ABOUT OUR COMPANY

Barflex Polyfilms Limited has established itself as a prominent player in the flexible packaging and polyfilm manufacturing industry since its incorporation in 2005. The products manufactured and supplied by us are primarily utilized as packaging for the finished products manufactured in the FMCG, processed foods, adhesives, engineering, pharmaceutical industry, cosmetics, construction and others. Our customers are mainly manufacturers functioning in the aforementioned industries. Our major customers are in the food, beverage and household industry for manufacturing inter alia dairy products; namkeens; frozen snacks and essential products such as tea, spices, rice etc. In the cosmetics industry, our major customers are manufacturers of hair and skin care products. The flexible packaging products manufactured by us in roll form, pouch form and co-extruded films are used by our customers for packaging their final products.

We are engaged in manufacturing flexible packaging material which is multi-functional and caters to the packaging requirements of various industries. Our business model enables us to provide end to end capabilities from developing and devising the appropriate packaging material, designing the package based on the nature of the product subject to predefined requirement of our customers and lastly manufacturing the final finished packaging material, thereby catering to all packaging related needs of our customers. Since, we cater to manufacturers of various industries such as FMCG, processed foods, adhesives, engineering, pharmaceutical industry, cosmetics, construction and others, we need to continuously design and develop packaging material which is suitable for the products of each industry and is compliant with the regulatory requirements of domestic and international authorities. Furthermore, we intend to expand our customer base and product portfolio by catering to diverse industries domestically and internationally. In order to continuously improve our existing product portfolio and develop innovative and diverse applications in various industries, our team would have to innovate and design resilient packaging material suitable for the robust packaging requirements of these industries

A message from our MD

Dear Shareholders,

It is with great pride that I, present to you the Annual Report for the financial year 2024–25. This year has been a transformative one for Barflex Polyfilms Limited—driven by innovation, operational agility, and a clear vision for sustainable growth.

Our commitment to delivering high-quality, flexible packaging solutions continue to position us as a trusted partner across industries such as FMCG, pharmaceuticals, and consumer goods. With ongoing investments in multilayer film technologies and a strong R&D foundation, we've remained responsive to evolving market needs and regulatory expectations.

The momentum from our NSE EMERGE listing has enabled us to scale operations and expand our national footprint. Our integrated business model—offering end-to-end packaging solutions—helps us serve clients more efficiently while upholding product excellence.

We are also advancing our sustainability agenda by optimizing raw material use, reducing waste, and exploring eco-friendly alternatives that align with global and domestic standards.

None of this would be possible without the dedication of our people and the trust of our stakeholders. I extend sincere appreciation to our employees, customers, investors, and partners for their continued support.

As we step into the next financial year, we remain committed to innovating further, growing responsibly, and delivering long-term value. The journey ahead is full of promise—and we're ready to lead it with purpose.

Warm regards,

Sd/-

The Company made an Initial Public Offering (IPO) during the year ended 31st March 2025. This resulted in both a dilution of promoter shareholding and a reduction in the number of shares held by the promoters. The reduction in the number of shares held by promoters is due to part-sale of shares in the IPO offer for sale (OFS) component, in addition to the issuance of new shares.

- The promoters' combined shareholding decreased from 2,26,96,995 shares (100%) as on 31st March 2024 to 1,65,14,336 shares (66.73%) as on 31st March 2025.
- The decrease was due to the part-sale of shares under the Offer for Sale (OFS) and issue of fresh shares under IPO, resulting in both a reduction in the number of shares held and dilution of percentage holding.

I, Niraj Kumar Goel, Proprietor of GNK & Associates, Company Secretaries have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by “Barflex Polyfilms Limited (CIN: U25209DL2005PLC132346) (hereinafter called “the Company”). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

Based on my verification of the “Barflex Polyfilms Limited” books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents, and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025, complied with the statutory provisions listed hereunder and also has proper Board processes and compliance mechanism in place to the extent and in the manner subject to the reporting made hereinafter:

I have examined the books, papers, minute’s books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- I. the Companies Act, 2013 (as amended) (‘the Act’) and the rules made there under;
- II. Secretarial Standard-1 and Secretarial Standard-2 issued by the Institute of Company Secretaries of India;
- III. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under;

IV. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;

V. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

VI. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (as amended);
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (as amended);
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (as amended);
- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; - (Not applicable to the Company during the audit period).
- e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; - (Not applicable to the Company during the audit period).
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; - (Not applicable to the Company during the audit period)
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; - (Not applicable to the Company during the audit period).
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015;
- j) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by "The Institute of Company Secretaries of India".
- ii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

I further report that, having regards to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test check basis, the Company has complied with the provisions of Labor Laws, Environmental Laws and other related Industry specific laws to the extent applicable to the Company.

