Aurionpro announces expansion into Australia with the acquisition of Melbourne-based InfraRisk

Mumbai/Singapore, August 05, 2025 — Aurionpro Solutions Limited (BSE: 532668) (NSE: AURIONPRO), a leading provider of technology solutions for the financial services industry, today announced its acquisition of InfraRisk, a software firm specializing in lending solutions for banks and financial institutions. This strategic acquisition strengthens Aurionpro's Integro lending suite to expand both its functionality and its geographic footprint in Australia and Europe.

This acquisition allows Aurionpro to continue its geographical expansion into Australia, a key strategic market for the wider Banking as well as TIG segments, by leveraging InfraRisk's experience of over 15 years in partnering with financial institutions undertaking transformations for their lending operations.

InfraRisk, with its headquarters in Melbourne and additional offices in Singapore and the UK, is well-known for its strong expertise in Digital Lending, Private Credit, and Business Financing. By integrating with Aurionpro's existing Integro suite of corporate and retail solutions, as well as Arya.ai's advanced AI solutions, Infrarisk will be able to significantly enhance its solution offerings.

"Aurionpro and InfraRisk share a common vision of becoming the partner of choice for banks and financial institutions in enabling their lending and leasing workflows," stated **Ashish Rai, Group CEO of Aurionpro**. "This acquisition is not just about expanding our Integro portfolio and reach; it's about synergistically merging our strengths—InfraRisk's extensive expertise in specialized and digital lending with Aurionpro's robust corporate and retail lending solutions. This

collaboration allows us to offer a unique, comprehensive portfolio of lending solutions across the banking and non-banking sectors. We are excited to explore the global potential this combination unlocks for our clients and to reinforce Aurionpro's expansion into Europe and stepping confidently into new markets like Australia," he added.

Nic Davies, Co-Founder and CEO of InfraRisk, expressed his enthusiasm, stating, "Joining forces with Aurionpro starts a new chapter for InfraRisk. This collaboration allows InfraRisk to expand globally while we continue to provide strategic capabilities and cutting-edge solutions to solve complex challenges within the lending sector."
