Dear Stakeholders,

We wish to bring to your kind attention that the Listing Fees due to the National Stock Exchange (NSE) were duly paid in the first week of October 2024, and the payment has been acknowledged by the Exchange.

However, due to recurring technical issues on the NSE website, the status of the Listing Fees is intermittently displayed as "Not Paid," typically on every alternate Monday. We assure all stakeholders that this is a technical glitch and does not reflect the actual status of compliance.

We kindly request stakeholders to disregard such erroneous updates on the website and remain assured of the Company's unwavering commitment to meeting shareholder expectations and ensuring compliance with all regulatory requirements.

Thank you for your continued trust and support.
