The equity shareholders of the Demerged Company also approve the Scheme with 100% of total value of valid votes cast. Further, secured creditors of the Demerged Company also approve the Scheme with 100% value of the valid votes cast.

8. **Rationale Of The Scheme:**

The petitioner companies have provided the following rationale for the Scheme:-

Asian Granito India Ltd. (AGIL), the Resulting Company 1 is a listed public limited company. Over the course of time, it has grown into a diversified conglomerate with interests in various businesses spanning the entire value chain of tiles,

bathware, marbles & quartz and other related products carried on either directly or through its subsidiaries.

AGIL, the Resulting Company 1 has identified few of its suppliers, i.e., Adicon Ceramica Tiles Pvt. Ltd. (ACTPL), the Demerged Company, that manufacture tiles for AGIL, the Resulting Company 1 on job work basis as well as manufactures tiles under their own brand names. The supplier is in effect selling majority of their own production to AGIL, the Resulting Company 1. In order to integrate its manufacturing process and to inorganically expand its production lines, it is desirable to take over the tiles manufacturing businesses of the supplier. Since the supplier has separate brands, names and related Intellectual Property such as brands, trademarks, registrations, etc. attached to these names, it is considered appropriate to demerge this business in wholly owned subsidiary of AGIL, the Resulting Company 1 of similar name. To avoid effect on the financials due to payment of huge consideration in cash or by way of debt, the consideration is proposed to be paid by way of issue of shares which will be compliant with the definition of 'demerger' as defined under section 2(19AA) r.w.s. 2(41A) of the Income Tax Act, 1961.

Through the aforesaid demerger the Adicon Tiles Manufacturing Undertaking from ACTPL, the Demerged Company, the stakeholders of ACTPL, the Demerged Company will get access to a diverse business structure since AGIL, the Resulting Company 1 has presence in multiple industries leading to risk diversification in the hands of the stakeholders and also leading to stable valuation by the market. The stakeholders will also get safeguarded from the day-to-day hurdles specific to the tiles manufacturing business by diversifying their risk.

Further, the business of ACTPL, the Demerged Company will get an access to the huge market reach and marketing network of AGIL, the Resulting Company 1. This business will thus gain a chance of evolving into legacy businesses under the professional management of AGIL, the Resulting Company 1 due to their increased technical knowhow, diverse expertise and growth vision. The expansion

opportunity from the access to infrastructure of AGIL, the Resulting Company 1 seems unparalleled.

Multiple entries of large organised players into the tiles industry are expected to drive the entire industry into a highly efficient space where large players would command premium on account of their competitive edge and managing a tiles manufacturing business as an unorganised player may become more and more challenging. Consolidation of the tiles manufacturing businesses under the banner of AGIL, the Resulting Company 1 would not only safeguard the businesses but also provide an edge to competitively grow in the ever-changing business dynamic.

The opportunity of growth in the businesses and risk diversification for the stakeholders of ACTPL, the Demerged Company and the inorganic expansion and synergistic opportunity for AGIL, the Resulting Company 1 due to better agility and higher control over its manufacturing process, more production lines and working capital requirements would provide both ACTPL, the Demerged Company and AGIL, the Resulting Company 1 with the respective advantages while making the combined businesses of AGIL, the Resulting Company 1 and ACTPL, the Demerged Company more sustainable and competitive in the long run.

The proposed restructuring pursuant to this Scheme is expected, inter alia, to result in following benefits:

- i) combining and bundling of Adicon Tiles Manufacturing Undertaking of ACTPL, the Demerged Company into ACL, the Resulting Company 2 which is, inter alia, wholly owned subsidiary of AGIL, the Resulting Company 1
- ii) better control on utilisation of production capacity due to integration of the manufacturing process;
- iii) Optimization of working capital due to consolidation of businesses;
- iv) inorganic expansion of production lines and opportunity for further organic expansion due to increased fungibility of the existing funds;

- v) *economies of scale due to synergistic effect of the combination of the businesses related to similar business line of manufacturing of tiles;*
- xi) *achieve cost optimization and specialisation for sustained growth; and*
- xii) *enhancing operational efficiencies, ensuring synergies through pooling of the financial, managerial, and technical resources, personnel capabilities, skills, expertise and technologies by bundling the businesses pertaining to different industries.*

The proposed restructuring is in the interest of the shareholders, creditors, employees and other stakeholders in each of the companies.

