Des Powley joins aurionPro SENA, a business unit of aurionPro Solutions Limited, as Director of Identity Services.

aurionPro SENA makes a strategic appointment to lead, drive and grow their Managed, Hosted and Cloud Identity Services business

EDISON, NJ, September 2012 - aurionPro SENA today announced the appointment of Des Powley as Director of Identity Services focused on leading and driving aurionPro SENA's class-leading Managed, Hosted and Cloud Services business.

"This is a key, strategic appointment that signals aurionPro SENA's intention to be the global leader in Managed, Hosted and Cloud Identity Services. Des brings a depth of understanding of the Identity Management market that will enable us to develop world class, highly differentiated Identity Services that will focus on delivering maximum customer benefit with the shortest possible time to value," commented Robert Levine, CEO of aurionPro North America.

Des added, "I believe that the move to Cloud, Mobile and Social Identity and Access Management will create huge opportunity for consumer scale Identity Services that will, in turn, necessitate the development of advanced features and delivery mechanisms. aurionPro SENA is uniquely positioned to build these next generation Identity Services to complement their existing, industry-leading, Managed, Hosted and Cloud Identity Services."

Des joins aurionPro SENA from Oracle where he was the Director of Security Solutions and an EMEA Business Development Leader. During his six years with Oracle, Des was part of the Senior Management team that led to Oracle's emergence as the unrivalled leader of the Identity and Access Management market. Prior to Oracle, Des was Head of Identity, Access and Biometrics for Atos Origin.
