Re: Movement in Price – AVP Infracon Limited

Dear Sir,

We received your email dated 24th April 2024 regarding the significant movement in the price of our security across exchanges in the recent past.

We have undertaken a thorough review and have not identified any specific reasons for the change. We wish to affirm and confirm that we do not have any unpublished price-sensitive information in our possession that could be impacting the stock price. Furthermore, we do not have any impending announcements that could reasonably be expected to have a material impact on the price of our securities. We are committed to complying with all SEBI regulations and ensuring timely disclosure of any material information. We will continue to monitor the situation closely and promptly inform the Exchange of any developments that may have a bearing on the price or volume of our security.