During the audit period the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. During the period under review, following joined in composition of Board of Directors:-

1. Mr. Anil Kumar Gupta – as CFO
2. Mr. Aditya Rungta – as Independent Director
3. Mr. Anil Kumar Mittal – as Independent Director
4. Mrs. Simran Sabharwal – as Independent Director
5. Mr. Krishan Mohan Pandey- as Whole Time Director (change in designation)

Adequate notice has been given to all Directors to schedule the Board Meetings/Committee Meetings during the financial year under review, agenda and detailed notes on agenda were sent generally at least seven days in advance to all the Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. On inspection of the minutes as captured and recorded it was ascertained that all the decisions of the Board and Committees' Meetings were unanimous and there were no dissenting views.

I further report that, based on the review of the compliance reports and the certificates of the Company Executive and taken on record by the Board of Directors of the Company, in my opinion there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. The Company is generally regular in filing of e-forms with the Registrar of Companies within the time prescribed under the Act.

I further report that during the audit period, there were no specific events or actions having a major bearing on the Company's affairs in pursuance of the above-referred laws, rules, regulations, guidelines, and standards.

I further have to state that:

- 1) Maintenance of secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
- 2) I have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the Secretarial records. The verification was done on test check basis to ensure that correct facts are reflected in Secretarial records. I believe that the process and practices, we followed provide a reasonable basis of my opinion.

- 3) I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 4) Where-ever required, I have obtained the Management representation about the Compliance of laws, rules and regulations and happening of events etc.
- 5) The Compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedure on test check basis.
- 6) The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF BARFLEX POLYFILMS LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of BARFLEX POLYFILMS LIMITED (FORMERLY KNOWN AS BARFLEX POLYFILMS PRIVATE LIMITED) ("the Company"), which comprise the balance sheet as at March 31, 2025, the statement of profit and loss, and statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the statement of profit and loss, the statement of changes in equity, and the statement of cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we will not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we will read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting

principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained

up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account

d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

g. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion, the managerial remuneration for the period ended March 31, 2025 has been paid by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF BARFLEX POLYFILMS LIMITED
(Referred to in Paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date)

In terms of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act"), we report as under:

(i) Property, Plant and Equipment and Intangible Assets

(a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(a)(B) According to the information and explanations given to us and based on our examination of the records of the Company, the Company does not hold any intangible assets. Consequently, clause (i)(a)(B) of the Order is not applicable to the Company.

(b) The Company has a phased program for physical verification of Property, Plant and Equipment, and certain items were verified by the management during the period. No material discrepancies were noticed on such verification.

(c) The Company does own immovable properties which are held in the name of company.

(d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year. Consequently, clause (i)(d) of the Order is not applicable to the Company.

(e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Consequently, clause (i)(e) of the Order is not applicable to the Company.

(ii) Inventory and Working Capital

(a) The inventories have been physically verified by the management at reasonable intervals. In our opinion, the coverage and procedure of such verification is appropriate. No material discrepancies (10% or more in the aggregate for each class of inventory) were noticed on such verification.

(b) The Company has not been sanctioned working capital limits in excess of five crore rupees from banks or financial institutions based on security of current assets. Consequently, clause (ii)(b) of the Order is not applicable to the Company.

(iii) Investments, Loans or Advances by Company

The Company has not granted any loans, secured or unsecured, to companies, firms, LLPs, or other parties covered in the register maintained under Section 189 of the Act. Consequently, clause (iii) of the Order is not applicable to the Company.

(iv) Compliance with Sections 185 and 186 of the Act

The Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees, and securities, as applicable.

(v) Deposits

The Company has not accepted any deposits or amounts deemed to be deposits during the year. Consequently, clause (v) of the Order is not applicable to the Company.

(vi) Maintenance of Cost Records

As informed to us, the Central Government has prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013 in respect of certain products of the company. We have been informed that

the company has maintained the cost records as prescribed and has appointed a cost auditor for the financial year. The cost audit report is under preparation and is yet to be submitted. **(vii) Statutory Dues**

(a) The Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-tax, Sales-tax, Service Tax, Custom Duty, Excise Duty, Value Added Tax, GST, and other material statutory dues with the appropriate authorities.

(b) There are no undisputed statutory dues outstanding as on March 31, 2025 for more than six months from the date they became payable.

(c) There are no statutory dues which have not been deposited as on March 31, 2025 on account of any dispute.

(viii) Unrecorded Income

There were no transactions not recorded in the books of account that have been surrendered or disclosed as income during the year in tax assessments under the Income-tax Act, 1961.

