### **aurionPro Solutions Acquires Enline plc, the leading U.K.-based Oracle Identity Management systems Implementer**

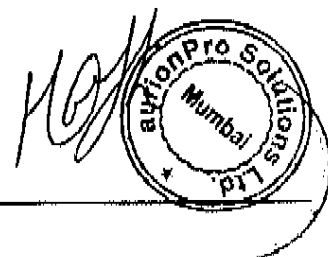

Mumbai, July 18, 2012.

aurionPro Solutions is pleased to announce today that it has acquired Enline plc. The Enline business is a natural complement to aurionPro's thriving aurionPro SENA division and is expected to significantly extend aurionPro's global reach in Information Security consulting.

Enline has been providing Security, Identity Management and Infrastructure solutions since 1985 and is a key Oracle information security partner in the UK and in Ireland. The company has won several prestigious Oracle partner awards, including the Oracle Technology Specialist Partner of the Year 2011 and the Oracle Partner Network Specialized Middleware Partner of the Year Award for EMEA in 2011. The Enline team brings a highly skilled and passionate group of identity and access management experts who will be able to seamlessly leverage and expand aurionPro SENA's existing global delivery capabilities.

Commenting on the pending acquisition, Samir Shah, aurionPro's Managing Director of North America remarked, "We have been partnering effectively with the Enline team since late 2010 when we formed a joint services model for delivering Oracle's Identity Management suite in northern Europe. The Enline team brings a complementary skillset, more than 25 years of proven success, and a fantastic management team that will be a natural extension to our aurionPro SENA business as we continue to look for global expansion opportunities."

"We are thrilled about the prospect of evolving our already successful working relationship with the aurionPro SENA team by officially joining the aurionPro family", commented Mike Nelsey, Enline's Managing Director. "We hope to bring our relationships in the European
