Media Release

Cement Business

The cement business grew volumes by 27% during the quarter on YoY basis, as a result of a stronger focus on premium products and improved customer service levels, despite challenges such as sand availability constraints and subdued urban housing trends due to RERA compliance.

The quarter was impacted by an increase in cost of imported coal and petcoke, slag prices, limited availability of linkage domestic coal forcing a shift to costlier fuel sources, and the ban on petcoke usage in NCR States. Despite this, our determination to optimise costs and improve productivity, enabled operating costs to remain at par with the previous year.

Fixed costs and Selling General & Administrative Expenses (SG&A) were maintained at the same level, while SG&A as a percentage of net sales was lower on a YoY basis

Ready Mix Concrete

The company's ready mixed concrete sales volumes grew substantially by 19% during the quarter as a result of focusing on the infrastructure, commercial and realty segments. Volumes also grew thanks to a higher share of customized concrete solutions and increased sales of value-added special products.

Dividend

The Board of Directors has recommended payment of final dividend at ₹15/- per share of ₹10/- aggregating to ₹339.02/-crore (including tax on dividend). The total dividend for the year 2017(including the interim dividend of ₹11/- per share), adds up to ₹26/- per share aggregating to ₹587.64/- crore (including tax on dividend).

Outlook

The announcements in Budget 2018 indicate the government's thrust on infrastructure development and increased rural spending through measures aimed at reviving the rural economy. The significant increase in the budgetary outlay for infrastructure development which includes railways, roads, highways and irrigation projects, the investment in smart cities and a sharper focus on the affordable housing segment is expected to drive growth during 2018. As India continues on a sustained growth trajectory, cement as a core sector will benefit from the country's growth.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion.

3. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
- (i) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016; and
 - (ii) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and Total comprehensive income and other financial information of the Company for the year ended December 31, 2017.
4. We draw attention to Note 6 to the standalone financial results which describes the following matters:
- a) In terms of order dated August 31, 2016, the Competition Commission of India (CCI) had imposed a penalty of Rs.1147.59 crores for alleged contravention of the provisions of the Competition Act, 2002 (the Competition Act) by the Company. On the Company's appeal, Competition Appellate Tribunal (COMPAT) had stayed the penalty with a condition to deposit 10% of the penalty amount, which was deposited. The Company is awaiting decision by NCLAT.
 - b) In a separate matter, pursuant to a reference filed by the Government of Haryana, the CCI by its order dated January 19, 2017, had imposed a penalty of Rs.35.32 crores on the Company for alleged contravention of the provisions of the Competition Act. On Company's filing an appeal together with application for interim stay against payment of penalty, COMPAT has stayed the penalty pending hearing of the application. This matter is listed before NCLAT for hearing.

Effective May 26, 2017 COMPAT ceased to exist and appellate function under the Competition Act is now conferred to the NCLAT.

Based on the advice of external legal counsel, no provision has been considered necessary by the Company in respect of these matters. Our opinion is not modified in respect of these matters.

5. The Statement includes the results for the Quarter ended December 31, 2017 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subjected to limited review by us.

Our report is not modified in respect of this matter.

6. The comparative financial information of the Company for the quarter and year ended December 31, 2016 and opening balance sheet as at January 1, 2016 prepared in accordance with Ind AS included in this Statement has been audited by the predecessor auditor. The report of the predecessor auditor on these comparative financial information and the said opening balance sheet dated October 17, 2017 expressed an unmodified opinion.

Our report is not modified in respect of this matter.

1. We have audited the accompanying Statement of Consolidated Audited Results for the quarter and year ended 31-12-2017 ("the Statement") of **ACC LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the profit of its associates and joint ventures for the quarter and year ended December 31, 2017, which includes four joint operations of a subsidiary (consolidated on a proportionate basis with subsidiary), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
