Dear Sir/Madam,

Sub: Disclosure of material event/information under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations, 2015)

In continuation to the letter dated 17th October 2024, 15th November 2024 and 9th January 2025 with respect to change in Administrative Price Mechanisms (“APM”) priced domestic gas allocation, the Company has been intimated by the Nodal Agency (GAIL (India) Ltd) for a reduction of APM gas allocation by 15%, effective 16th April 2025.

This lower allocation of APM gas is being replaced with New Well Gas (NWG) as communicated by the Nodal Agency. However, the higher priced NWG and lower APM gas allocation, will have an adverse impact on the profitability of the Company. The Company is exploring all measures to mitigate the impact.

You are requested to take the same on your record.

Thanking you,

Yours faithfully,

For **Adani Total Gas Limited**
