NRF opens an office in Istanbul Turkey

NRF is a leading supplier of engine cooling and air conditioning parts for the automotive aftermarket. The total offer exists of more than 13,000 references, which is rapidly growing. Combined with an increasing sales volume, NRF needs to expand its warehouse capacity. After the opening of a new 12,700 m² in Valencia, Spain early last year and the opening of a brand-new 18,613 m² warehouse in Chitila, Romania this year, NRF has now opened an office and has established a legal entity in Istanbul, Turkey.

NRF opened an office and established a legal entity in Istanbul Turkey, called NRF TURKEY OTOMOTİV TİCARET ANONİM ŞİRKETİ . The opening of the office and of the legal entity reflects the company's goal to meet growing customer demand in Turkey. By having a strong local presence, it ensures that the company can adapt easily to future growth expectations. NRF already has a strong client base in Turkey. With the opening of the office, it can better serve its current and future clients.
