# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

## 1. Introduction

Beacon Trusteeship Limited ('BTL' or 'the Company') was incorporated on 23rd December 2015 as a public limited company under the Companies Act, 2013, and holds a SEBI Certificate of Registration as a Debenture Trustee bearing Registration No. IND000000569. On 4th June 2024 the Company listed its equity shares on the National Stock Exchange of India Limited, becoming India's first and only listed trustee company - a landmark that established

## 2. Overview of the Revenue Model

The Company provides a comprehensive range of solutions in its role as a corporate trustee. Within its SEBI-regulated products it acts as debenture trustee for listed & unlisted Bonds, Debentures, security-creation oversight, bondholder communication, and enforcement; as trustee for Category I, II, and III Alternative Investment Funds (AIFs), covering trust-deed execution, SEBI compliance oversight, drawdown monitoring, and trustee sign-off on NAV and distributions; and as trustee for special-purpose-vehicle structures such as securitised debt instruments, ESOP trusts & REITs. Within its non-SEBI and unregulated products it acts as security trustee, share-pledge trustee, security agent, facility agent, safe-keeping agent, and NDU agent for lender consortia and bilateral lenders; as trustee for privately placed, unlisted debentures; as independent escrow agent for M&A, real-estate collections, debt-service-reserve accounts, and regulatory deposits; as an IFSCA-registered trustee for GIFT City AIFs; and as trustee for securitisation structures through its proprietary ProSec platform. It also provides private-trust administration for HNI and UHNI families and a range of legal-documentation-agent, SPV-trustee, and advisory services.

The Company's revenue model is fee-based and recurring in character: trust-deed execution generates one-time upfront fees, while ongoing trusteeship obligations generate annual recurring fees indexed to AUA or deal parameters. This delivers high revenue visibility, strong operating leverage as the mandate base scales, and minimal working-capital requirements - consistent with the Company's asset-light and debt-free business model.

## 3. Resilient Business Model

The Company operates on a debt-free and asset-light model that ringfences it against the financial stress associated with capital-intensive infrastructure or high-cost debt servicing. As a trust-services provider, its primary assets are its people, regulatory licences, technology platforms, and client relationships - none of which require significant fixed capital. FY 2025-26 again demonstrated the resilience and scalability of this model, delivering strong revenue growth and a healthy operating margin on a balance sheet that remains entirely debt-free and funded through internal accruals. The Company added 797 new mandates during the year - the highest annual count in its history taking cumulative mandates since inception to 3,595 and cumulative assets under administration to ₹17.23 Lakh Crs.

## 4. SWOT Analysis

### Strengths

Beacon's NSE listing is a unique and enduring differentiator: no other SEBI-registered trustee company is publicly listed in India, and listed status offers institutional investors, fund managers, and issuers the highest level of governance assurance and accountability, making Beacon an easier choice where counterparty credibility and service quality are paramount. In under a decade the Company has established itself among the top-ranked trustees by AUA and mandate count, with a cumulative base of 3,595 mandates and ₹17.23 Lakh Crore of cumulative AUA reflecting a deep and diverse client franchise across PSUs, leading BFSI entities, and prominent conglomerates. Promoter-centric ownership and close promoter involvement in management ensure swift, committed execution and a long-term ownership perspective. Beacon is the only trustee in India to offer, within a single group, bond and debenture trusteeship across domestic and IFSC markets, AIF trusteeship across domestic, GIFT IFSC & Mauritius domains, Securitisation and Security Trusteeship, Escrow, RTA and Depository-Participant (NSDL & CDSL) services through Beacon Investor Holdings, and family-trust services through BeaconX - an integrated platform that enables single-window solutions and significant cross-sell opportunities. Sustained investment in in-house technology,

# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

including ProSec, the Beacon ERP, digital investor onboarding, and the fund administration platform, creates switching costs and lets the Company absorb growing volumes without proportionate headcount growth, while its standing as a SEBI-registered debenture trustee and an IFSCA-registered ancillary-service provider and debenture trustee places it within a framework that inherently screens out non-compliant participants.