(ix) Loans or Other Borrowings

(a) The Company has not defaulted in the repayment of loans or borrowings to financial institutions or banks.

(b) The Company has not been declared a willful defaulter by any bank or financial institution or other lender.

(c) The Company has not applied for the term loans.

(d) The Company has not utilized short-term funds for long-term purposes. Consequently, clause (ix)(d) of the Order is not applicable.

(e) According to the information and explanations given to us and based on our audit procedures, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary during the year.

(f) The Company has not raised loans on the pledge of securities held in subsidiaries, joint ventures or associate companies. Consequently, clause (ix)(f) is not applicable.

(x) Funds Raised and Utilization

The company has raised funds amounting to ₹1,231.20 lakhs through an SME Initial Public Offering (IPO) during the year. As confirmed by the management and verified from the records, the funds have been utilized for the purposes stated in the offer document. The detailed disclosure regarding utilization of IPO proceeds is provided in Notes to the financial statements. No material deviations were noted in the application of funds.

(xi) Fraud Reporting

(a) No material fraud by the Company or on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 with the Central Government.

(c) No whistle-blower complaints were received during the year. Consequently, clause (xi)(c) is not applicable.

(xii) Nidhi Company

The Company is not a Nidhi Company. Consequently, clause (xii) is not applicable.

(xiii) Related Party Transactions

All transactions with related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the details have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) Private Placement/Preferential Allotment

During the year, the company has made a private placement of equity shares amounting to ₹10 crore by issuing 16,66,660 numbers of equity shares at a price of ₹60 per share. Based on our examination of relevant records and information provided by the management, the company has complied with the provisions of Section 42 and Section 62 of the Companies Act, 2013, to the extent applicable. The funds raised have been used for the purposes stated in the offer documents, and no material non-compliance has been observed.

(xv) Non-cash Transactions

The Company has not entered into any non-cash transactions with directors or persons connected with them. Consequently, clause (xv) is not applicable.

(xvi) Registration under RBI Act

The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Consequently, clause (xvi) is not applicable.

(xvii) Cash Losses

The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

(xviii) Auditor Resignation

There has been no resignation of the statutory auditors during the year. Consequently, clause (xviii) is not applicable.

(xix) Material Uncertainty

According to the information and explanations given to us and based on financial ratios, ageing of financial assets and liabilities, and other information accompanying the financial statements, we are of the opinion that no material uncertainty exists as on the date of the audit report that the Company is capable of meeting its liabilities existing as on the balance sheet date as and when they fall due within a period of one year. However, this is not an assurance on future viability of the Company.

(xx) CSR Compliance

According to the information and explanations given to us, the company has spent the required amount on Corporate Social Responsibility activities as per Section 135 of the Companies Act, 2013. The details of the CSR spending are disclosed in the notes to the financial statements.

**ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE
STANDALONE FINANCIAL STATEMENTS OF BARFLEX POLYFILMS LIMITED**

(Referred to in Paragraph 2 point (f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date)

**Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **BARFLEX POLYFILMS LIMITED** ("the Company") as at March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.02 Significant accounting policies

a) Basis of preparation

These financial statements have been prepared under the historical cost convention, on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles (GAAP) in India. Indian GAAP includes mandatory accounting standards as specified under the Companies (Accounting Standards) Rules, 2006 and presentational requirements of the Companies Act, 2013 and other accounting pronouncements of The Institute of Chartered Accountants of India.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the year. Differences between actual results and estimates are recognised in the year in which the results are known or materialised. Examples of such estimates are estimated useful life of assets, provision for doubtful debts and retirement benefits, etc. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Revenue Recognition

Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the customer, which generally coincides with dispatch against orders from customers in accordance with the contract terms.

Sales are stated inclusive of excise duty and net of rebates, trade discounts, sales tax and sales returns.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

d) Current and non-current classification

All assets and liabilities are classified into current and non-current

Assets

An asset is classified as current when it satisfies any of the following criteria:-

- a. It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- b. It is held for the purpose of being traded.
- c. It is expected to be realized within 12 months after the reporting period.
- d. It is cash or cash equivalents unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:-

- a. It is expected to be settled in the company's normal operating cycle.
- b. It is held primarily for the purpose of being traded.
- c. It is due to be settled within 12 months from the reporting period
- d. The company does not have an unconditional right to defer settlement of liability at least 12 months after the reporting date. Terms of the liability that could at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

e) Fixed assets and depreciation

Fixed assets are stated at cost of acquisition less accumulated depreciation and / or less accumulated impairment loss, if any. Cost of acquisition is inclusive of freight, duties, levies and all other incidental expenditure attributable to bring the assets to its working conditions for their intended use. Depreciation is provided on straight line method at the rates which management believes is representative of useful lives of the assets prescribed under Schedule II of the Companies Act, 2013, except for cylinders which are depreciated over a period of 1 year. Assets costing up to Rs.5,000 are fully depreciated in the year of acquisition.

