Asian Granito India Limited - Product launch in Hyderabad across all verticals

In continue to our Mumbai product launch we are going to launch same product portfolio with same design and pattern in Hyderabad on 10th September, 2018.

Asian Granito India Limited is going to launch products under different verticals with exclusive design and pattern. In order to upgrade our product portfolio as per running trend and customer choice we are going to launch new products and size to carter current change in demand trend and preference. AGL believe there should be strong hold of the company in development of new design and size.

AGL ultimate goal is to satisfy its customer's needs with latest design and pattern. With this goal in mind Asian Granito India Ltd is launching more than 325 products across the verticals with exclusive design and size which will further upgrade our product portfolio. Company has only invited exclusive dealers in this product launch in order to strengthen our ties and repo with these dealers.

Introduction of the new products in market is done keeping in view taste and preference of PAN India customers. Induction of new size and latest design & pattern across all size, company is expecting strong order booking from dealers across all verticals. Products which company are launching is from both manufacturing and trading.