## Weaknesses

The Indian debt market, at ₹226 lakh crore in outstanding size, is very large relative to Beacon's current mandate base, and continued investment in business development, technology, and talent is required to capture a larger share of new issuances and fund setups. The Company must monitor and comply with a dense and growing set of regulations spanning SEBI regulations and circulars, the Companies Act and rules, RBI directions, contract, stamp-duty, and income-tax law, and IFSCA frameworks, and the cost of compliance infrastructure will continue to rise as obligations expand. The Company experienced elevated attrition in a competitive talent market for financial services in Mumbai, requiring continued investment in employee welfare, career development, and competitive compensation. Operating across multiple regulated product lines also concentrates exposure to regulatory risk, where an adverse circular in a single category can affect the broader business - the IFSCA circular opposing fiduciary entities providing fund administration to the same AIF being one such example.

## Opportunities

SEBI's push for active trustee monitoring, the large-corporate borrowing framework, the reduced ₹10,000 minimum investment ticket, and the projected growth of India's corporate-bond market beyond ₹120 lakh crore by FY 2030 together represent a multi-year structural demand driver for the core debenture-trusteeship business. With a large and rising population of SEBI-registered AIFs and fast-track registration reforms accelerating fund formation, Beacon's substantial cumulative AIF mandate base and listed-trustee positioning make it a natural beneficiary of new mandate flows, while its GIFT City presence provides a springboard as international managers increasingly use the IFSC as their India jurisdiction. Beacon Investor Holdings' RTA and depository-participant registrations open a significant new revenue stream, particularly given the mandatory dematerialisation of private-company securities and of AIF units. The pending merger of Codium Techlabs and Kratos Capital Advisors will consolidate fund administration and covenant monitoring within the listed entity, a completed feasibility study for SEBI custodian services points to a high-value adjacency among existing AIF clients, and the formalisation of family wealth among a growing UHNI population represents a further underserved opportunity for an independent, listed trustee.

## Threats

Predatory pricing by new entrants can raise client-acquisition costs and pressure fee realisations in the short term, even though the long-term viability of undercapitalised trustees is questionable. New or revised regulation, such as the IFSCA circular proposing to prohibit fiduciary entities from providing fund administration to the same AIF, can directly affect the integrated service model, and the Company engages with regulators through formal representation to protect its model and its clients. A material economic slowdown that reduced bond issuance, AIF fundraising, or NBFC lending could moderate the growth of the mandate pipeline, though the diversified product mix mitigates this risk. Continued success depends on retaining experienced professionals across trusteeship, compliance, technology, and relationship management, and the rapid advancement of AI, blockchain, and digital-asset infrastructure could reshape elements of the industry - risks the Company mitigates through proactive platform investment and ongoing monitoring of global technology trends.

## 5. Mitigation of Risk / Risk Management

The Board of Directors assesses and classifies risks across operational, financial, regulatory, technology, and human-capital domains on a continuous basis, under the oversight of the Audit Committee and with inputs from the Internal Auditor, Statutory Auditor, and Company Secretary. Key measures during the year included formal representation to IFSCA opposing the proposed prohibition on fiduciary entities providing fund administration to the same AIF, in order to protect the integrated trustee-and-fund-administration model; continued investment in proprietary platforms such as ProSec, the Beacon ERP, fund accounting, investor onboarding, and Codium covenant monitoring to reduce operational risk and build competitive moats; continued diversification across all primary product lines so that adverse developments in any single category do not disproportionately affect performance; a dedicated compliance team with domain expertise across SEBI, IFSCA, the Companies Act, income tax, and contract law; and enhanced employee-welfare, career-development, compensation-benchmarking, and wellness initiatives, including health insurance, to address elevated attrition.

## 6. Internal Control Systems and Their Adequacy

The Company maintains an effective and reliable internal control system commensurate with the size and nature of its operations, designed to ensure the orderly conduct of business across all product lines, the safeguarding of Company assets, client documentation, security instruments, and trust property, the prevention and detection of fraud and non-compliance, the accuracy and timeliness of accounting records, and compliance with applicable SEBI, LODR, Companies Act, and IFSCA requirements. Its efficacy is validated through multiple layers of oversight - self-audits by business teams, periodic internal audits, and statutory audits - with the Audit Committee receiving regular reports on findings and overseeing remediation of any gaps.

