Sub: Clarification on the News Item

Ref. Clarification on a news item appearing in the Financial Express titled “TRAI asks Bharti to report on segmented offers”.

Dear Sir / Madam,

The Company has received a letter from TRAI seeking the segmented offer details. The matter is sub-judice and is presently pending at TDSAT; the Company will submit its reply to TRAI as per the timelines.

The Company in the ordinary course deal with such notices from time to time. As a responsible corporate that follows the highest standards of corporate governance, we are fully conscious of our disclosure obligations and can assure you that we will always act in consonance with these obligations and more. We certainly do not wish that such notices received by the Company in normal course are pre-maturely reported by the Company – which could potentially affect market prices. As a responsible corporate, we respectfully submit such premature reporting can cause avoidable confusion in the market place and if required, we will make necessary disclosures at an appropriate time.

Kindly take the above on record.

Thanking you,

Yours faithfully,

For Bharti Airtel Limited