Leasehold improvements are amortised over the period of lease, or the useful lives of assets as prescribed in Schedule II to the Companies Act, 2013, whichever is shorter.

Leasehold land is amortised on a straight line basis over the period of lease.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal.

Losses arising from retirement or gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

f) Inventories

Inventories which comprise raw materials, work-in-progress and finished goods are carried at the lower of cost and net realisable value.

Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

In determining the cost, FIFO method is used. In the case of manufactured inventories and work in progress, fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products. Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

The comparison of cost and net realisable value is made on an item-by-item basis.

g) Foreign currency transactions

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the respective transactions. Monetary foreign currency assets and liabilities remaining unsettled at the balance sheet date are translated at the rates of exchange prevailing on that date. Gains / losses arising on account of realization / settlement of foreign exchange transactions and on translation of foreign currency assets and liabilities are recognised in the Statement of Profit and Loss.

The Company enters into forward exchange contracts to hedge certain foreign currency denominated assets and liabilities. In respect of forward contracts, which are covered under Accounting Standard (AS) 11, 'Effect of Changes in Foreign Exchange Rates', the difference between spot rate and forward rate on the date the forward exchange contract is entered into, is amortised over the tenure of the contract. The foreign currency receivable or payable arising under the forward contract is revalued using the closing rate, and any resultant gain or loss is taken to the Statement of Profit and Loss. In respect of forward contracts to hedge its foreign currency risk exposures relating to highly probable transactions, at the balance sheet date, such forward contracts are mark to market, keeping in view the principle of prudence as enunciated by Accounting Standard 1 "Disclosure of Accounting Policies". A provision (with a corresponding debit to the Statement of profit and loss) is recognised for the overall loss on the portfolio of open forward contracts; however, if there is an overall profit, it is ignored.

h) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post employment benefit

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plan

The Company's gratuity benefit scheme is the defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation under plan is performed annually by a qualified actuary using the projected unit credit method.

The Company recognises all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss. All expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of Profit and Loss. When the benefits of a plan are improved, the portion of the increased benefit related to past service by employees is recognised in Statement of Profit and Loss on a straight-line basis over the average period until the benefits become vested. The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

i) Taxation

Income-tax expense comprises current tax (i.e. the amount of tax for the year determined in accordance with the Income-tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between the accounting income and taxable income for the year). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted as of the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty of realization. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Deferred tax assets or liabilities arising due to timing differences, originating during the tax holiday period and reversing after the tax holiday period are recognised in the period in which the timing difference originates.

Minimum Alternative Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

j) Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease charges are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term, considering the renewal terms, if appropriate.

k) Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets to the extent that they relate to the period till such assets are ready to be put to use. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Statement of Profit and Loss.

l) Earnings per share

The Company reports basic and diluted earnings / (loss) per equity share in accordance with Accounting Standard 20, Earnings per Share. The basic and dilutive earnings / (loss) per share is computed by dividing the net profit / (loss) attributable to equity shareholders for the period / year by the weighted average number of equities shares outstanding during the period / year. Dilutive earnings per share is computed and disclosed after adjusting the effects of all dilutive potential equity shares, if any, except when the results will be anti-dilutive.

m) Impairment of assets

The carrying amounts of assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not ready for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognised in Statement of Profit and Loss whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is recorded only to the extent that the carrying amount of the assets does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognised.

n) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation. A contingent liability is recognised where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company does not recognise assets which are of contingent nature until there is virtual certainty of the realisation of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise the asset and related income are recognised in the financial statements of the year in which the change occurs.

1.03 Contingent liabilities and commitments

(to the extent not provided for)

Contingent liabilities and commitments:

(i) The Company had availed custom duty exemptions under the Export Promotion Capital Goods (EPCG) Scheme of the Government of India on import of capital equipment for use in its manufacturing activities. The export obligation relating to the old EPCG licenses has been fully discharged, and there is no pending export commitment as at 31st March 2025 (Previous Year: NIL). Further, the Company has obtained a new EPCG license in March 2025. The export obligations arising from the new license will be discharged over the prescribed period as per the terms of the Scheme.

(ii) Estimated amount of contracts remaining to be executed on capital account (net of advances) – ₹NIL (Previous Year: ₹NIL).