## 7. Financial Performance

FY 2025–26 was another year of robust financial performance for Beacon Trusteeship Limited, marked by strong revenue, a healthy EBITDA margin, and continued profitability - all while maintaining a debt-free balance sheet and investing in the technology and human-capital foundations for future growth. Revenue from operations reached ₹3,183.19 Lakhs, driven by the expansion of the AIF trusteeship mandate base, strong deal flow in debenture trusteeship, and accelerating securitisation activity. EBITDA stood at ₹1,281.78 Lakhs at a margin of 40.27%, reflecting the operating leverage inherent in the model as revenue scales on a predominantly fixed and semi-fixed cost base, with employee benefit expenses at a modest 21.61% of revenue. Profit after tax was ₹817.55 Lakhs at a PAT margin of 25.68%, and basic earnings per share were ₹4.53, while stepped-up depreciation and amortisation reflected the capitalisation of proprietary technology platforms, with intangible assets under development of ₹361.82 Lakhs. The balance sheet as at 31st March 2026 carries a net worth of ₹5,325.27 Lakhs funded entirely through internal accruals, nil long-term borrowings, and total assets of ₹6,297.64 Lakhs including strategic investments in group subsidiaries, with IPO proceeds being deployed across technology infrastructure, service-offering expansion, working capital, and strategic adjacencies.

## 8. Human Resources

Employee Benefit Expenses declined to 21.61% of revenue (FY25: 29.05%) demonstrating operating leverage as revenue scaled while employee costs were managed efficiently. Headcount grew from 81 to 110 to support mandate expansion and technology development. The attrition rate increases to 20% in FY26 is acknowledged and is a board-level priority for FY27, being addressed through enhanced career pathways, competitive compensation, and expanded wellness programmes.

## 9. Corporate Governance

The Company is committed to the highest standards of Corporate Governance. As an NSE-listed company since 4th June 2024, BTL complies with SEBI LODR Regulations 2015, the Companies Act 2013, and all applicable SEBI guidelines. The Board comprises Directors with expertise in capital markets, banking, and corporate governance with one-half being Independent Directors. The Audit Committee, NRC, Stakeholders' Relationship Committee, and Risk Management Committee are constituted and functioning in accordance with statutory requirements. Fiduciary obligations across SEBI and IFSCA registrations are fully aligned with BTL's governance obligations as a listed company.

## 10. Cautionary Statement

Cautionary Statement: This Report contains forward-looking statements based on management's current expectations and reasonable assumptions. Actual results could differ materially due to changes in economic conditions, regulatory developments, competitive dynamics, or market conditions. The Company undertakes no obligation to update any forward-looking statement.

# STANDALONE INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report

## To the Members of **Beacon Trusteeship Limited**

Report on the Audit of the Standalone financial statements

### **Opinion**

We have audited the accompanying standalone financial statements of Beacon Trusteeship Limited ("the Company"), which comprise the standalone Balance Sheet as at March 31, 2026, the standalone Statement of Profit and Loss and the standalone Cash Flow Statement for the year then ended, notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have no key matters to be communicated in our report.

### **Information Other than the Standalone financial statements and Auditor's Report Thereon**

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises of the information included in the Company's annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion there on.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially mis-stated. If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

# STANDALONE INDEPENDENT AUDITOR'S REPORT

## Management's and Board of Director's Responsibility for the Standalone financial statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of financial position, financial performance, and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. The description of the auditor's responsibilities for the audit of the standalone financial statements is mentioned below:

As a part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

# STANDALONE INDEPENDENT AUDITOR'S REPORT

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As Required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable:

2. As required by Section 143 (3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of profit and loss and the Statement of cash flows dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act; read with Companies (Accounting Standards) Rules, 2006 (as amended) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the company and operating effectiveness of such controls, refer our separate report in Annexure 2 to this report.

g) With respect to the Other Matter to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. The Management of the company has represented that, to the best of its knowledge and belief, other than as disclosed in notes to accounts:

- no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether recorded in writing or otherwise, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

# STANDALONE INDEPENDENT AUDITOR'S REPORT

- no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- based on audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014, contain any material misstatement.

