Press Release

BEL signs MoU with BPL Medical Technologies Pvt Ltd

Bengaluru, February 3, 2021: At Aero India 2021, Bengaluru, Navratna Defence PSU Bharat Electronics Limited (BEL) and BPL Medical Technologies Pvt Ltd today entered into an MoU for co-operation in the field of medical products and solutions to provide affordable health care for the country and also to leverage the policy initiatives of the Indian Government, such as Make in India.

Mr Vinay Kumar Katyal, Director (Bangalore Complex), BEL, and Mr Sunil Khurana, CEO & Managing Director, BPL Medical Technologies Pvt Ltd, exchanged the MoU documents in the presence of senior officers of both the companies.

BEL and BPL Medical Technologies Pvt Ltd are inclined to co-operate and work together pursuant to which necessary manufacturing ToT and License Grant shall be made to BEL by BPL Medical to enable manufacture and sale of Patient Monitoring Systems and C-ARM Surgical Imaging System.

About BPL Medical Technologies Pvt Ltd

Since 1967, BPL Medical has been widely known for its reliable products and services, making it the supplier of choice for hospitals, clinics and practicing physicians across India. BPL Medical Technologies Pvt Ltd is in the business of designing, manufacturing and marketing of medical equipment such as ECG, defibrillators, critical care products including patient monitors, Anaesthesia Work Stations, Ventilators, C-Arms, Diagnostic X-Ray equipment, Ultrasound and home healthcare products. The products are manufactured in an ISO 13485 certified facility and conform to global Quality Assurance standards and best practices.
