You are requested to kindly take the above information on your records.

Thanking you,

For Baba Food Processing (India) Limited

**Sonal Agarwal
Company Secretary & Compliance Officer**

PROSPECT

WILL BECOME WORLD'S THIRD LARGEST ECONOMY: RBI

Reserve Bank of India (RBI) Governor Sanjay Malhotra on Saturday said India will become the world's third largest economy soon, and credited the Pradhan Mantri Jan Dhan Yojana for boosting the country's growth. His remark came at a time when India's GDP grew 7.8 per cent in the April-June quarter of the current fiscal, the highest in five quarters before the imposition of heavy tariff on the country by the United States.

Addressing a Government banks' financial inclusion campaign "Santripati Shivar" at Rangwasa village in Indore, Malhotra said the central Government and the RBI had launched the Jan Dhan Yojana in collaboration with banks 11 years ago, leading to development across the nation.

BENGALURU AIRPORT GETS ACCESSIBILITY ACCREDITATION

In a landmark achievement for Indian aviation, Kempegowda International Airport (KIA) has become the first airport in India to receive the Level-2 Accessibility Enhancement Accreditation from the Airports Council International (ACI) – a global recognition of its commitment to inclusive and accessible travel for all.

Karnataka Deputy Chief Minister DK Shivakumar lauded the accomplishment, calling it a proud moment for the state and a sign of its leadership in world-class infrastructure and inclusive services.

"Kempegowda International Airport has made Karnataka proud by securing this honour. It reflects world-class infrastructure, advanced technology, and a strong commitment to accessibility for every passenger. Bengaluru continues to set new benchmarks for the country," Shivakumar said.

The ACI Accessibility Enhancement Accreditation is the world's only dedicated airport accessibility certification, recognizing facilities that go beyond compliance with accessibility norms to adopt a holistic, people-first approach. The Level-2 certification acknowledges airports that have established accessibility governance, implemented inclusive design and service practices, and trained staff to cater to passengers with disabilities and reduced mobility. Bangalore International Airport Ltd (BIAL), the operator of KIA, has introduced a series of groundbreaking initiatives including, The Sunflower Lanyard Scheme for passengers with hidden disabilities, India's first sensory room for neurodivergent travellers, Ongoing staff training programmes to enhance empathy and awareness among frontline teams.

US tariffs: Carpet industry demands special bailout package

PRESS TRUST OF INDIA ■ Bhadohi (UP)

The carpet industry has urged the central Government for a special bailout package for the exporters in this sector, especially in Bhadohi, as the US has imposed a 50 per cent tariff imposed by the US. All India Carpet Manufacturers Association (AICMA) and the Carpet Export Promotion Council (CEPC), which operates under Ministry of Textiles, had met with Union Textiles Minister Giriraj Singh in this regard.

Bhadohi MLA Zahid Baig (Samajwadi Party) has also requested a special 10 per cent tariff reduction from the bailout package from the Uttar Pradesh Government to provide relief to the exporters. According to Akhilesh Singh, Chief Administrative Officer of CEPC's Bhadohi office, India's carpet exports in the last financial year were valued at ₹16,800 crore. Of this, 60 per cent was exported to the US

and 40 per cent to European countries.

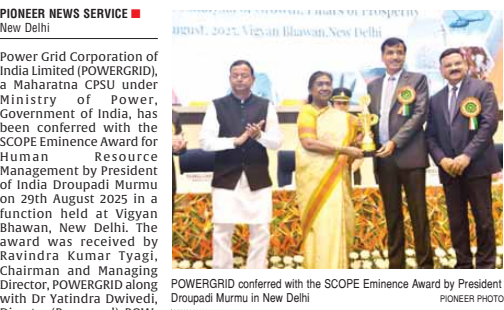

He noted that Bhadohi alone accounts for 60 per cent of the country's total carpet exports, making it clear that the US tariff will hit the district's exporters the hardest.

Both organizations stressed that their priority is to keep their American importers engaged. They explained that if these importers begin sourcing from countries where the US has imposed lower tariffs, such as China, Turkey, and Pakistan, it would be extremely difficult to win them back.

Meanwhile, in a letter to Uttar Pradesh Chief Minister Yogi Adityanath, Baig emphasized that the tariff will most significantly impact the carpet industry because 99 per cent of carpets made in India are exported, with 60 per cent of that going to the US.

The MLA highlighted that the carpet industry is a cottage industry that employs 30 lakh people, with women making up a valuable 25 per cent of that workforce.

President confers SCOPE eminence to POWERGRID

PIONEER NEWS SERVICE ■ New Delhi

Power Grid Corporation of India Limited (POWERGRID), a Maharatna CPSE under Ministry of Power, Government of India, has been conferred with the SCOPE Eminence Award for Human Resource Management by President of India Droupadi Murmu on 29th August 2025 in a function held at Vigyan Bhawan, New Delhi. On this occasion, Pawanaj Choudhary, Union Minister of State for Finance and K Moses Chalai, Secretary, DPE, Ministry of Finance were present along with senior officials of CPUS, SCOPE and POWERGRID.