v. During the year, the company has neither declared nor paid any dividend, as such compliance of section 123 of the Act is not applicable.

vi. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, the company has used such accounting software for maintaining its books of accounts, which had a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

3. With respect to the matter to be included in the Auditor's Report under Section 197(16):

According to the records of the Company examined by us and as per the information and explanations given to us, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

Accordingly, the requirements of reporting under Clause (xviii) of the Order are not applicable.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable.

xxi. We have considered the CARO 2020 reports of the component companies included in the consolidated standalone financial statements. Based on our review, no qualifications or adverse remarks have been reported by the respective auditors in their CARO reports

# STANDALONE INDEPENDENT AUDITOR'S REPORT

## ANNEXURE - 2 to the Independent Auditor's Report of even date on the Standalone financial statements of Beacon Trusteeship Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Beacon Trusteeship Limited

### Opinion

We have audited the internal financial controls with reference to Standalone financial statements of Beacon Trusteeship Limited ("the Company") as of March 31, 2026, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to these standalone financial statements and such internal financial controls with reference to these standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone financial statements.

# STANDALONE INDEPENDENT AUDITOR'S REPORT

## Meaning of Internal Financial Controls with Reference to these Standalone financial statements

A company's internal financial control with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

## Inherent Limitations of Internal Financial Controls with Reference to these Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Notes to Financial Statements For the year ended 31 March 2026

### Corporate Information:

The company "Beacon Trusteeship Limited" has been promoted by Mr. Pratapsingh Nathani, an ex-banker. The company was incorporated on 23<sup>rd</sup> December 2015. Beacon Trusteeship Limited provides Trusteeship Services viz. Debenture / Bond Trusteeship, Security Trusteeship, Safe Keeping, Securitization, Management of Special Purpose Vehicles (SPVs), Managing Trusts and Allied Services. The Company has started its branch i.e IFSC Branch in the GIFT city, Gujarat. Further the approval for successful conducting the operations has been received on and from 25th March 2023. The effect of the profit / loss and state of affairs of the respective IFSC branch has been given in the financial statements.

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### **a. Basis of Accounting**

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India (Indian GAAP).

The Company has prepared these financial statements to comply in all material respects with the notified accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

#### **b. Use of estimates**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### **c. Property Plant and Equipment (Fixed Assets)**

Property, Plant and Equipment (including intangible assets) are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gain or losses arising from de-recognition of property, plant and equipment (including intangible assets) are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Individual low cost assets (acquired for less than Rs. 5,000/- ) are depreciated in the year of acquisition.

#### **d. Intangible Assets**

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The company uses a rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use. If the persuasive evidence exists to the effect that useful life of an intangible asset exceeds five years, the company amortizes the intangible asset over the best estimate of its useful life. Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

#### **e. Depreciation**

Depreciation on property, plant and equipment is provided using the Written-down value Method ('WDV') using the rates arrived at based on the useful lives estimated by the management. Intangible assets are amortized on a Written-down value basis over the estimated useful life. The Company has used the following rates to provide depreciation/amortization on its Property, Plant and Equipment (including intangible assets):

# STANDALONE FINANCIAL STATEMENT

	Useful life as per management (WDV)	Useful life as per schedule II (WDV)
Computers	3 years	3 years
Computer Software	3 years	3 years
Office Equipment	5 years	5 years
Furniture and Fixtures	10 years	10 years
Server and Network	6 years	6 years

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets, though these rates in certain cases are different from lives prescribed under Schedule II of Companies Act, 2013.

## **f. Investments**

Investments are classified as long term or current in terms of AS-13. Long Term investments are carried at cost less provision for diminution, other than temporary. Current Investments are carried lower of cost or market value.

## **g. Impairment of Asset**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Other impairment, depreciation/amortization is provided on the revised carrying amount of the asset over its remaining useful life.

## **h. Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Annual Fees for trusteeship services and servicing fees are recognized, on a straight line basis, over the period when services are performed. Initial acceptance fees for trusteeship services is recognized as and when the 'Offer / Consent Letter' for the services to be rendered is accepted by the customer. Apart from this any documentation and other income related to the trusteeship services is recognised on basis of probable economic benefits will flow to the the Company.

