LIMITED REVIEW REPORT

Independent Auditor's Review report on Interim Un-Audited Consolidated Financial Results for the half year ended on 30th September, 2020 pursuant to Regulation 33 of the SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 (as amended)

To,
The Board of Directors of
M/s Beta Drugs Limited
Village Nandpur, Lodhimajra Road
Baddi, Distt Solan
H.P. 174101

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **M/S BETA DRUGS LIMITED** ("the Parent") and its subsidiary ("the Parent" and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax for the half year ended 30th September, 2020 being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. Attention is drawn to the fact that the consolidated figures for the corresponding half year ended 30/09/2020 as reported in these financial results have been approved by the Parent's Board of Directors, and have been subjected to review.

2. This Statement is the responsibility of the Parent's Management and has been approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Name of the Company	Relation
Adley Formulations Pvt Ltd	Indian Subsidiary (wholly owned)
Adley Lab Limited	Indian Subsidiary (wholly owned)

5. Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited consolidated financial results, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Our conclusion is not modified in respect of this matter.

7. The consolidated unaudited financial results includes the interim unaudited financial statements/ financial information/financial results of **M/s Adley Formulations Pvt Ltd (its subsidiary) & M/s Adley Lab Limited (its subsidiary)** which have not been reviewed/audited by their auditors, whose interim financial statements/ financial information/ financial results reflect total assets of Rs. 28,20,29,226.91 as at 30th September, 2020 and total revenue of Rs. 16,54,86,799.51 total net profit/(loss) after tax of Rs. 2,11,93,098.06 and total comprehensive income / loss of Rs. 2,11,93,098.06 for the half year ended 30th September, 2020 , respectively, and cash flows (net) of Rs. 17,71,450.77 for the period from 1st April 2020 to 30th September 2020 as considered in the consolidated unaudited financial results whose financial statement are not audited by us. This financial statement whose report have been furnished to us by the management and our opinion on the consolidated financial results in so far as it related to the amount and disclosure included in respect of this subsidiary is based solely on the reports of the management and procedure performed by us as stated in paragraph above.

Independent Auditor's Review report on Interim Un-Audited Standalone Financial Results for the half year ended on 30th September, 2020 pursuant to Regulation 33 of the SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 (as amended)

To,
The Board of Directors of
M/s Beta Drugs Limited
Village Nandpur, Lodhimajra Road
Baddi, Distt Solan
H.P. 174101

We have reviewed the accompanying statement of unaudited standalone financial results of **M/s Beta drugs Limited ("the company")** for the half year ended **30th September, 2020**. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

BETA: Strong Operational Performance

Despite challenging economic environment and a lockdown of one & half month, Beta was able to increase its revenues by 10.2% compared with the same period a year ago. This was primarily driven by increase in Exports and API. EBITDA margin expanded by 70 basis points to 21.3% from 20.6% on account of higher margin exports as well leveraging technology to drive efficiencies. However, net profit margin declined slightly due to 110% rise in depreciation as compared with the same period a year ago.

The company also managed to improve its working capital management by reducing its accounts receivable and inventory holding by 7 & 6 days, respectively. With strong tailwinds coupled with momentum across its all four segments; Own Brands, Exports, OEMs & API, Beta is poised for strong growth this year. In addition, the company's entry into fast growing targeted therapy market with Tyrosine Kinase Inhibitors (TKIs) and setting up of a manufacturing facility of Pre-Filled Syringe will provide it with extra fillip for many years to come.

Financial Highlights:

- Total Revenue grew to Rs 51.38cr from Rs 46.61cr
- EBITDA went upto Rs 10.93cr from Rs 9.59cr
- Cash Flow from operations increased to Rs. 8.68cr from Rs. 3.29cr
- Total Debt (Long term and Short term) is reduced by Rs 3.61cr since 31st March 2020
- The company has been able to create additional FDR of Rs. 1.93cr while simultaneously paying off the debt.
