MEDIA RELEASE

AXISCADES Receives Fifth Consecutive Bombardier Diamond Supplier Award

AXISCADES -India's Pride on the Global Aerospace Stage

Bengaluru, India / Montreal, Canada, September 25, 2025: AXISCADES Technologies Ltd. (BSE: [532395](#) | NSE: [AXISCADES](#)), a leading player in Aerospace, Defence, Electronics, Semiconductors, AI and an end-to-end engineering and technology solutions provider, **is proud to announce a significant achievement that underscores the success of a strategic initiative with Bombardier since 2010.** AXISCADES has been awarded the prestigious **Bombardier Diamond Supplier recognition** for the **fifth consecutive year** in the **Indirect Goods and Services (IGS) – Engineering Services category.** This award is a testament to our consistent operational performance.

The award was presented at a ceremony held on 15th September in Montreal, Canada, and it represents the highest level of recognition for operational performance (in the areas of quality and delivery) and competitiveness levels needed to qualify for **Bombardier Diamond Supplier status** among the global suppliers.

Commenting on this milestone, Mr. KP Mohanakrishnan, Dy. CEO and President of Aerospace at AXISCADES, said “We are honoured to receive the Diamond Supplier Award from Bombardier for the fifth consecutive year, highlighting our commitment to excellence and customer satisfaction. We take immense pride in our team's dedication in India and Canada. This recognition inspires us to continue delivering world-class solutions as we strive to become a US \$1bn company. We extend our gratitude to Bombardier for their continued partnership and look forward to deepening our collaboration in the years to come.”

AXISCADES' partnership with Bombardier spans more than a decade covering niche areas of aerospace engineering and advanced engineering services. The strong growth in the aerospace sector presents **exciting new avenues for collaboration and engagement.** We remain committed to investing in innovation, talent, and capabilities that will allow us to further strengthen our partnerships and deliver world-class solutions for the future.