1.04 The Previous Year figures have been regrouped/rearranged wherever necessary to make them comparable.

The Company made an Initial Public Offering (IPO) during the year ended 31st March 2025. This resulted in both a dilution of promoter shareholding and a reduction in the number of shares held by the promoters. The reduction in the number of shares held by promoters is due to part-sale of shares in the IPO offer for sale (OFS) component, in addition to the issuance of new shares.				
•The promoters' combined shareholding decreased from 2,26,96,995 shares (100%) as on 31st March 2024 to 1,65,14,336 shares (66.73%) as on 31st March 2025.				
•The decrease was due to the part-sale of shares under the Offer for Sale (OFS) and issue of fresh shares under IPO, resulting in both a reduction in the number of shares held and dilution of percentage holding.

58 Segment Reporting

Segments have been identified in accordance with Accounting Standard 17 - "Segment Reporting", considering the nature of the Company's products and services, the associated risks and returns, the organizational structure, and the internal financial reporting systems.

The Company is primarily engaged in the manufacture and sale of flexible packaging materials, which is considered as its sole business segment. Based on the assessment made by the management and as reviewed by the Board of Directors, the Company operates in a single business and geographical segment, and accordingly, there are no separate reportable segments under AS 17.

Further, revenue from export operations constitutes less than 10% of the total revenue during the year. Hence, no separate geographical segment disclosure is required under the applicable accounting standards.

59 Contingent Liabilities and Commitments

(i) The Company had availed custom duty exemptions under the Export Promotion Capital Goods (EPCG) Scheme of the Government of India on import of capital equipment for use in its manufacturing activities. The export obligation relating to the old EPCG licenses has been fully discharged, and there is no pending export commitment as at 31st March 2025 (Previous Year: NIL).

Further, the Company has obtained a new EPCG license in March 2025. The export obligations arising from the new license will be discharged over the prescribed period as per the terms of the Scheme.

61 Disclosure on significant ratios

Particulars	As at March 2025	As at 31st March 2024	Variance %	Reason for Variance
Current Ratio	14.75	9.28	59.03%	The Company's current ratio has improved from 9.27 as at March 31, 2024 to 14.91 as at March 31, 2025, reflecting a stronger short-term liquidity position. This change is mainly on account of a significant increase in short-term investments during the year, along with a reduction in current liabilities—particularly trade payables. The overall improvement indicates better cash flow management and a comfortable position to meet the Company's short-term obligations.
Debt-Equity Ratio,	0.001	0.002	-45.71%	The Company's debt-equity ratio has further improved to 0.001 as at March 31, 2025 from 0.002 in the previous year, reflecting a decline of approximately 46%. This variance is primarily due to an increase in shareholders' equity during the year, supported by strong retained earnings and reduced reliance on borrowings. The ratio continues to indicate a virtually debt-free capital structure and a robust financial position.
Debt Service Coverage Ratio	116.10	92.83	25.06%	-
Return on Equity Ratio	0.20	0.31	-35.83%	This reduction is primarily on account of a substantial increase in the average shareholders' equity during the year, arising from retained earnings and fresh equity infusion, while the profit after tax has marginally declined. Despite the lower ROE, the Company continues to deliver healthy returns on shareholders' funds.
Inventory turnover ratio	9.44	11.93	-20.91%	-
Trade Receivables turnover ratio	6.12	7.71	-20.65%	-
Trade payables turnover ratio	16.76	18.20	-7.93%	-
Net capital turnover ratio	1.39	2.21	-36.90%	The reduction is primarily attributable to a significant increase in the Company's average working capital during the year, driven by higher short-term investments and receivables, while revenue from operations has declined moderately. This indicates that more capital is being tied up in the working capital cycle relative to revenue generation.