Under the new SEBI Guidelines dated November 3 & November 12, 2020, the Debenture Trustees (DT) are mandated to undertake independent assessment of assets being offered as security, periodic monitoring, and compliance of the 'security created' or assets on which charge is created along with any applicable covenants or terms of the issue of listed debt securities incorporated in the debenture trust deed. Considering the increase in the efforts, the current revenue structure also underwent a change during current financial year onwards which originates from the manifold increase in the responsibility of the Debenture Trustee (DT) following the amendments in SEBI regulations relating to DT, ILDS and LODR respectively.

Interest income on fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "Other income" in the statement of profit and loss.

Financial and other advisory fees collected is recognised as a part of 'Other Operating Income' basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Realized gains and losses on mutual funds are dealt with in the statement of profit and loss. The cost of units in mutual fund sold are determined on weighted average basis for the purpose of calculating gains or losses on sale/redemption of such units.

### **m. Taxes on Income**

i. Tax expense comprises current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and the tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

ii. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originated during the current year and reversal of timing differences of earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations, where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

### **n. Cash and cash equivalents**

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short-term investment with an original maturity of three months or less.

### **o. Segment information**

The Company is engaged primarily in the trusteeship business and its business operations are concentrated in India. Accordingly there are no separate business segments and geographical segments as per Accounting Standard 17 - Segment Reporting issued by The Institute of Chartered Accountants of India.

## **p. Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## **q. Provisions, Contingent Liability and Contingent Assets.**

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where doubtful debt remains unrecovered till the end of the year, the same is written off and reversed from the debtors account.

Specific provisions are created in certain cases where recovery is assessed as doubtful even before the due date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Provision for doubtful receivables / bad debts are recognised based on the detailed analysis and approval of those charged with governance on case to case basis wherein the Company do not have enough security coverage over the said receivables.

# CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report

## To the Members of **Beacon Trusteeship Limited**

Report on the Audit of the Consolidated financial statements

### **Opinion**

We have audited the accompanying consolidated financial statements of Beacon Trusteeship Limited (hereinafter referred to as the "Holding Company" or the "Parent Company" or the "Company") and its subsidiary (Holding company and its subsidiary together referred to as "the Group") and its associate, which comprise of the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss for the year ended on that date, the Consolidated statement of Cash Flows and the notes to consolidated financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports and other information of the subsidiary and associate, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group, and its associate as at March 31, 2026, the profit and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have no key matters to be communicated in our report.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises of the information included in the Holding Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

## Management's and Board of Director's Responsibility for the Consolidated financial statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of financial position, financial performance of the group and its associate in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of each company.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these Consolidated financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material mis-statement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.

# CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statement/ financial information of the entities or business activities within the group and its associate of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements, of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

# CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

## Annexure – B

### To the Independent Auditor's Report of even date on the Consolidated Financial Statements of Beacon Trusteeship Limited for the year ended 31 March 2026

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Beacon Trusteeship Limited

## Opinion

We have audited the internal financial controls with reference to consolidated financial statements of Beacon Trusteeship Limited (hereinafter referred to as the "Holding Company" or the "Parent Company" or the "Company") and its subsidiary (Holding company and its subsidiary together referred to as "the Group") and its associate, which are companies incorporated in India, as of that date as of 31 March 2026. In our opinion and based on the consideration of reports of the other auditors on internal financial controls with reference to financial statements/financial information of subsidiary companies and associate companies, as were audited by the other auditors, the Holding Company and such companies incorporated in India which are its subsidiary companies and its associate companies, have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2026, based on the internal financial controls with reference to financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

## Management's Responsibility for Internal Financial Controls

The respective Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant

# CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

subsidiary companies and associate companies in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

## Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

## Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Beacon Trusteeship Limited

### Notes to Financial Statements For the year ended 31 March 2026

#### Corporate Information:

The company "Beacon Trusteeship Limited" has been promoted by Mr. Pratapsingh Nathani, an ex-banker. The company was incorporated on 23<sup>rd</sup> December 2015. Beacon Trusteeship Limited provides Trusteeship Services viz. Debenture / Bond Trusteeship, Security Trusteeship, Safe Keeping, Securitization, Management of Special Purpose Vehicles (SPVs), Managing Trusts and Allied Services. The Company has started its branch i.e IFSC Branch in the GIFT city, Gujarat. Further the approval for successful conducting the operations has been received on and from 25th March 2023. The effect of the profit / loss and state of affairs of the respective IFSC branch has been given in the financial statements.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

##### a. Basis of Accounting

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India (Indian GAAP).

