To,

The Board of Directors

Autoline Industries Limited

S.No.313, 314, 320 to 323, Nanekarwadi,

Chakan, Tal. Khed, Pune - 410501

Introduction

1. We have reviewed the accompanying statement of Consolidated Unaudited Financial Results of **Autoline Industries Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which includes the Group's share of profit/(loss) in its associates and joint ventures for the quarter and six months ended September 30, 2025, together with notes thereon ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. The Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors on November 08, 2025, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended ("the Act"), read with rules issued there under and other recognized accounting practices and policies generally accepted in India and Regulation 33 of the Listing Regulations in this regard. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143 (10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations in this regard, to the extent applicable.

4. 'The Statement' includes the results of the entities mentioned below:

Sr. No.	Name of the related party	Nature of relationship
1.	Autoline Industries Limited (AIL)	Holding Company
2.	Autoline Design Software Limited	Subsidiary Company
3.	Autoline E-Mobility Private Limited	Subsidiary Company
4.	Autoline Industrial Parks Limited (Up to April 15, 2025)	Subsidiary Company (43% Stake & Significant Influence)
5.	Koderat Investments Ltd., Cyprus (Non-Operative) – (KIL, Cyprus)	Subsidiary Company
	- SZ Design SRL - (Under Liquidation)	Associate of Koderat Investments Limited – Subsidiary
	- Zagato SRL Milan Italy (Voluntary Liquidation)	Associate of Koderat Investments Limited – Subsidiary

Basis for Qualified Conclusion

5. The Holding Company had recognised credit for Minimum Alternate Tax (MAT) for the Assessment Years 2011-12 and 2012-13 corresponding to financial years 2010-11 and 2011-12 under section 115 JAA of the provisions of the Income Tax Act, 1961 totaling to Rs. 1,193.61 Lakhs. As per the provisions of the Income Tax Act, 1961, these MAT Credits are available for utilization for a period of 15 years from the year in which it is recognized. The Holding Company expects to utilise the MAT credit within the remaining period. During the quarter ended June 30, 2025 the Holding Company has written off the MAT credit of Rs. 596.81 Lakhs, and the balance of Rs. 596.80 Lakhs has been carried forward.

However, in our conclusion, based on the financial projections made available to us as well as the existence of accumulated carry forward losses as per tax laws, it is unlikely that such balance MAT Credit of Rs. 596.80 Lakhs can be utilized within the designated period. Accordingly, the MAT Credit Asset, total comprehensive income & retained earnings in the statement are overstated to that extent.

Qualified Conclusion

6. Except for the possible effects of the matter specified under "Basis for Qualified Conclusion", Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 as prescribed under section 133 of the Act and other recognised accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations in this regard, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other matter

7. Two foreign associates & one foreign subsidiary are non-operative entities and their financial information as of September 30, 2025 are not reviewed. This financial information is provided by the Holding Company's management in whose opinion the same is not material to the Group.

Our conclusion is not modified with respect to this other matter.