9. After complying with all the directions given in the orders passed in CA(CAA)/45(AHM)2024, Second Motion Petition was filed, before this Tribunal, by the Petitioner Companies on 29.09.2025, vide Inward Diary No. E2422, for sanction of the proposed Scheme by this Tribunal.

HDFC Bank, Indusind Bank and IDBI Bank. The charge created in favour of Aditya Birla Finance Limited pertains to one of its subsidiary company viz. crystal ceramic Industries Limited, where the Resulting company-1 has only extended its properties as security and not for any credit facility for the Resulting company-1 and hence technically it is not a creditor of the said company. Further, the difference in amounts is

- (ii) Report dated 29.09.2025, filed on 04.12.2025, vide inward no. R-554, wherein it is submitted that the demerger company is solely liable for any demand

already created or become payable due to any of the proceedings related to the Income-tax department in future in respect of outstanding demand prior to demerger and in respect of demand the resulting companies, responsibilities will be on the director of the resulting companies i.e. Asian Granito India Limited(AGIL) Resulting Company-1 and Adicon Ceramics Limited(ACL) Resulting Company-2.

- (iii) It is further submitted that, as per the Demand Analysis report, the total outstanding demand in case of Adicon Ceramics Ltd./Resulting Company-2 is NIL.
- (iv) Report [No Objection Certificate (NOC) with protective condition] dated 30.12.2025 of Income Tax Department, Morbi, filed on 02.01.2026, vide inward no. R-6, in respect of Adicon Ceramics Ltd./Resulting Company No.2 wherein it has been submitted as follows:-
- (a) The Scheme and related submissions have been examined under the provisions of the Income-tax Act, 1961, and clarification letters dated 03.12.2025 and 11.12.2025 were issued seeking details regarding compliance with Sections 2(19AA) and 2(41A) of the Act.
- (b) The assessee has submitted its reply vide letter dated 16.12.2025
- (c) On examination of the scheme and the reply furnished by the assessee, it is observed that:

- (i) *The proposed transaction contemplates issuance of shares to the shareholders of the demerged company by Asian Granito India Limited, and not by the respective resulting company to which the undertaking is proposed to be transferred;*
- (ii) *Consequently, the shareholders of the demerged company do not become shareholders of the resulting company in the manner contemplated under Section 2(19AA)(v) of the Income-tax Act, 1961; and*
- (iii) *Further, the explanation furnished by the assessee claiming that Asian Granito India Limited qualifies as a “resulting company” under Section 2(41A) has been examined and found to be not acceptable, as the statutory requirements defining a resulting company and the conditions of a tax-neutral demerger have not been demonstrably fulfilled*

In view of the above factual and legal position, the mandatory conditions prescribed under Sections 2(19AA) and 2(41A) of the Income-tax Act, 1961 are not satisfied, and accordingly, the proposed scheme

does not qualify as a “demerger” for the purposes of the Income Tax Act, 1961. Consequently, the tax exemptions and benefits available to a qualifying demerger under the Act would not be admissible in the present case.

14.2 In response to the reports of the Income Tax Department, the petitioner companies have filed additional affidavit on 27.01.2026, vide inward no. D-674. Following are the response of the petitioner companies’ to the observations of the Income Tax Department:-

- (i) The Income Tax Department has reported outstanding Income Tax demands in the case of Asian Granito India Ltd./Resulting Company No.1, for different Assessment Years, amounting in aggregate to Rs.104,73,92,699/-. It is submitted that all these outstanding demands are disputed tax liabilities. It is further submitted that the Resulting Company No.1 shall continue to exist and carry on its business operations, and shall fulfil the tax liabilities as and when the same are finally crystalized.
- (ii) In case of Demerged Company/Adicon Ceramica Tiles Pvt. Ltd., the Income Tax Department has raised strong objection to the proposed Scheme.
- (iii) In response to the objection raised by the Income Tax Department, regarding compliance of Section 2(19AA)(v) read with Section 2 (41A) of the Income Tax Act, 1961, it is submitted that Section 2 (41A) itself envisages Resulting company as more than one

company and specifically refer to the wholly owned subsidiary. It does not stipulate the issue of shares to the shareholders of the De-merged company directly by the company to whom the undertaking is transferred. The parent company, which has been included in the scheme as Resulting Company-1, is entitled to issue its shares to the shareholders of the Demerged Company without violating provisions of the Income Tax Act. The present Scheme of Demerger is entirely in compliance with the applicable provisions of the Income Tax Act.

