ALL INDIA RANKING AS PER SWACHH SURVEKSHAN – 2022

Mumbai, October 04, 2022: Antony Waste Handling Cell Limited, a leading player in the Indian MSW service industry, would like to present the results of Swachh Survekshan 2022. This Survey has been instrumental in instilling a spirit of healthy competition among towns and cities to improve hygiene and to create cleaner cities. It gives us immense pleasure to announce that every one of our project cities in Maharashtra have featured among the top ten cleanest cities in the state (in more than 10 lakh population category). Similarly, in Uttar Pradesh, two of our cities are among the top five cleanest cities in the state (in less than 10 lakh population category).

Commenting on the Rankings, Mr. Jose Jacob, Chairman and Managing Director, Antony Waste Handling Cell Limited said, “AWHCL’s commitment to invest in technology and believe in its team, has yielded positive results in the form of an improvement in the rankings of cities where we manage waste. Corporations like Navi Mumbai, Thane, Mumbai (MCGM), Varanasi, and Delhi (NDMC) have made exceptional progress this year. We would like to thank all our employees and associates for their untiring efforts in serving the cities. Also, we would like to thank city officials for working towards the common goal of Swachh Bharat. We will continue to work towards further improving these rankings, by better managing waste, building a circular economy, and thereby improving city cleanliness in an environmentally sustainable manner.”

STATE AND ALL INDIA RANKINGS OF THE CITIES

Sr. No	Project Sites	Name of State	Rank	
			State	All India
Population More than 10 Lakh				
1	Navi Mumbai	Maharashtra	1	3
2	Thane		3	13
3	Pimpri Chinchwad		4	19
4	Nagpur		8	27
5	MCGM		10	31
6	Varanasi	Uttar Pradesh	5	21
7	NDMC	Delhi	1	37
Population Less than 10 Lakh				
1	NOIDA	Uttar Pradesh	1	5
2	Jhansi		5	57

About Antony Waste Handling Cell Limited

Antony Waste Handling Cell limited is one of the top five players with an established track record of more than two decades, providing full spectrum of MSW services which includes solid waste collection, transportation, processing and disposal services across India, majorly catering to municipal corporations. The Company pioneered both MSW collection and transportation business in the country. We are also key players in the landfill construction and management sector with in-house expertise for construction and management of landfills. The Company focuses on the emerging waste management areas in India such as waste to energy. During the journey of over two decades, AWHCL started the business with Municipal Solid Waste Collection and Transportation and built its way in the solid waste management business, having worked with more than 23 Municipal Corporations. At Kanjurmarg, Mumbai, the Company is operating the largest single location waste processing plant in Asia.
