In response to your email cited above, please find below our clarification:

1. The delay was due to technical reason. The response was submitted within the specified time to both the exchanges on November 20, 2024. However, it was filed under the head "Outcome of the Board Meeting". We then rectified it and filed under the head "Financial Result Updates" on November 23, 2024
2. The results were for the Quarter ending March 31, 2024 and not Annual Results. Hence, we submitted the unaudited results along with the Limited Review Report. The Annual Results / Report was submitted on January 10, 2025
3. Please find attached the results in machine readable format

Thanking you,

Yours faithfully,
