Dear Sir/Madam,

Subject: Clarification on Price Movement

With reference to your email dated April 9, 2026, seeking clarification on the recent movement in the price of the Company's securities, we would like to state that the Company is in compliance with Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further confirm that there is no information or announcement, including any impending announcement, which, in our opinion, may have a bearing on the price or volume behavior of the Company's securities that has not already been disclosed to the Stock Exchanges.

The recent movement in price and volume may be attributed to market perceptions, industry-related developments, or prevailing capital market conditions, which are beyond the control of the Company's management. At present, there is no additional information to share with shareholders other than what is already available in the public domain, including the Company's financial results and disclosures.

Additionally, with respect to the recent geopolitical developments, we would like to clarify that all our restaurants, both in India and overseas, continue to operate normally.

This is for your information and record.

Thanking you.

Yours faithfully,
For United Foodbrands Limited
