aurionPro Wins 2012 IBM Beacon Award for - Smarter Industry: Best Industry Solution for Banking

IBM Beacon Awards recognize technical excellence, industry expertise and innovative solutions for IBM technology and services

Bangalore, India 1st March 2012- --aurionPro-- was named winner of a 2012 IBM Beacon Award for -- Smarter Industry: Best Industry Solution for Banking. This honor is awarded each year to a select number of IBM Business Partners to recognize information technology excellence, commitment to skills attainment, industry knowledge and innovative solutions based on IBM technology and services.

"We are extremely proud of being recognized by IBM as a Beacon Award winner," said Amit Sheth, aurionPro's Managing Director. "We have an unwavering commitment to our partnership with IBM, through which we are focused on delivering the most innovative banking solutions to enable extraordinary business efficiencies for our mutual customers. We share IBM's values of delivering the highest quality of services and solutions and look forward to achieving enormous success together in the coming years."

The Beacon Awards are a central and vital element of IBM's Business Partner recognition program. Announced at the IBM PartnerWorld Leadership Conference in New Orleans, Louisiana, United States, and selected by leading industry influencers and IBM executives from among hundreds of nominations, IBM's Beacon Awards recognize a select number of IBM Business Partners who have demonstrated business excellence in delivering IBM-based solutions resulting in client transformation and business growth. This year's awards recognized Business Partner achievements across 27 award categories.