- (iv) In support of the contentions of the petitioner companies, they have relied upon the judgment of **Hon'ble Bombay High Court** in the matter of **Thomas Cook Insurance Services (India) Ltd. reported in 194 Company Cases 390**. In para-6 of the aforesaid order, it has observed as follows:-

“6.....It is not that in every case, the consideration for transfer of an undertaking as part of a Scheme of Arrangement must come in the form of allotment of shares of a Transferee Company or for that allotment of any shares. The consideration for such transfer can be any legitimate consideration, which the Transferor is entitled to accept for contract of transfer. The scheme may, thus, not provide for any allotment of shares at all or provide any other appropriate consideration, including the allotment of shares of a Holding company of the Transferee Company”.....

The order also refers to series of judgments accepting the said contention. It is also accepted that when the shareholders concerned have accepted the said proposal, commercial wisdom cannot be questioned. Further, in the present case, the scheme is considered and approved by the concerned stock exchanges and SEBI, hence the scheme needs to be sanctioned.

- (v) The petitioner companies undertake that the assessee viz. Asian Granito (India) Limited, the Resulting Company-1 as well as Adicon ceramica Tiles Private Limited, the De-merged Company shall file their respective Income Tax Returns in compliance of the Applicable provisions of Income Tax Act.
- (vi) The petitioner companies further undertake to comply with all applicable provisions of Income Tax and any other statutory demands/taxes payable while implementation of the said scheme.

15. The petitioner company no.1 has filed an affidavit on 01.09.2025, vide inward no. D5906, confirming compliance with the observation of BSE and NSE, vide their letters dated 01.07.2024.

16. No other representations or reports have been received from any other statutory/regulatory authorities.

17. The Statutory Auditors of the petitioner companies have certified that the Accounting Treatment proposed in terms of clauses 11.1 to 11.3 of the Scheme reflecting Accounting Treatment respectively in the books of the petitioner companies are in conformity with the applicable Accounting Standards. The certificates, issued by the Statutory Auditors of the petitioner companies, are placed on record are annexed as **Annexure-I** to the application.
18. It is submitted that there are no proceedings/investigation pending against any of the petitioner companies under Sections 210-217, 219, 220, 223, 224, 225, 226 & 227 of the Companies Act, 2013 and/or Sections 235 to 251 of the Companies Act, 1956 and the like.

26. We have gone through the Company Petition, Scheme, Representation/Report of the Regional Director, report of the Registrar of Companies, reports of Income Tax Department, observations letters of BSE and NSE as well as the response of the Petitioner Companies in respect of the Representation/Report of the RD, RoC, and Income Tax Department and compliance affidavit of the petitioner companies in response of the observations of BSE and NSE.

27. On perusal of the Chairman's reports, it confirms that the equity shareholders, secured creditors and unsecured creditors of the petitioner companies 1 and 2 have unanimously approved the proposed Scheme.

28. The Petitioner Company No.1/Resulting Company No.1 is a listed company. Copies of the respective observations

letters issued by the stock exchanges, are placed on record.

- 29.** During the hearing on 05.02.2026, Ld. Deputy Director for the Office of the Regional Director submitted that the applicant companies have responded to the observations in the RD report, hence, the matter may be decided on merits. Ld. Sr. Standing Counsel for the Income Tax Department submitted that the present proposed scheme is in violation of the provisions of Section 2(19AA) as well as Section 2(41A) of the Income Tax Act, 1961.
- 30.** Paragraph-4 of the Scheme pertains to demerger and vesting of the Adicon Tiles Manufacturing Undertaking of Demerged Company into Resulting Company No.2, while Paragraph-10 of the Scheme provides that the consideration shall be paid by Resulting Company No.1 Asian Granito India Limited which is the holding Company of Resulting company No. 2. The Resulting Company No.1 is listed company with the BSE & NSE and the Resulting Company No.2 is wholly owned subsidiary of Resulting Company No.1. The proposed Scheme, including the consideration has been approved by all stakeholders of the petitioner companies who are parties to the present Scheme of Arrangement.
- 31.** The observation made by the Regional Director/the Registrar of Companies and the report/objection of the

Income Tax Depart have been considered in view of the submissions filed by the petitioner companies.

