Dear Sir/ Madam,

Sub: Outcome of the Board Meeting - Distillery Capacity addition

We wish to inform you that the Board of Directors of the Company at its meeting held today, i.e. 4th November, 2020, have approved the setting up of a new distillery unit, thereby increasing the Capacity of its distilleries by adding 320 KLPD. With the proposed addition, the total capacity will stand augmented to 840 KLPD.

The details which are required to be furnished in terms of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are enclosed herewith.

This is for your information and records please.

Thanking you,

Yours faithfully,

For Balrampur Chini Mills Limited

Manoj Agarwal

(Company Secretary & Compliance Officer)

Disclosure pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015		
a.	existing capacity	520 KLPD
b.	existing capacity utilization;	~97%
c.	proposed capacity addition	320 KLPD
d.	period within which the proposed capacity is to be added;	24 months from the date of in-principle approval from the concerned Ministry
e.	investment required	Rs. 320 Crores (Approx.)
f.	mode of financing	Rs. 220 Crs. From Banks - Project Loans
		Rs. 100 Crs. From internal sources
g.	rationale.	I. Enthused by the Hon'ble Prime Minister's program of achieving higher ethanol blending coupled with recently announced higher Ethanol prices, the Company has decided to set up its 5th distillery at its Maizapur Unit. II. To produce Ethanol directly from sugarcane syrup during the crushing season and from grains during off season. III. Accordingly it is proposed that the Maizapur Unit of the Company will not be producing any sugar on commencement of the above distillery.
