Press Release: Recognition by Asia Book of Records and India Book of Records

We are immensely proud to share that our recycling facility has been recognized by **both the Asia Book of Records and the India Book of Records** for an extraordinary achievement- **processing more than 3,00,000 cement bags within just 24 hours** through Asia's largest fully automatic flexible plastic washing plant on March 10, 2026.

With this remarkable feat, **AVRO Group stands as the only company across India and Asia to accomplish this benchmark**, establishing ourselves as a technology-driven leader in the complex field of recycling difficult flexible plastics such as **cement bags, jumbo bags, calcite bags, woven sacks etc.**

This recognition is not just a record — it is the culmination of **years of perseverance, courage, experimentation, and unwavering belief**. The AVRO team endured technological setbacks, scrapped multiple machines, invested enormous resources, and pushed the boundaries of innovation to perfect the science of flexible plastic recycling.

Today, that relentless effort has placed **AVRO on the pedestal as the No.1 recycling leader in the Asian region** — an achievement that is truly **unbeatable and unparalleled**.

This milestone also strengthens our mission:

- ♻️ **Saving our planet** by preventing plastic waste from entering landfills
- ♻️ **Reducing nearly 2.5 kg of greenhouse gas emissions per kg of recycled plastic**
- ♻️ **Saving precious foreign exchange** by replacing virgin polymer worth ₹100/kg
- ♻️ **Creating jobs, revenues, and new economic opportunities for India**

It is this transformative work that has led many in the industry to lovingly refer to **Prof. (Dr.) Sushil Aggarwal as the “Daddy of Plastics”**, and to view the **AVRO Group as a pioneering force that will empower Indian industry with cutting-edge recycling technologies**.

My heartfelt gratitude goes to **Sahil Aggarwal, Nikhil Aggarwal** and dedicated team who poured their heart and soul into achieving this milestone.

We also thank our **shareholders, partners, and well-wishers** whose unwavering faith kept us moving forward during the most challenging times.

And this is just the beginning.

Together, we will turn waste into wealth and make India proud.
