DIAMOND POWER -RECEIVE ACCREDITATION FOR ITS TESTING FACILITIES FROM NABL.INDIA.

Vadodara, 1st August 2014 ,Diamond Power Infrastructure Ltd India one of the Leading Electrical T&D Equipment manufacturer and EPC player is pleased to announce the following.

RESEARCH, DEVELOPMENT AND TESTING CENTRE.

Diamond power has been a pioneer in the field of Electrical T&D Equipment's in India since last 44 years ,It continuously innovates and invests in new product technologies & has been on the forefront of investing in R&D and Testing facilities which are of global standarads.The company invested more then Rs 30 cr to set up a Modern Ultra High Voltage Testing laboratory at its Vadadala ,the lab which is one of its kind facility in India capable of Carryout regular and type testing facilities for working voltages up to 1200 KV.

TESTING FACILITES RECEIVE NABL ACCREDITION.

Diamond Power is pleased to announce that its Ultra High Voltage Testing laboratory has received accreditation from the National Accreditation Board for Testing & calibration Laboratories (NABL) the National Board for Accrediting labs and testing labs in India has granted Diamond Power lab an approval to carry out tests for its and others for products

Most of the buyers and world over insist for product to be tested in NABL approved labs, with the accreditation of Diamond Power lab, Diamond will be able to provide better quality products to its customers and will be able to reduce its working capital cycle by having its own in-house testing centre by avoiding the waiting times in labs.

ORDER BOOK UPDATE

Diamond Power has an outstanding order book position of Rs 1900 cr.
