ORDER

The present Company Scheme Petition has been filed in the matter of the Scheme of Amalgamation between **HINDUJA LEYLAND FINANCE LIMITED** (hereinafter referred to as "***Petitioner Company No. 1/Transferor Company***") into **NDL VENTURES LIMITED** (hereinafter referred to as the "***Petitioner Company No. 2/Transferee Company***") **[*Petitioner Company No. 1/Transferor Company*** and ***Petitioner Company No. 2/Transferee Company*** are collectively referred as **"Petitioner Companies"]** and their respective shareholders and

creditors (hereinafter referred to as **"Scheme"**) under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 read with Companies (Compromises, Arrangements and Amalgamations) Rules, 2016.

1. **Petitioner Company No. 1/Transferor Company** bearing CIN: U65993MH2008PLC384221, was incorporated on 12.11.2008 under the provisions of the Companies Act, 1956, having its registered office at Plot No. C-21, Tower C (1-3 Floors), G Block, Bandra Kurla Complex, Bandra (East), Mumbai - 400051.
2. **Petitioner Company No. 2/Transferee Company** bearing CIN: L65100MH1985PLC036896, was incorporated on 18.07.1985 under the provisions of the Companies Act, 1956, having its registered office address at IN Centre, 49/50, MIDC, 12th Road, Andheri (East), Mumbai - 400093.
3. The registered offices of the Petitioner Companies are located in Mumbai, Maharashtra, and fall within the territorial jurisdiction of the Tribunal.
4. The Board of Directors of the Transferor and Transferee Companies, in their respective meetings held on 25.11.2025, have approved the Scheme. The Appointed Date fixed under the Scheme is 01.04.2026.
5. The Rationale for the proposed Scheme is as under:

   "Considering the growth potential in the Non-banking finance sector and with an objective of creating shareholder value, the Transferee Company intends to engage in the business of a Non-Banking Finance Company (NBFC) and accordingly has amended its Memorandum of Association to reflect the same. The Transferee Company believes that the proposed merger by absorption of the Transferor company which is a leading NBFC will give the shareholders of the

Transferee Company and opportunity to participate in the growing NBFC sector and thereby enhance value.

The Transferor company being a successful NBFC, will need growth capital to accelerate growth and believes that merging with the Transferor company will increase the avenues for raising growth capital both from public and interested investors thereby resulting in value enhancement for its shareholders.

The proposed corporate restructuring mechanism by way of a scheme of merger by absorption is beneficial, advantageous and not prejudicial to the interest of the shareholders, creditors and other stakeholders. The proposed merger of Transferor Company into Transferee Company is in consonance with the global corporate restructuring practices which intends and seeks to achieve flexibility and integration of size, scale and financial strength. Therefore, the management and board of Directors of the Transferor Company and the Transferee Company believe that this scheme shall benefit the respective companies and other stakeholders of respective companies through value creation, inter-alia, on account of the following reasons:

(a) Enable the Transferee Company to grow by providing significant impetus to its growth in the NBFC sector;

(b) Greater efficiency in capital raising by the merged entity, and unfettered access to both cash flow generated by the business and external capital raising which can be deployed more efficiently to fund growth opportunities;

(c) Avoidance of duplication of administrative functions, reduction in multiplicity of legal and regulatory compliances and cost;

(d) Integrated operational strategies, inter-transfer of resources/ costs will result in optimum utilization of assets;

(e) Merger will result in increase in net worth of Transferee Company thereby enhancing its financial strength;

(f) Merger shall result in efficient and focused management control and system and higher level of corporate governance as required by listed entity.

There is no adverse effect of Scheme on the directors, key managerial personnel, shareholders, creditors, other security holders and employees of Transferor Company and Transferee Company. However, the Board of the Transferor Company upon merger shall stand dissolved without prejudice to decisions, actions, taken by the Board of the Transferor Company. The Scheme would be in the best interest of all stakeholders

Due to the aforesaid rationale, it is considered desirable and expedient to enter into this Scheme for merger by absorption of Transferor Company with the Transferee Company, and in consideration thereof issue equity shares of the Transferee Company to the shareholders of Transferor Company in accordance with this Scheme."

6. Consideration under the scheme is as under: -

"6.1 Upon coming into effect of this Scheme and in consideration of the merger of Transferor Company in the Transferee Company, the Transferee Company shall, without any further application, act or deed, issue and allot to the shareholders of the Transferor Company whose names are recorded in the register of members as a member of the Transferor Company on the Record Date (or to such of their respective heirs, executors, administrators or other legal

representatives or other successors in title as may be recognised by the Board of the Transferee Company), in the following manner:

"25 equity shares of the face value INR 10 each of NDL shall be issued and allotted as fully paid up for every 10 equity shares of the face value of INR 10 each fully paid up held in HLFL." ("Share Exchange Ratio")

The Transferee Company Shares to be issued by the Transferee Company to shareholders of the Transferor Company in accordance with this Clause 6.1 shall be hereinafter referred to as "New Equity Shares"
