Press Release

Accel Frontline commissions new delivery center in Chennai for Remote IT Infrastructure Management (RIM) and Managed services

Chennai, November 2nd, 2011: Accel Frontline Ltd. (BSE: 532774) opened a new centre for Managed Services Operations at DLF SEZ, at Manapakkam in Chennai. The Managed Services Operations Center (MSOC) will provide remote IT infrastructure support for its global customers. The facility can seat 180 specialists on a three shift basis to serve customers globally. It also has its own latest in security systems, fire detection and suppression systems, and redundant power supply and communications infrastructure.

Mr. N. R. Panicker, Chairman and CEO Accel Frontline Ltd. said, "IT infrastructure Management services has been our core activity, and this MSOC helps us offer the next level of service delivery for our customers bringing them tangible business benefit by moving onsite services to remotely managed services."

Remote Infrastructure Management (RIM) and managed services are rapidly gaining acceptance as it helps organisations reduce costs with improved service levels as the service providers proactively and seamlessly manage their customer's IT infrastructure, without comprising on security.
