Adani Total Gas Limited and Jio-bp Partner to Enhance Quality Fuel Offerings

- **Both partners to offer each other's fuels across select outlets**

Ahmedabad, 25 June 2025: Adani Total Gas Ltd. (ATGL) and Jio-bp (operating brand of Reliance BP Mobility Limited) today announced signing of an agreement to redefine the auto fuel retail experience for Indian consumers. Under this partnership, select ATGL fuel outlets will offer Jio-bp's high-performance liquid fuels (petrol and diesel), while select Jio-bp fuel outlets will integrate ATGL's CNG dispensing units, within ATGL's authorized Geographical Areas (GA), thus enhancing the supply of high-quality fuels to transport consumers.

ATGL, a joint venture of Adani and TotalEnergies, is India's leading city gas distribution (CGD) player, serving natural gas to households, industries, commercial customers, and motorists. ATGL also offers Compressed Biogas (CBG), EV Charging, and LNG for the transportation segment. Jio-bp, a joint venture between Reliance Industries Limited and bp, is a leading mobility solutions provider in India, with a strong presence in fuel retailing, low-carbon alternatives, and modern convenience stores.

"We are united by a shared vision to offer our customers a superior selection of high-quality fuels. Jio-bp has always been committed to delivering an exceptional customer experience, and this partnership allows us to leverage each other's strengths to further enhance the value we provide to India," said **Sarthak Behuria, Chairman, Jio-bp.**

"It is our shared vision to provide complete range of high-quality fuels at our outlets. This partnership will enable us to leverage each other's infrastructure, thus enhancing customer experience and offerings," said **Suresh P Manglani, Executive Director and Chief Executive Officer, Adani Total Gas Ltd.**

The agreement covers both existing and future outlets of both partners. ATGL currently operates a network of ~650 CNG stations, while Jio-bp has a network of ~2000 outlets. This strategic alliance marks a significant milestone in the journey of both companies toward sustainable growth and innovation.

About Adani Total Gas

ATGL is India's leading city gas distribution company, with authorization to supply PNG and CNG in 34 Geographical Areas and plays a significant role in the nation's efforts to enhance the share of natural gas in its energy mix. Additionally, ATGL's 50:50 joint venture with IOCL, Indian Oil-Adani Gas Private Limited (IOAGPL), has authorization to supply PNG and CNG in 19 GAs, thus covering a total of 53 GAs and 125 districts in the country. Further, ATGL has formed two wholly owned subsidiaries, namely Adani TotalEnergies E-Mobility Ltd (ATEL) and Adani TotalEnergies Biomass Ltd (ATBL) for its E-Mobility and Biomass businesses respectively. ATGL has also formed a 50:50 joint venture, Smart Meter Technologies Private Limited, which is in the business of manufacturing smart gas meters.
