AVP Infracon Secures Major NHAI Contracts in Tamil Nadu

Mumbai, 1st April 2024 AVP Infracon, one of the leading infrastructure development company, is pleased to announce that it has secured two significant contracts from the National Highway Authority of India (NHAI) in the state of Tamil Nadu.

The first contract entails the Strengthening/Overlay of the Thirumayam- Manamadurai section, a crucial stretch of highway infrastructure in Tamil Nadu. Valued at ₹33.93 Crores, this contract underscores AVP Infracon's expertise in road construction and commitment to enhancing transportation networks in the region. The project is slated to be completed within a year.

In addition, AVP Infracon has also secured a contract for Operation & Maintenance and Incident Management Services along the Pondicherry- Tindivanam section of NH-32, extending into Tamil Nadu and Puducherry. This contract, valued at ₹7.32 Crores, highlights the company's comprehensive capabilities in infrastructure management and its commitment to ensuring safe and efficient highways for commuters.

With a track record of excellence and a commitment to innovation, AVP Infracon continues to play a pivotal role in transforming India's infrastructure landscape.

Commenting on this achievement Mr. Prasanna Dhandayuthapani Chairman and Managing Director (CEO) of AVP Infracon Limited Said "We are thrilled to announce the successful acquisition of two significant contracts from NHAI in Tamil Nadu, marking another milestone for AVP Infracon. These contracts reflect our unwavering dedication to advancing the country's infrastructure and facilitating smoother transportation networks. With the Strengthening/Overlay project on the Thirumayam-Manamadurai section and the Operation & Maintenance services along the Pondicherry-Tindivanam stretch, we reaffirm our commitment to delivering high-quality infrastructure solutions efficiently. These wins underscore our expertise in road construction and comprehensive infrastructure management. We look forward to delivering these projects with the utmost professionalism and contributing to the growth and development of Tamil Nadu's infrastructure."

About AVP Infracon Limited:

AVP Infracon Limited, established in 2009, is one of the prominent player in India's infrastructure development sector. Specializing in both Bill of Quantities (BOQ) and Engineering, Procurement, and Construction (EPC) methodologies, the company undertakes a wide array of projects, ranging from expressways and national highways to flyovers, bridges, and urban development initiatives.

With a proven track record of delivering technically complex and high-value projects, AVP Infracon has earned a reputation for reliability and excellence. Having completed 40 projects valued at approximately ₹31,321.03 lakhs, the company continues to spearhead transformative infrastructure endeavours across the nation.

In FY23, the company recorded Consolidated Total Income of ₹ 115.51 Crore, achieved an EBITDA of ₹ 22.86 Crore and Total Income of ₹ 12.05 Crores.