Net profit ratio	0.16	0.16	1.11%	-
Return on Investment	0.26	0.28	-7.84%	-
Return on Capital employed	0.17	0.27	-36.65%	This decline is primarily attributable to a significant increase in total equity during the year, which has led to a higher capital employed base. Additionally, there has been a marginal reduction in profit after tax compared to the previous year. The combination of these factors has resulted in a lower return ratio.
Particulars	As at March 2024	As at 31st March 2023	Variance %	Reason for Variance
Current Ratio	9.28	6.15	50.79%	This is primarily due to an increase in short-term investments and short-term loans and advances.
Debt-Equity Ratio,	0.00	0.00	-26.69%	The drop in the Debt-Equity Ratio is primarily due to a substantial increase in equity, indicating a stronger capital base. This could be due to retained earnings.
Debt Service Coverage Ratio	92.83	93.73	-0.96%	-
Return on Equity Ratio	0.31	0.24	29.50%	Increase is primarily due to a significant increase in profit after tax (PAT) during the year. The higher profitability, coupled with efficient capital utilization, led to improved returns for equity shareholders.
Inventory turnover ratio	11.93	10.08	18.38%	-
Trade Receivables turnover ratio	7.71	8.33	-7.43%	-
Trade payables turnover ratio	18.20	17.11	6.40%	-
Net capital turnover ratio	2.21	5.30	-58.32%	The company reduced its working capital requirement through efficient inventory control and improved receivables recovery, while maintaining stable revenue levels. This resulted in enhanced utilization of current assets to support operational activity.
Net profit ratio	0.16	0.09	69.69%	The improvement in the ratio is primarily attributable to enhanced cost efficiencies and better operational control. Additionally, the previous year (FY 2022-23) had lower other income, which contributed to a comparatively lower profit after tax. The relatively stable revenue in both years further highlights that the improvement in profitability was driven by factors beyond revenue growth, reflecting a more efficient and profitable business structure in FY 2023-24.
Return on Investment	0.28	0.04	606.93%	The sharp increase in ROI during FY 2023-24 is primarily due to a significantly higher profit on sale of investments, indicating either favorable market conditions, strategic timing of divestments, or reallocation of portfolio to yield higher returns. The base average investment also increased, but the return outpaced it, reflecting effective investment management during the year.

Return on Capital employed	0.27	0.21	25.37%	This significant improvement was primarily driven by a substantial increase in profit after tax during the year, while the capital employed saw proportionally lower growth. The increase reflects more efficient utilization of capital and improved overall profitability.
----------------------------	------	------	--------	--

Methodology:

1. Current Ratio = Current Asset / Current Liability
2. Debt-Equity Ratio = Total Debt / Shareholder fund
3. Debt Service Coverage Ratio = EBITDA / Finance Cost
4. Return on Equity Ratio = (Profit After Tax-Prefrence dividend) / Average Equity
5. Inventory Turnover Ratio = COGS/sales/Average Inventory
6. Trade Receivable Turnover Ratio = Revenue from Operations / Average Trade Receivable
7. Trade Payable Turnover Ratio = Net Credit Purchase / Average Trade Payable
8. Net Capital Turnover Ratio = Revenue from Operations / Average working capital
9. Net Profit Ratio = Profit After Tax / Revenue from Operations
10. Return on Investment = Net income on investment / Average of Investment
11. Return on Capital Employed = EBIT/ (Total Equity + Total Debt)

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF BARFLEX POLYFILMS LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of BARFLEX POLYFILMS LIMITED (FORMERLY KNOWN AS BARFLEX POLYFILMS PRIVATE LIMITED) ("the Company") and its subsidiary BARFLEX FLEXIBLES PRIVATE LIMITED ("the Company"), which comprise the consolidated balance sheet as at March 31, 2025, the consolidated statement of profit and loss, and consolidated statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the statement of profit and loss, the statement of changes in equity, and the statement of cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter:

The consolidated financial statements for the year ended March 31, 2025 include the results of the subsidiary BARFLEX FLEXIBLES PRIVATE LIMITED, which was incorporated on February 10, 2025. Accordingly, no comparative consolidated financial information for the previous year has been presented.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we will not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we will read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors are also responsible for overseeing the Company's financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c. The consolidated Balance Sheet, the consolidated Statement of consolidated Profit and Loss and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f. Reporting on the adequacy and operating effectiveness of internal financial controls over financial reporting is not applicable to the consolidated financial statements, and accordingly, no report in this regard is included.
- g. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion, the managerial remuneration for the period ended March 31, 2025 has been paid by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

h. The Companies (Auditor's Report) Order, 2020 ('CARO 2020') is not applicable to the audit of consolidated financial statements as per Clause 2(2) of the said Order.

i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Group does not have any pending litigations which would impact its financial position.

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.

iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures performed that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made under sub-clauses (a) and (b) contain any material misstatement.

1.01 Company overview

Our Company was originally incorporated on January 24, 2005 as a Private Limited Company as "Hitkari Polyfilms Private Limited" under the provisions of the Companies Act, 1956 with the Registrar of Companies, N.C.T. of Delhi and Haryana. Subsequently, the name of our Company changed from 'Hitkari Polyfilms Private Limited' to 'Barflex Polyfilms Private Limited' and a fresh Certificate of Incorporation consequent upon change in name dated June 30, 2005, issued by the Registrar of Companies, N.C.T. of Delhi and Haryana. Pursuant to a special resolution of our Shareholders passed in the extra ordinary meeting held on December 26, 2023 our Company was converted from a private limited company to a public limited company and consequently the name of our Company was changed to 'Barflex Polyfilms Limited', and a fresh certificate of incorporation dated February 22, 2024 was issued to our Company by the Registrar of Companies, N.C.T. of Delhi and Haryana. The corporate identification number of our Company is U25209DL2005PLC132346. However, the Corporate Identification Number (CIN) appearing on official records and filings has not yet been updated to reflect the change in the company's listed status. The Company is actively in the process of obtaining a revised CIN from the Registrar of Companies (RoC) in accordance with applicable regulatory requirements for listed entities. The update is expected to be completed in due course.

