## FOR IMMEDIATE RELEASE

### **Brightcom Group Announces Strong Q1 FY2025-26 Results, Strategic Expansion into Defence Sector, and Group Restructuring**

**Hyderabad, India – August 14, 2025** – Brightcom Group Limited (BSE: 532368 | NSE: BCG) today announced its unaudited financial results for the quarter ended June 30, 2025, delivering robust growth and unveiling major strategic initiatives, including the launch of Brightcom Defence — a new division focused on next-generation aerospace intelligence and autonomous aerial defence software.

#### **Strong Financial Performance**

The Company reported consolidated quarterly revenue of **₹1,456** crores, reflecting a **23.14%** year-on-year growth, and a Profit After Tax (PAT) of **₹210.86** crores, up **32.6%** from the same period last year. Trailing twelve months (TTM) PAT stood at **₹761.53** crores, with TTM Earnings Per Share (EPS) of **₹3.77**, marking a **7.7%** quarter-on-quarter increase.

#### **Launch of Brightcom Defence**

The Board approved the formation of **Brightcom Defence (www.BrightcomDefence.ai)** to tap into the rapidly expanding markets for aerospace intelligence and autonomous defence solutions. Target capabilities include:

- AI-powered UAV flight systems
- Real-time threat detection and coordinated drone swarm operations
- Aerial platform cybersecurity
- High-fidelity mission simulation engines

Leveraging Brightcom's deep expertise in AI, machine learning, and real-time data processing, this new division aims to collaborate with governments, global defence innovators, and allied technology partners.

#### **Group Restructuring for Strategic Focus**

To align operational and financial reporting with functional areas, the Group will restructure into four primary divisions:

1. **Advertising** – Global digital marketing platforms and partnerships.
2. **Software Services** – Enterprise-grade software, IT consulting, and AI/ML services.
3. **Defence** – Next-generation aerospace intelligence and autonomous defence systems.

4. **Next Generation Technologies** – Incubating advanced technology opportunities in AI, ML, and Quantum Computing.

**Key Business Highlights – Q1 FY2025-26**

- **Trading Resumption:** Brightcom shares resumed active trading on BSE and NSE on July 14, 2025, signaling renewed market momentum.
- **Business Development:** Successful US roadshow and record-breaking performance during Prime Day 2025.
- **Global Recognition:** Improved rankings in Picalate’s Seller Trust Index across multiple countries and OMS subsidiary achieving **#1 scaling SSP** status in DataBeat’s Sellers Report.
- **Industry Engagements:** Participation in Digiday Summit and advancements in cookie-less identity solutions and generative AI integration.

Commenting on the quarter’s performance and new initiatives, Mr. Suresh Kumar Reddy, Chairman of Brightcom Group, said:

“We are entering one of the most exciting phases in our journey. Our strong financial results reflect operational discipline and market demand, while our strategic expansion into the defence sector and realignment of business divisions position us for sustainable growth in the years ahead.”

Full financial statements, auditor review reports, and the Brightcom Defence presentation are available on the Company’s investor website at [www.brightcomgroup.com/investors](http://www.brightcomgroup.com/investors).
