BADLAPUR

A 24-year-old newlywed worker died after being electrocuted while installing a banner on a roadside hoarding along the Katali-Karjat State Highway near the Ambernath-Badlapur border. Indresh Rajbhar allegedly came into contact with a live electrical source while atop the hoarding. The shock caused him to lose balance and suffer a fatal fall. Badlapur police are verifying reports that the banner was linked to a construction company allegedly associated with a local political leader. Officials are also probing negligence by the contractor. Preliminary information suggests the work may have been undertaken without adequate safety gear. Police are examining whether safety harnesses and insulated tools were used.

FPJ News Service
PALGHAR

Palghar district will focus on healthcare, education, infrastructure, tribal welfare and employment generation under its development plan, with the District Planning and Development Committee (DPDC) approving ₹859.38 crore outlay for 2026-27. Maharashtra Forest Minister and Guardian Minister Ganesh Naik, who chaired the meeting on Friday, directed departments to ensure equitable allocation based on population, local needs and development priorities across talukas. Under the Developed Maharashtra 2030 vision and district development plan, the administration will strengthen healthcare, education, sports, tourism and

energy infrastructure, besides improving road connectivity to tribal and remote villages lacking all-weather access. The committee also prioritised construction of crematoriums in remaining revenue villages, wadis and padas. A major proposal under the plan is an International Agro Export Hub at Dapchhari in Dahanu taluka, envisioned as a logistics and export centre for Maharashtra's agricultural produce. The committee resolved to frame a policy providing employment opportunities to local residents and landowners. Plans for memorials to tribal freedom fighter Bhagwan Birsa Munda and Dr BR Ambedkar at the Collectorate will also be submitted to the state government after the project plan is finalised.

Suicide victim's organs give new lease of life to three

Raina Assainar
NAVI MUMBAI

A 22-year-old woman, who was declared brain stem dead after allegedly attempting suicide by hanging in Vashi, has given a new lease of life to three patients after her family donated her organs. The reason behind her alleged suicide is yet to be ascertained and a police probe is underway. Madhuri Vijay Jaiswal, a resident of Vashi Gaon who assisted her father in his business, allegedly hanged herself at her residence on the evening of July 13. Her family administered cardiopulmonary resuscitation before rushing her to MGM Hospital, where she was brought in cardiac arrest. Doctors restored her heartbeat after prolonged resuscitation, but CT scans revealed severe cerebral edema and irreversible brain injury caused by prolonged oxygen deprivation. Despite intensive treatment, she showed no neurological recovery. Apnea tests conducted on July 15-16 confirmed brain stem death. Following counselling by the hospital's transplant team, Madhuri's father, Vijay Jaiswal, and other family members consented to organ donation. Doctors retrieved her heart, liver and both kidneys on July 17 for allocation to patients

awaiting transplants. Her small intestine was found unsuitable for transplantation. Vashi police said the family voluntarily consented to the donation and that Jaiswal had expressed no suspicion or complaint against anyone over his daughter's death. Police completed further legal formalities as per procedure. Meanwhile, another deceased organ donation was conducted at Jupiter Lifeline Hospital in Thane on July 17 after the family of a 32-year-old brain-dead man donated his heart, liver and both kidneys. Zonal Transplant Coordination Centre officials said the organs in both cases were allocated according to the state government's organ distribution guidelines. The two cases marked the Mumbai region's 38th and 39th deceased organ donations this year.