The Company manufactures flexible packaging material for a variety of industries including dairy, edible oil, beverages, processed foods, paints & adhesives, chemicals, cereals, snack foods etc. The Company is headquartered in Delhi NCR and has a manufacturing unit based in Himachal Pradesh with in-house designing, manufacturing, and assembly to finishing and packaging

1.02 Significant accounting policies

a) Basis of preparation

These financial statements have been prepared under the historical cost convention, on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles (GAAP) in India. Indian GAAP includes mandatory accounting standards as specified under the Companies (Accounting Standards) Rules, 2006 and presentational requirements of the Companies Act, 2013 and other accounting pronouncements of The Institute of Chartered Accountants of India.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the year. Differences between actual results and estimates are recognised in the year in which the results are known or materialised. Examples of such estimates are estimated useful life of assets, provision for doubtful debts and retirement benefits, etc. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Revenue Recognition

Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the customer, which generally coincides with dispatch against orders from customers in accordance with the contract terms.

Sales are stated inclusive of excise duty and net of rebates, trade discounts, sales tax and sales returns.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

d) Current and non-current classification

All assets and liabilities are classified into current and non-current

Assets

An asset is classified as current when it satisfies any of the following criteria:-

- a. It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- b. It is held for the purpose of being traded.
- c. It is expected to be realized within 12 months after the reporting period.
- d. It is cash or cash equivalents unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:-

- a. It is expected to be settled in the company's normal operating cycle.
- b. It is held primarily for the purpose of being traded.
- c. It is due to be settled within 12 months from the reporting period
- d. The company does not have an unconditional right to defer settlement of liability at least 12 months after the reporting date. Terms of the liability that could at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

e) Fixed assets and depreciation

Fixed assets are stated at cost of acquisition less accumulated depreciation and / or less accumulated impairment loss, if any. Cost of acquisition is inclusive of freight, duties, levies and all other incidental expenditure attributable to bring the assets to its working conditions for their intended use.

Depreciation is provided on straight line method at the rates which management believes is representative of useful lives of the assets prescribed under Schedule II of the Companies Act, 2013, except for cylinders which are depreciated over a period of 1 year. Assets costing up to Rs.5,000 are fully depreciated in the year of acquisition.

Leasehold improvements are amortised over the period of lease, or the useful lives of assets as prescribed in Schedule II to the Companies Act, 2013, whichever is shorter.

Leasehold land is amortised on a straight line basis over the period of lease.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal.

Losses arising from retirement or gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

f) Inventories

Inventories which comprise raw materials, work-in-progress and finished goods are carried at the lower of cost and net realisable value.

Cost of inventories comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

In determining the cost, FIFO method is used. In the case of manufactured inventories and work in progress, fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products. Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

The comparison of cost and net realisable value is made on an item-by-item basis.

g) Foreign currency transactions

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the respective transactions. Monetary foreign currency assets and liabilities remaining unsettled at the balance sheet date are translated at the rates of exchange prevailing on that date. Gains / losses arising on account of realization / settlement of foreign exchange transactions and on translation of foreign currency assets and liabilities are recognised in the Statement of Profit and Loss.

The Company enters into forward exchange contracts to hedge certain foreign currency denominated assets and liabilities. In respect of forward contracts, which are covered under Accounting Standard (AS) 11, 'Effect of Changes in Foreign Exchange Rates', the difference between spot rate and forward rate on the date the forward exchange contract is entered into, is amortised over the tenure of the contract. The foreign currency receivable or payable arising under the forward contract is revalued using the closing rate, and any resultant gain or loss is taken to the Statement of Profit and Loss. In respect of forward contracts to hedge its foreign currency risk exposures relating to highly probable transactions, at the balance sheet date, such forward contracts are mark to market, keeping in view the principle of prudence as enunciated by Accounting Standard 1 "Disclosure of Accounting Policies". A provision (with a corresponding debit to the Statement of profit and loss) is recognised for the overall loss on the portfolio of open forward contracts; however, if there is an overall profit, it is ignored.

h) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post employment benefit

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plan

The Company's gratuity benefit scheme is the defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation under plan is performed annually by a qualified actuary using the projected unit credit method.