- 32.** After analysing the Scheme in detail, this Tribunal is of the considered view that the Scheme as contemplated between the Companies seems to be prima facie beneficial to the Companies and will not be in any way detrimental to the interest of the shareholders and the creditors of the Companies, upholding the commercial wisdom doctrine as in ***Miheer H. Mafatlal v. Mafatlal Industries Ltd. (1997) 1 SCC 579***. Considering the record placed before this Tribunal and since all the requisite statutory compliances have been fulfilled by the Petitioner Companies, this Tribunal sanctions the proposed Scheme as well as the prayer made therein subject to the findings/directions given in this order. In short, the proposed Scheme provides for Demerger of Tiles Manufacturing Undertaking of Demerged Company/Adicon Ceramica Tiles Pvt. Ltd. into Resulting Company No.2/Adicon Ceramics Ltd. and allotment of shares to the shareholders of Demerged Undertaking of the Demerged Company by Resulting Company No.1/Asian Granito India Ltd., and their respective shareholders and creditors, with effect from the Appointed Date 16.10.2023. We have also carefully examined the responses of the Regional Director, ROC, Income Tax Department, on being notices served on them and the

replies of the petitioner companies as well as the observations of the BSE and NSE.

33. We have also gone through the Judgment dated 02.07.2015 of Hon'ble Bombay High Court, in the matter of **Thomas Cook Insurance Services (India)Ltd.** [(2016) 194 Comp Cas 390: 2015 SCC OnLine Bom 6095: (2015) 129 CLA B, relied upon by the petitioner companies. We are approving the Scheme based on the provisions of the Companies Act, 2013. As was argued by the Ld. Sr. Counsel for the Petitioner Companies, the satisfaction of the provisions of sections 2 (19AA) and 2 (41A) of the Income Tax Act, 1961 is for the purposes of the Income Tax Act, 1961 and that cannot hold the approval of the Scheme. We agree with this argument. The Income Tax Department is free to take necessary action in case the issue of shares by the Resulting Company 1 and not by the Resulting Company 2 does not satisfy the requirements of Demerger as per the provisions of Income Tax Act, 1961.

The Income Tax Department is also free to take necessary action, if any, regarding the observations of the Regional Director for paragraph 11.1.3 of the Scheme concerning the creation of goodwill/ capital reserve and also concerning the valuation of shares of the demerged undertaking of the demerged company and determination of share exchange ratio.

- 34.** The Learned Counsel for the Petitioner Companies submitted that no investigation proceedings are pending against the Petitioner Companies under the provisions of the Companies Act, 1956 or the Companies Act, 2013, and no proceedings for oppression or mismanagement have been filed before this Tribunal or the erstwhile Company Law Board. Considering the submission of the Petitioner Companies, the Resulting Company No.2 will be responsible for all the compliance issues concerning the Business of the Demerged Undertaking of the Demerged Company. This Tribunal holds that any non-compliance does not affect the approval of the Scheme, as the statutory/ regulatory authorities are free to take necessary action as per law for any non-compliance.
- 35.** Notwithstanding the above, if there is any deficiency found or, violation committed qua any enactment, statutory rule or regulation, the sanction granted by this Tribunal will not come in the way of action being taken, albeit, in accordance with law, against the concerned persons, directors and officials of the petitioner companies.
- 36.** While approving the Scheme as above, it is clarified that this order should not be construed as an order in any way granting approval of any loan assignments and exemption from payment of stamp duty, taxes or any other charges, if any, payment is due or required in accordance with law or in

respect to any permission/compliance with any other requirement which may be specifically required under any law.

37. Further, it becomes relevant to discuss that in Company Petition CAA-284/ND/2018 vide Order dated 12.11.2018, the NCLT New Delhi has made the following observations with regard to the right of the Income Tax Department in the Scheme of Amalgamation:

“taking into consideration the clauses contained in the Scheme in relation to liability to tax and also as insisted upon by the Income Tax and in terms of the decision in re Vodafone Essar Gujarat Limited v. Department of Income Tax (2013) 353 ITR 222 (Guj) and the same being also affirmed by the Hon'ble Supreme Court and as reported in (2016) 66 taxmann.com374 (SC) from which it is seen that at the time of declining the SLPs filed by the revenue, however stating to the following effect vide its order dated April 15,2015 that the Department is entitled to take out appropriate proceedings for recovery of any statutory dues from the Petitioner or transferee or any other person who is liable for payment of such tax dues, the said protection be afforded is granted. With the above observations, the petition stands allowed and the scheme of amalgamation is sanctioned.