The Company has prepared these financial statements to comply in all material respects with the notified accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

##### b. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

##### c. Principles of consolidation

The consolidated financial statements refer to those of the Group and have been prepared on the following basis:

- i) The financial statements of the Company and its subsidiaries have been consolidated in accordance with Accounting standard 21 – 'Consolidated Financial Statements' by adding, on a line by line basis, the book values of the items like assets, liabilities, income and expenses, after eliminating intra-group transactions and balances. Unrealised profits or losses, if any, from such intra-group transactions are eliminated in totality
- ii) The financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The impact of change in accounting policies, if not material, has been ignored.
- iii) All entities in the Group follow a March 31 reporting year-end.
- iv) Following is the list of entities consolidated under the Group

SNo.	Name of the Company	Subsidiary/Associate with effect from	% of holding as at 31-Mar-26
1	Beacon Investor Holidngs Private Limited	05-04-2024	90.00%
2	BeaconX Corporate Trusteeship Private Limited	29-04-2025	100.00%
3	Beacon Fiduciary Services (Mauritius) Limited	15-05-2025	100.00%
4	Beacon Payroll & Benefits Private Limited	16-07-2018	49.00%

- v) Investment in subsidiaries with the intention to sell are not considered.

# CONSOLIDATED FINANCIAL STATEMENT

## **d. Property Plant and Equipment (Fixed Assets)**

Property, Plant and Equipment (including intangible assets) are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gain or losses arising from de-recognition of property, plant and equipment (including intangible assets) are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Individual low cost assets (acquired for less than Rs. 5,000/- ) are depreciated in the year of acquisition.

## **e. Intangible Assets**

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The company uses a rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use. If the persuasive evidence exists to the effect that useful life of an intangible asset exceeds five years, the company amortizes the intangible asset over the best estimate of its useful life. Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

## **f. Depreciation**

Depreciation on property, plant and equipment is provided using the Written-down value Method ('WDV') using the rates arrived at based on the useful lives estimated by the management. Intangible assets are amortized on a Written-down value basis over the estimated useful life. The Company has used the following rates to provide depreciation/amortization on its Property, Plant and Equipment (including intangible assets):

	Useful life as per management (WDV)	Useful life as per schedule II (WDV)
Computers	3 years	3 years
Computer Software	3 years	3 years
Office Equipment	5 years	5 years
Furniture and Fixtures	10 years	10 years
Server and Network	6 years	6 years

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets, though these rates in certain cases are different from lives prescribed under Schedule II of Companies Act, 2013.

## **g. Investments**

Investments are classified as long term or current in terms of AS-13. Long Term investments are carried at cost less provision for diminution, other than temporary. Current Investments are carried lower of cost or market value.

## **h. Impairment of Asset**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Other impairment, depreciation/amortization is provided on the revised carrying amount of the asset over its remaining useful life.

## **i. Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

# CONSOLIDATED FINANCIAL STATEMENT

Annual Fees for trusteeship services and servicing fees are recognized, on a straight line basis, over the period when services are performed. Initial acceptance fees for trusteeship services is recognized as and when the 'Offer / Consent Letter' for the services to be rendered is accepted by the customer. Apart from this any documentation and other income related to the trusteeship services is recognised on basis of probable economic benefits will flow to the the Company.

Under the new SEBI Guidelines dated November 3 & November 12, 2020, the Debenture Trustees (DT) are mandated to undertake independent assessment of assets being offered as security, periodic monitoring, and compliance of the 'security created' or assets on which charge is created along with any applicable covenants or terms of the issue of listed debt securities incorporated in the debenture trust deed. Considering the increase in the efforts, the current revenue structure also underwent a change during current financial year onwards which originates from the manifold increase in the responsibility of the Debenture Trustee (DT) following the amendments in SEBI regulations relating to DT, ILDS and LODR respectively.

