**Sub.: Intimation under Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirement) Regulation 2015,**

Dear Sir,

**Impact of enhanced us Govt. Tariff on company's Export:**

The Board discussed in detail regarding impact of U S Govt. enhanced tariff on company's Export. During discussion it has been explained by CEO and M D Shri Siddharth Gupta that the negotiation on enhanced tariffs by U S Government is going on with U S based Buyers, who have hold orders till any final decision on tariff matter at the end of both Governments. We hope this matter will be resolved with them shortly. But non order has been cancelled by them. Due to this during the quarter and half year ended on 30.09.2025 turnover and profit both decreased in the comparison of previous quarter and half year ended. We hope incoming period/at the end of year the turnover will be like last year or more than that. At present time company is taking orders on the basis of new rate to avoid any further confusion concerning with tariff matter.

Thanking you,

Yours faithfully,  
For **BANARAS BEADS LIMITED**
