Brief Profile of Mr. Neeraj Sethi

Disclosure Requirements	Details
Brief Resume / Nature of Expertise	The Board of Directors are pleased to announce the appointment of Mr. Neeraj Sethi as the President and CEO of Selan. Mr. Sethi brings 21 years of international oilfield and strategic management experience to Selan. He has a proven track record of starting, growing and managing the business of a leading international oil services company, Baker Hughes in multiple countries including India. During his career, he has also managed the business of a publicly listed oilfield service company in India as the COO of Asian Oilfield Limited. In his most recent assignment, he oversaw the application of leading edge technical solutions at Saudi Aramco on behalf of another International Service provider, Halliburton. He has lived and worked in eight different countries in the Asia-Pacific and Middle East region, has four SPE publications to his name and holds four US patents. Mr. Sethi will be responsible for the management and development of Selan's current oil and gas assets, as well as evaluation and development of additional prospects in India and internationally while providing strategic leadership for the growth of the company. We are pleased to welcome Mr. Sethi to Selan and expect him to exploit the significant opportunities present in the company's asset base as well as the wider hydrocarbon sector, and in the process drive significant enhancement in shareholder value.
