## **Asian Energy Services Limited (AESL) Secures ~Rs 865 crores Integrated Service Contract from Vedanta Limited**

**27 July 2025, Mumbai:** Asian Energy Services Limited, a leading integrated service provider to the energy and mining sectors, has been awarded Integrated Service Contract from Vedanta Limited.

The total contract value is ~Rs 865 crores including GST and the order will be executed over a span of 57 months.

Commenting on this, **Mr. Kapil Garg, Managing Director, Asian Energy Services Limited** said, *"We are honoured to receive Integrated Service Contract for field development and Operations & Maintenance (O&M) contract from Vedanta, one of our valued and long-standing client. This repeat engagement reflects the trust we've built through dependable service and a strong focus on operational excellence.*

*Integrated O&M remains a core area of focus at Asian Energy Services and a key growth driver. Our ability to manage critical infrastructure safely and efficiently continues to make us a preferred partner in the energy sector. This mandate reaffirms confidence in our team's capability to consistently deliver in complex and challenging environments."*

### **About Asian Energy Services Limited:**

Asian Energy Services Limited (AESL) offers end-to-end services which extend across the entire upstream value chain. AESL's service offerings comprise Integrated Oil & Gas services including 2D and 3D Seismic Geographical Data Acquisition, Operations and Maintenance of Onshore and Offshore Oil and Gas Production Facilities, production enhancement services and Mining services including supply and installation of Material Handling Plants and Rapid Loading Systems. Since its acquisition by Oilmax Energy Private Limited (OEPL), AESL has diversified its business verticals to capture more value across the energy and upstream oil and gas value chains, for long term value creation for its investors and stakeholders.

### **Safe Harbor:**

Statements in this document relating to future status, events, or circumstances, including but not limited to statements about plans and objectives, the progress and results of research and development, potential project characteristics, project potential and target dates for project related issues are forward-looking statements based on estimates and the anticipated effects of future events on current and developing circumstances. Such statements are subject to numerous risks and uncertainties and are not necessarily predictive of future results. Actual results may differ materially from those anticipated in the forward-looking statements. The company assumes no obligation to update forward-looking statements to reflect actual results, changed assumptions or other factors.
