. —PTI

कई बार पत्राचार किया जा चुका

खजराना में अस्पताल के लिए जमीन का आवंटन नहीं हुआ। इस संबंध में वरिष्ठ कार्यालय को कई बार पत्राचार किया जा चुका है। यहां के स्वीकृत स्टाफ को अन्य अस्पतालों में पदस्थ किया गया है। -डा. माधव हसानी, सीएमएचओ

अस्पताल बना नहीं, लेकिन स्टाफ की नियुक्तियां और तबादले होते रहे। इस मामले की उच्चस्तरीय जांच होनी चाहिए। कांग्रेस इसे विधानसभा के आगामी सत्र में प्रमुखता से उठाएगी। जब अस्पताल की जमीन और भवन ही नहीं है तो उसके नाम पर छह वर्ष से पदस्थापना और तबादले किस आधार पर किए जा रहे हैं। -सज्जन सिंह वर्मा, पूर्व मंत्री

पहले यहां अर्बन पीएचसी थी, जिसे बाद में सिविल अस्पताल में उन्नत किया गया। जमीन नहीं मिलने के कारण निर्माण शुरू नहीं हो पाया। स्वीकृत स्टाफ को शहर के अन्य अस्पतालों और सैन्यीय नवीनिकों में पदस्थ किया गया है। अस्पताल के लिए उपयुक्त जमीन तलाशने का काम जारी है। -राजेंद्र शुक्ला, उप मुख्यमंत्री

शासकीय स्वास्थ्य संस्थानों में पदस्थ कर दिया गया।