This recognition highlights POWERGRID's progressive HR practices that

Assam CM gives scooters to 9,704 cadres under Sakhi Express

PIONEER NEWS SERVICE ■ Dispur

In a move towards rural self-reliance and women's empowerment, Chief Minister Dr Himanta Biswa Sarma today presented scooters to 9,704 community cadres under the 'Sakhi Express' initiative at a function held at Veterinary College Field, Khanapara. He also launched the 'Livelihood Rural Express Scheme' to provide 51 commercial vehicles to Cluster Level Federations.

It may be noted that in the 2020-21 budget, State Government had announced Sakhi Express scheme to provide scooters to all Jeevika Sakhis. In 2022-23, the initiative was expanded to include all cadres namely Jeevika Sakhis, Pashu Sakhis, Bank Sakhis, CRP-Enterprise Promotion, Master Book Keeper, Internal Mentor, MSP Trainer, BDSF Trainer etc under Community Cadres. As against the distribution of 10,908 scooters to 'community cadres' in 2020-21 and 2021-22, 9706 community cadres have been given scooters in the year 2024-25 and 2025-26. Under the scheme, each cadre received a helmet along with ₹500 per month for purchasing fuel. On the other hand, the State Government is trying to involve the members of self-help groups in rural public transport services with the aim of providing them with employment opportunities and sustainable development.

Speaking on the occasion, Chief Minister Dr Sarma said that women play an important role in the development and progress of a state. Therefore, the present State Government has adopted several important schemes with utmost emphasis on women empowerment. Referring to Orunodoi, Nijut Moina, Mukhya Mantrir Mahila Udyamita Abhiyan,

reservation of seats for women in panchayats etc, Dr Sarma said that State Government is trying its level best for the empowerment of women at all levels of the state. He moreover said that as a result of various efforts of the State Government, a new generation of women has come forward today who have become role models in the society.

The Chief Minister also said that the efforts of the Jeevika Sakhis have brought about 40 lakh women to self-help groups and they are engaged in various productive activities. He said that about 3 lakh self-help groups in the state have received revolving funds worth ₹556 crore, more than 2 lakh self-help groups have received community investment funds worth ₹1,089 crore and about 750 lakh self-help groups have received bank loans worth ₹16,000 crore. Terming it a huge success, the Chief Minister said that 99 per cent women beneficiaries of SHGs have repaid their bank loan. He also said that 8.82 lakh women entrepreneurs have recently elevated themselves to the rank of 'Laksharthi Baidar', initiating transformation in the economic sector of the state.

The Chief Minister said that there are around 19,000 Jeevika Sakhis, Krishi Sakhis and other community cadres in the state. Of these, around five thousand Jeevika Sakhis failed to receive fund information in the economic sector of the state.

The Chief Minister said that their having three or more than three children. He moreover, said that since Jeevika Sakhis are the role model of the society, they need to set example in the society by keeping the number of their children to two.

The Chief Minister also urged upon the community cadres to pay attention to prevent the incidences of

child marriage. He, moreover said that those Jeevika Sakhis who are yet to receive the benefits of Orunodoi scheme for various reasons, will be brought into the ambit of Orunodoi and they will also be entitled to ₹250 LPG subsidy per month. Dr Sarma also urged all community

cadres who have received scooters under Assam State Rural Livelihood Mission to drive the vehicles wearing helmets. He said that the scooters that the Government has given to the community cadres will boost mobility, reduce travel costs and strengthen SHGs.

SBI, AFD sign 100 mn Euro line of credit to boost green financing in India

PRESS TRUST OF INDIA ■ New Delhi

The country's biggest lender State Bank of India (SBI) on Saturday said it has signed a Line of Credit agreement of EUR 100 million with Agence Française de Développement (AFD) at its GIFT City branch at Gandhinagar.

The funds mobilised through this partnership will be utilised in climate mitigation actions aimed at reducing greenhouse gas emissions to slow down global warming and climate adaptation measures designed to adjust structures, practices, and infrastructure to minimise the damage caused by current or anticipated impacts of climate change, SBI said in a statement.

By empowering these measures, this collaboration strives to further advance India's transition to a low-carbon economy while enhancing resilience to climate-related risks, it said.

Haryana Govt to amend road policy

PARVESH SHARMA ■ Gurugram

In a major relief for homebuyers struggling with access to sectoral roads, Haryana's Industries and Commerce Minister Rao Narbir Singh on Saturday announced that the state Government will soon amend its policy on 24 and 30-metre-wide roads to check irregularities by builders.

Chairing a meeting in Gurugram with officials of the Haryana Shahar Vikas Pradhikaran (HSVP), the Chief Town Planner (CTP) and the Gurugram Metropolitan Development Authority (GMDA), the minister said many developers mislead buyers during the pre-booking stage by showing

casing wide roads in their layout plans. However, these roads often lie on land not owned by the developer and are later blocked, leaving residents without proper access.

"These clauses not only obstruct movement but also affect key infrastructure of societies such as STP water, drainage connectivity and other critical services. The Government will not allow citizens to suffer due to such practices," Singh asserted.

The minister directed the Town and Country Planning Department not to issue Occupancy Certificates (OC) unless developers construct the 24 or 30-metre-wide roads promised in their project plans. "If such roads are not built, the OC must not be issued," he said.
