## Ather Energy to Host its Third Community Day in August 2025

**Bengaluru, June 25th, 2025:** Ather Energy Limited, India's leading electric two-wheeler manufacturer, today announced that the third edition of its flagship community event, Ather Community Day, will be held towards the end of August 2025. The theme for the same this year will be "Technology that works like magic," and Ather will be showcasing its new scooter platform, EL, and concept vehicles at Community Day 2025.

This year's Community Day will also see the launch of Ather's next-generation fast chargers, and an upgraded version of its software stack, Ather Stack 7.0. The new EL platform, engineered to be versatile and cost-efficient, will enable Ather to expand its product lineup to cater to a wider range of customer needs, while the new fast charging solution will make charging quicker and more convenient.

Ather Community Day, which has become one of the most anticipated events by the brand, brings together thousands of Ather owners and enthusiasts from across the country. Last year's Community Day, held on April 6, 2024, saw a significant turnout and marked key milestones with the launch of the Ather Rizta family scooter, the introduction of the Halo smart helmet, and the rollout of AtherStack 6.0.

More details about Ather Community Day 2025, including the exact dates and venue, will be shared in the coming weeks.

### About Ather Energy Limited

Ather Energy Limited (ATHERENERG | 544397 | INE0LEZ01016), a pioneer in the Indian electric two-wheeler ("E2W") market, (CRISIL Report) was founded by Tarun Mehta and Swapnil Jain in 2013. The company's current E2W portfolio comprises two product lines – the Ather 450 line, which caters to customers seeking performance scooters, and the Ather Rizta line, which is targeted at customers seeking convenience scooters for their families. The company was the first two-wheeler ("2W") OEM to establish a 2W fast charging network, the Ather Grid, in India (CRISIL Report). Ather has installed 3,611 Fast chargers and Neighbourhood chargers globally, which includes 3,578 Fast chargers and Neighbourhood chargers across India and a total of 33 Fast chargers across Nepal and Sri Lanka as of March 31, 2025. As at March 31, 2025, globally, Ather Energy had 309 registered trademarks, 203 registered designs, and 47 registered patents, in addition to pending applications for 97 trademarks, 10 designs, and 313 patents.
