Subject: Recognition by India Book of Records for Development of India's Longest Weighbridge

Dear Sir/Madam,

We are pleased to inform that **Jyoti Weighing System Private Limited**, a wholly-owned subsidiary of **Balaji Phosphate Limited**, has successfully designed and manufactured a **35-meter-long Truck weighbridge (weighing scale)**, which is being exported internationally to Tanzania (Africa).

This 35-meter of 80,000 KGs weighbridge is the **longest ever made in India**, marking a significant milestone in the engineering and manufacturing capabilities of our subsidiary.

In recognition of this outstanding achievement, Jyoti Weighing System Private Limited has been **honored by the India Book of Records** for developing **India's largest weighbridge**.

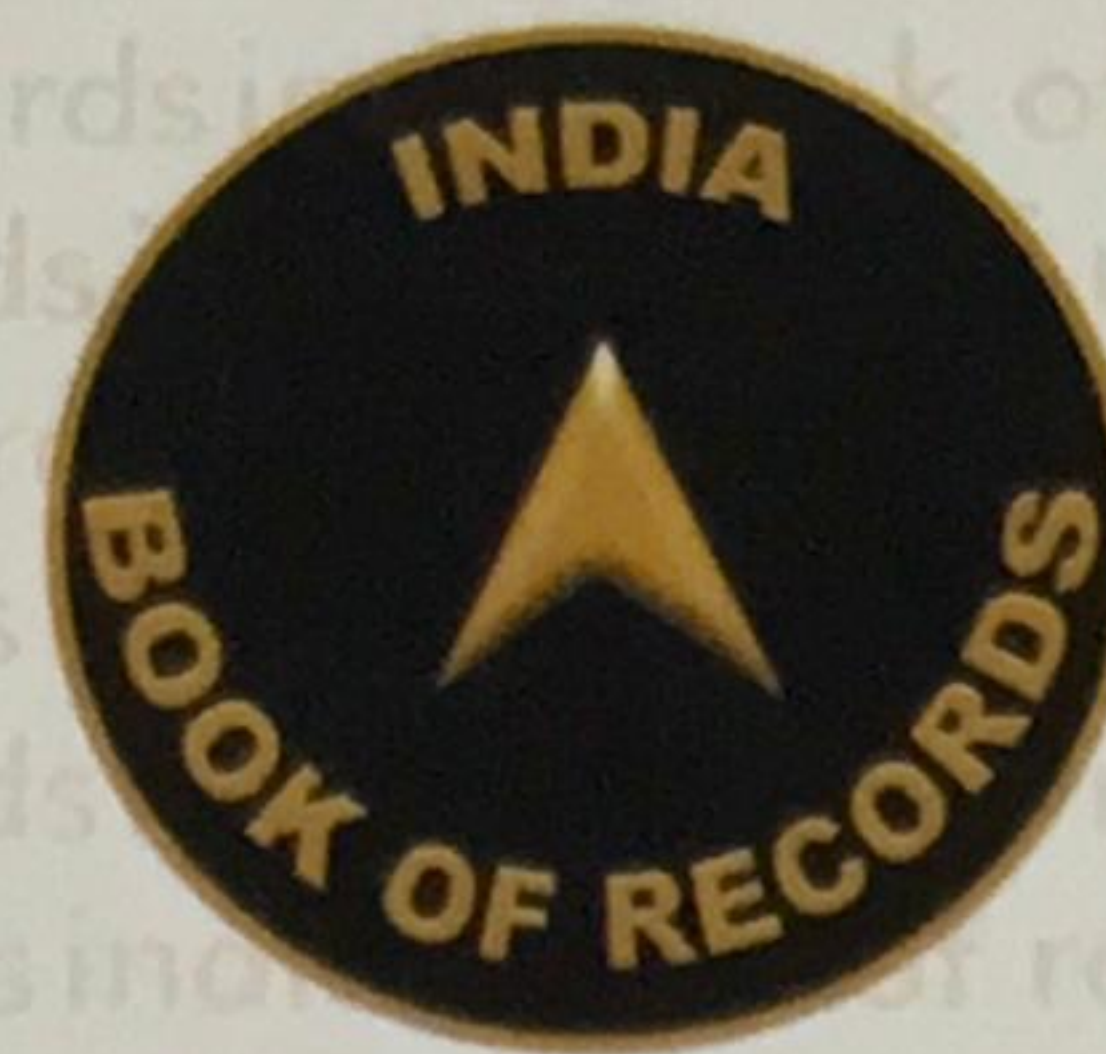

This achievement reinforces our commitment to innovation, excellence, and global competitiveness in our group companies.

We request you to take the above on record.

Thanking you,
Yours faithfully,

For Balaji Phosphate Limited

CERTIFICATE

LARGEST TRUCK WEIGHBRIDGE MANUFACTURED FOR COMMERCIAL TRUCKS

The record for manufacturing the largest truck weighbridge for commercial trucks is set by Jyoti Weighing Systems Pvt Ltd from Dewas, Madhya Pradesh. The Manufacturer company built the weighbridge in multiple segments and designed it to handle road-worthy vehicles with various capacities and sizes. This achievement highlights India's engineering excellence and strengthens the "Make in India" initiative. It aims to promote safer, more efficient freight movement while addressing road overloading and its related risks, as confirmed on August 6, 2025.
