Press Release- A National Movement Begins – Operation Shuddhi

“India can transform plastic waste into a ₹50,000 crore circular economy. The Company has launched Operation Shuddhi on March 10, 2026 a first step toward that national transformation.”

— Prof. (Dr.) Sushil Kumar Aggarwal- Chairman Avro India Ltd. Ghaziabad.

At **Malviya Smriti Bhavan, New Delhi**, we officially launched **Operation Shuddhi**, a nationwide mission to transform plastic waste into economic opportunity through recycling and circular economy.

The hall witnessed more than **180 distinguished guests** including senior bureaucrats, academicians, spiritual leaders, industry representatives, students, and passionate volunteers, where powerful discussions and ideas were shared and a shared commitment toward building a cleaner and more sustainable India.

During the event, the Company has also launched the **Operation Shuddhi Website and Recycling App**, which will help mobilize volunteers and build an efficient plastic collection and recycling ecosystem.

Our vision is ambitious but achievable:

- Engage **5,00,000 citizens**
- Create **₹50,000 Crore circular economy activity**
- Generate large-scale livelihoods
- Reduce plastic pollution and greenhouse gas emissions

This movement will connect **schools, colleges, hospitals, hotels, dhabas, religious institutions, markets, and communities** to ensure plastic is **collected, repurposed, and brought back into the economy.**

Plastic is not waste.

Plastic is a resource waiting to be repurposed.

Operation Shuddhi has begun and we invite the nation to join this movement as volunteer/member/chapter presidents.
