DETAILS OF MR. RAMNATH MUKHIJA

Sr. No	Particulars	Details
1.	Name of Director	Mr. Ramnath Mukhija
2.	Reason for change	Appointment as an Additional Director (designated as Non – Executive and Independent Director)
3.	Date of Appointment and term of appointment	From March 10, 2017 to February 4, 2019.
4.	Brief profile	Mr. Mukhija is an Honours graduate in Electrical Engineering of 1965 batch from IIT Kharagpur. He was conferred with the prestigious “Distinguished Alumnus” of IIT award. He has completed his 2-Tier Top Management program at IIM Ahmedabad and has attended “The Global Program for Management Development” conducted by University of Michigan Business School, USA. After graduation, Mr. Mukhija joined Larsen & Toubro Limited and continuously served for 49 years. Mr. Mukhija gathered considerable expertise during his tenure in L&T and was elevated to the post of President Operations & Member of the Board in 2001. As a Board Member his main assignment was to look after L&T’s Electrical & Automation business. He was also on the board of S&A Companies including L&T Infotech Limited and L&T (Wuxi) Electric Company Limited. The encouragement and support that he extended to product innovation, contributed to the development of significant intellectual property of the Company. Through the acquisition of TAMCO, Malaysia, he played a pivotal role in adding a new dimension to L&T’s Switchgear offerings. Other major career milestones included the formation of Embedded Systems Division (now known as Technology Services) and the strengthening of L&T’s nationwide switchgear distribution network. Post his retirement from L&T Board in October 2010, he was in the role of Advisor to the Group Executive Chairman till April 2014. He continued to be in-charge of Domestic Marketing Network, Sustainability Reporting Initiatives and Medical, Healthcare & Welfare departments for employees

DETAILS OF MR. HARISH PATHAK

Sr. No	Particulars	Details
1.	Name of Director	Mr. Harish Pathak
2.	Reason for change	Appointment as an Additional Director (designated as Non – Executive and Non - Independent Director)
3.	Date of Appointment and term of appointment	w.e.f. March 10, 2017 to hold office upto the date of next Annual General Meeting of the Company
4.	Brief profile	Mr. Harish Pathak holds a Bachelor of Technology degree (Metallurgical Engineering) from Indian Institute of Technology, Bombay. He has completed General Management Programme from Indian Institute of Management, Ahmedabad and Executive Development Programme from CEDEP, France. He began his career as a Graduate Trainee in Tata Steel, and worked as Senior Metallurgist in 1982-84. Thereafter he had a long stint in Sales & Marketing culminating in his holding positions such as Chief Sales Manager for Eastern Region, Chief Marketing (Flat Products) and Chief Marketing & Sales (Long Products) in years 2000- 2005. During this period, he is credited with launch of very successful premium brands like Tata Tiscon & Tata Steelium. He re-engineered the B2B sales & Marketing Processes in Tata Steel and established very effective B2C distribution channels – a first in the steel industry in those days.. In 2005, he was appointed as Profit Center Head of Wire Division at Tata Steel Ltd, Mumbai. The Division had over 1200 employees and a turnover of Rs 1200 Crores. He re-engineered all the business processes and implemented SAP. He was responsible for increasing productivity in various special high quality wires by re-designing manufacturing processes. With his able guidance, Labour relations with three different unions were managed well and a difficult negotiation of shifting manufacturing facilities out of

		Mumbai was successfully managed with one of the unions. As the profit center head, he was responsible for acquisition and integration of two Wire companies. He was also the Chairman of the Board of Lanka SSL a Steel Wire company operating in Sri Lanka. Mr. Pathak was Chairman of Wire Manufacture Association of India. The association engaged in influencing the Government on tariffs and trade barriers affecting wire industry. In the year 2008, Mr. Pathak was appointed as Managing Director of Tata Bluescope Steel Ltd. Tata BlueScope Steel Ltd. is an equal joint venture between Tata Steel, India and Blue Scope Steel, Australia in the field of coated steel, steel building solutions and related building products. He served as MD of Tata Bluescope Steel Ltd. for a period of 5 years. During this tenure, he executed a major Coated Steel Project of Rs. 1200 Cr in Jharkhand. The project execution required multi-pronged approach with various stakeholders and State Government. The processes and operations were a benchmark in the industry. He had also launched and established a unique retail brand "Durashine." The brand had grew 40-50 % year on year in 4 years to a turnover of Rs 700 Crore. Mr. Pathak is currently the President of Tata AutoComp Systems for last 3 years. Currently, Mr. Pathak holds Directorship at Tata Ficosa Automotive Systems Private Limited. A Life member of Indian Institute of Metals, he has organized several seminars and workshops which brought industry, policy makers and academia together. He is committed to health, education and sports of the community surrounding his work area. He has been a trustee on boards of schools & hospitals. He has run a cricket academy for the talented children of the local community.