The Company recognises all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss. All expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of Profit and Loss. When the benefits of a plan are improved, the portion of the increased benefit related to past service by employees is recognised in Statement of Profit and Loss on a straight-line basis over the average period until the benefits become vested. The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

i) Taxation

Income-tax expense comprises current tax (i.e. the amount of tax for the year determined in accordance with the Income-tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between the accounting income and taxable income for the year). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted as of the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty of realization. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Deferred tax assets or liabilities arising due to timing differences, originating during the tax holiday period and reversing after the tax holiday period are recognised in the period in which the timing difference originates.

Minimum Alternative Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

j) Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease charges are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term, considering the renewal terms, if appropriate.

k) Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets to the extent that they relate to the period till such assets are ready to be put to use. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Statement of profit and loss.

l) Earnings per share

The Company reports basic and diluted earnings / (loss) per equity share in accordance with Accounting Standard 20, Earnings per Share. The basic and dilutive earnings / (loss) per share is computed by dividing the net profit / (loss) attributable to equity shareholders for the period / year by the weighted average number of equity shares outstanding during the period / year. Dilutive earnings per share is computed and disclosed after adjusting the effects of all dilutive potential equity shares, if any, except when the results will be anti-dilutive.

m) Impairment of assets

The carrying amounts of assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not ready for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognised in Statement of Profit and Loss whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is recorded only to the extent that the carrying amount of the assets does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognised.

n) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation. A contingent liability is recognised where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company does not recognise assets which are of contingent nature until there is virtual certainty of the realisation of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise the asset and related income are recognised in the financial statements of the year in which the change occurs.

1.03 Contingent liabilities and commitments

(to the extent not provided for)

Contingent liabilities and commitments:

(i) The Company has availed custom duty exemptions under the Export Promotion Capital Goods Scheme of the Government of India on import of capital equipment for use in its manufacturing business. Under the said Scheme, the Company is required to discharge the export obligation 'Scheme' over a period of next eight years.

As of 31st, March 2024,

(a) Export commitment pending under Export Promotion Capital Goods Scheme is NIL (In FY 2022-23 was Rs. 36,377,726)

(b) Duty amount saved on the pending export commitment is NIL (In FY 2022-23 was Rs. 2,291,863)

(ii) Estimated amount of contract remaining to be executed on capital account (net of advances) – Rs. NIL (In FY 2022-23 was NIL-).

1.04 The Previous Year figures have been regrouped/rearranged wherever necessary to make them comparable.

1.05 The Company has not presented comparative figures for the consolidated financial statements as the subsidiary was incorporated on February 10, 2025, during the current financial year. Accordingly, the consolidated financial statements have been prepared only for the year ended March 31, 2025.

The Company made an Initial Public Offering (IPO) during the year ended 31st March 2025. This resulted in both a dilution of promoter shareholding and a reduction in the number of shares held by the promoters. The reduction in the number of shares held by promoters is due to part-sale of shares in the IPO offer for sale (OFS) component, in addition to the issuance of new shares.

- The promoters' combined shareholding decreased from 2,26,96,995 shares (100%) as on 31st March 2024 to 1,65,14,336 shares (66.73%) as on 31st March 2025.
- The decrease was due to the part-sale of shares under the Offer for Sale (OFS) and issue of fresh shares under IPO, resulting in both a reduction in the number of shares held and dilution of percentage holding.

56 Segment Reporting

Segments have been identified in accordance with Accounting Standard 17 – "Segment Reporting", considering the nature of the Company's products and services, the associated risks and returns, the organizational structure, and the internal financial reporting systems.

The Company is primarily engaged in the manufacture and sale of flexible packaging materials, which is considered as its sole business segment. Based on the assessment made by the management and as reviewed by the Board of Directors, the Company operates in a single business and geographical segment, and accordingly, there are no separate reportable segments under AS 17.

Further, revenue from export operations constitutes less than 10% of the total revenue during the year. Hence, no separate geographical segment disclosure is required under the applicable accounting standards.

57 Contingent Liabilities and Commitments

(i) The Company had availed custom duty exemptions under the Export Promotion Capital Goods (EPCG) Scheme of the Government of India on import of capital equipment for use in its manufacturing activities. The export obligation relating to the old EPCG licenses has been fully discharged, and there is no pending export commitment as at 31st March 2025 (Previous Year: NIL). Further, the Company has obtained a new EPCG license in March 2025. The export obligations arising from the new license will be discharged over the prescribed period as per the terms of the Scheme.
