Aster DM Healthcare strengthens its 12+ year legacy in Bengaluru with expansion of 'Women & Children' facility at Aster Whitefield Hospital

- *With this expansion, Aster Whitefield's bed capacity increases from 380 to 539 beds*
- *The advanced treatment centre, called the 'Aster Women & Children,' will help address the healthcare needs of women and children from across geographies*

Bengaluru, April 13, 2026: Aster DM Healthcare, one of the largest integrated healthcare providers in India, has invested Rs. 96 crore towards the expansion of its Women & Children facility at Aster Whitefield Hospital, building on over a decade of years of trusted healthcare service in Bengaluru. With this expansion, Aster Whitefield's bed capacity will increase from 380 to 539 beds. The expanded facility was inaugurated by Shri Dinesh Gundu Rao, Hon'ble Minister of Health and Family Welfare, Government of Karnataka and Shri. U.T. Khader, Hon'ble Speaker, Karnataka Legislative Assembly, Government of Karnataka in the presence of Shri. P.C. Mohan Hon'ble Member - Lok Sabha from Bangalore Central Constituency, Shri. Sharanprakash R Patil, Hon'ble Minister for Medical Education, Government of Karnataka, and Smt. Manjula Aravind Limbavali, Hon'ble Member of Legislative Assembly.

The dedicated 159-bed Aster Women & Children facility will feature specialised maternity care from the preconception stage to the birth of the baby. The facility also will offer a range of services such as water birthing, advanced laparoscopic gynaecology services, a child development centre, foetal medicine and surgery unit, a level 3A NICU, fertility centre, neonatal & pediatric surgical services and a pediatric intensive care unit as well as high dependency unit (HDU).

Dr. Azad Moopen, Founder & Chairman, Aster DM Healthcare, said, *"As demand for high-quality maternal and pediatric care grows, it is essential to scale both capacity and capabilities. At Aster, we remain focused on expanding centres of excellence that deliver compassionate, world-class care. The expansion of our Women & Children facility at Whitefield reflects our commitment to advanced infrastructure and specialised expertise, ensuring comprehensive, end-to-end care for mothers and children under one roof, while setting new benchmarks in the region. "*

The expansion at Aster Whitefield, together with the upcoming 500-bed Yeshwantpur hospital and the 430-bed Sarjapur facility, builds on Aster's commitment to advancing healthcare in Bengaluru. In addition to its current portfolio, this will increase Aster's total capacity in Karnataka to 2,573 beds, significantly strengthening its regional footprint and elevating its standing among the top three private healthcare providers in the state..

About Aster DM Healthcare, India

Aster DM Healthcare Limited is one of the largest healthcare service providers operating in India with a strong presence across primary, secondary, tertiary, and quaternary healthcare through 20 hospitals with 5,451 beds, 10 clinics, 203 pharmacies (Operated by Alfaone Retail Pharmacies Private Limited under brand license from Aster), and 302 labs and patient experience centers across 5 states in India, delivering a simple yet strong promise to different stakeholders: "We'll Treat You Well."
