Secured C&T Contract of ₹ 386 Crores with Panvel Municipal Corporation

- Contract of Door-to-Door Collection and Transportation (C&T) of MSW in Panvel Municipal Corporation (PMC) which comes under MMR region
- Consideration of ~₹ 368 Crore with approximately 500 TPD of tonnage for period of 7 years (5 years with the option for a 2-year extension)
- Initial capex to be financed by Panvel Municipal Corporation

Mumbai, October 26, 2023: Antony Waste Handling Cell Limited (“AWHCL”), India’s leading integrated solid waste management company, announced that AG Enviro Infra Projects Private Limited, its wholly owned subsidiary, has secured a ~₹368 Crore contract for Door-to-Door C&T of MSW in PMC. This contract has a period of 5 years with the option for a 2-year extension. According to the tender terms, Panvel Municipal Corporation will procure the entire infrastructure for the project, which will subsequently be entrusted to our operations. We are proud to be partners with the PMC to provide sustainable waste management services to the city.

Commenting on the contract award, Jose Jacob, Chairman & Managing Director, Antony Waste Handling Cell Limited said,

"We are thrilled to share the news of our successful contract win for a ~₹368 Crore C&T Contract with the Panvel Municipal Corporation. In this 5-year contract, with the option of a 2-year extension, the corporation have agreed to shoulder the responsibility for all capital expenditures associated with this project. This will allow us to embrace an asset-light model which will empower us to allocate our capital resources to other upcoming and potential opportunities. We remain committed to our vision of sustainable growth, enabling us to stay agile, efficient, and dedicated to delivering exceptional waste management services while actively seeking expansion opportunities."

About Antony Waste Handling Cell Limited

Antony Waste Handling Cell Limited is leading player in the Indian Municipal Solid Waste Management industry with an established track record of more than two decades, providing full spectrum of MSW services which includes solid waste collection, transportation, processing and disposal services across India, majorly catering to municipalities. The Company has pioneered both MSW collection and transportation business in the country. We are also key players in the landfill construction and management sector with in-house expertise for construction and management of landfills. We are focus on the emerging waste management areas in India such as waste to energy. During our journey of over two decades, we started the business with MSW C&T and built their way in the solid waste management business, having worked with more than 23 Municipal Corporations. At Kanjurmarg, Mumbai, the Company is operating the largest single location waste processing plant in Asia. Additionally, we are proud to operate Maharashtra's First Waste-to-Energy plant at Pimpri Chinchwad Municipal Corporation.
