About Us

Banka Biolo Limited (BBL) is a social impact organization that strives to improve lives by bringing innovation in the water, sanitation and hygiene (WaSH) facilities, through research, design, partnerships, and education.

Our unique selling points include innovative bio-digester technologies, comprehensive operations and maintenance (O&M) services for Indian Railways, and the "footloo," a foot-operated, low-water flush system. We provide economical and durable packaged sewage treatment plants and Geobag-based Faecal Sludge and Septage Management (FSTPs) systems. Additionally, we offer Compostica, a bio-based, fully compostable biopolymer.

We are committed to social impact, addressing socio-economic inequalities, and enhancing the quality of life for marginalized communities. Through various projects and initiatives, we empower individuals, promote inclusivity, and improve community well-being.

Banka Biolo business' majorly focuses on

1. **Banka** Railways
2. **Banka** WaSH
3. **Banka Green**

Name: **Banka Biolo Limited**

Established : 2012-13

Headquarters: Hyderabad, India
