Dear Sir/Madam,

Subject: Intimation of Receipt of Letter of Intent from Transmission Corporation of Andhra Pradesh Limited (APTRANSCO) for an order worth Rs 193.92 crore

Ref: Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that Atlanta Electricals Limited ("the Company") has received a Letter of Intent from Transmission Corporation of Andhra Pradesh Limited (APTRANSCO) for the design, manufacture, testing and supply of 12 Nos. of 160 MVA, 220/132 kV Auto Transformers, against Tender Specification No. PMM21-31/2026 (Lot-2).

The total contract value of the order is Rs 193.92 crore (including GST).

The order comprises the supply of 12 units of 160 MVA, 220/132 kV Auto Transformers, with the scope covering design, manufacture, testing and supply.

The Company is pleased to receive this order from APTRANSCO and will execute the same in accordance with the technical specifications, commercial terms and delivery schedule stipulated under the tender.

We request you to take the above on record and disseminate the information.

Thanking you,

Yours faithfully,

For Atlanta Electricals Limited

Press Release

Atlanta Electricals Limited receives Rs 193.92 crore Letter of Intent from Transmission Corporation of Andhra Pradesh Limited

~ Company to design, manufacture, test and supply 12 units of 160 MVA, 220/132 kV Auto Transformers ~

Anand (Gujarat), August 18, 2026: Atlanta Electricals Limited (NSE, BSE: ATLANTA ELE), a leading manufacturer of power transformers, has received a Letter of Intent (LOI) from Transmission Corporation of Andhra Pradesh Limited (APTRANSCO) for an order valued at Rs 193.92 crore, including GST.

As per the Letter of Intent issued by APTRANSCO, the order involves the design, manufacture, testing and supply of 12 units of 160 MVA, 220/132 kV Auto Transformers against Tender Specification No. PMM21-31/2026 (Lot-2).

The scope of the order includes the supply of the transformers, including unloading, in accordance with the technical specifications and commercial terms stipulated under the tender. The total contract value for the 12 units stands at Rs 193.92 crore, including GST.

Commenting on the order, **Mr. Niral Patel, Chairman & Managing Director, Atlanta Electricals Limited**, said, "This Letter of Intent from APTRANSCO is a significant addition to our order book and reinforces the confidence that leading state transmission utilities place in Atlanta Electricals' manufacturing and execution capabilities. The order for 12 units of 160 MVA, 220/132 kV Auto Transformers further strengthens our presence in the transmission segment and demonstrates our capability to deliver high-capacity transformer solutions for critical power infrastructure. We remain focused on timely execution and supporting the ongoing development of India's power transmission network."

The order further strengthens Atlanta Electricals Limited's presence in the power transmission segment and underscores its capability to manufacture and supply high-capacity transformers for critical transmission infrastructure.

About Atlanta Electricals Limited

Atlanta Electricals Limited manufactures and supplies a wide range of power transformers from 5 MVA/11 kV up to 500 MVA/765 kV, as well as auto transformers, inverter duty transformers, furnace transformers, generator transformers and special duty transformers, at its five facilities in Gujarat and Karnataka. With over 30 years of experience, as of 31st March 2026, the Company has supplied over 4,800 transformers totalling more than 1,16,000 MVA across the country.