Interest income on fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "Other income" in the statement of profit and loss.

Financial and other advisory fees collected is recognised as a part of 'Other Operating Income' basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Realized gains and losses on mutual funds are dealt with in the statement of profit and loss. The cost of units in mutual fund sold are determined on weighted average basis for the purpose of calculating gains or losses on sale/redemption of such units.

## **j. Leases**

Where the company is lessee ;

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

## **k. Prior Period Adjustments**

Earlier year items, adjustment / claims, arisen/ settled / noted during the year, if material in nature, are debited/credited to prior period expenses/income or respective heads of Account, if not material in nature.

## **l. Employee Benefits**

Liability for employee benefits, both short and long term, for present and past services which are due as per the terms of employment are recorded in accordance with Accounting Standard - 15 (Revised 2005) "Employee Benefits" issued by the "Institute of Chartered Accountants of India (ICAI)" to the extent applicable.

Retirement benefit in the form of provident fund is a defined contribution scheme to the extent applicable. The contributions to the provident fund if charged are routed through the Statement of Profit and Loss for the year when an employee renders the related service. The Company has no obligation, other than the contribution payable to the provident fund to the extent applicable.

## **m. Foreign Exchange Transactions**

Transactions in foreign currencies are recorded in the books by applying the exchange rates prevailing on the date of the transaction. All monetary items denominated in foreign currency assets and liabilities are restated at the exchange rate prevailing at the year end. Any income or expense on account of the exchange difference either on settlement or on transaction is recognized in the profit & loss account.

## **n. Taxes on Income**

a. Tax expense comprises current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and the tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

b. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originated during the current year and reversal of timing differences of earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations, where the

# CONSOLIDATED FINANCIAL STATEMENT

Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

## **o. Cash and cash equivalents**

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short-term investment with an original maturity of three months or less.

## **p. Segment information**

The Company is engaged primarily in the trusteeship business and its business operations are concentrated in India. Accordingly there are no separate business segments and geographical segments as per Accounting Standard 17 – Segment Reporting issued by The Institute of Chartered Accountants of India.

## **q. Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## **r. Provisions, Contingent Liability and Contingent Assets.**

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where doubtful debt remains unrecovered till the end of the year, the same is written off and reversed from the debtors account.

Specific provisions are created in certain cases where recovery is assessed as doubtful even before the due date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Provision for doubtful receivables / bad debts are recognised based on the detailed analysis and approval of those charged with governance on case to case basis wherein the Company do not have enough security coverage over the said receivables.

**s.** The Company has registered itself into as MSME unit having Udyog Aadhar Number-MH19E0049703 dt.16th November 2016 under the Micro, Small and Medium Enterprise Development Act, 2006

**t.** The Company is currently in the process of evaluating and implementing a merger with certain entities-Beacon Payroll & Benefits Pvt Ltd, Kratos Capital Advisors Pvt Ltd and Codium Techlabs Pvt Ltd within the same group. This proposed restructuring is aimed at achieving operational efficiencies, streamlining business functions, and enhancing overall organizational effectiveness.

# CONSOLIDATED FINANCIAL STATEMENT

## 28. Contingent liabilities :

Rs. in Lakhs

Nature of Statute	Brief Description of Contingent Liabilities	Proposed demand	Deposit paid against proposed demand	Contingent Liabilities
Securities and Exchange Board of India (SEBI) Act, 1992	*Refer note below	5.00	2.50	2.50

\* Note : As per the adjudication order issued by the Securities and Exchange Board of India (SEBI), a potential liability amounting to Rs.5 Lakhs has been identified. This pertains to regulatory compliance issues observed during an inspection of Beacon Trusteeship Limited's role as Debenture Trustee for secured listed NCDs. While a deposit of ₹2,50,000 has been paid in relation to the matter, the liability is currently under evaluation and is not yet crystallized. However, the management is probable that no further amount is payable over and above the deposit paid against the proposed demand. Accordingly, no further provision is required as on 31 March 2026.
