## Business Update Release

### **BEW Engineering Limited Welcomes NIPRD Team for Insightful Equipment Inspection**

**Mumbai, 16<sup>th</sup> January 2025:** BEW Engineering - Among leading designers & manufacturers of process equipment for Pharmaceutical & Chemical Industry, is pleased to announce the successful visit of the SA (Admin) to DG/CEO and team from the National Institute of Pharmaceutical Research and Development (NIPRD), Nigeria, to its manufacturing facility. This visit provided an excellent opportunity for both organizations to engage in meaningful discussions on technical aspects and to assess our capabilities, ensuring it met the highest quality standards and their specific operational requirements.

During their time at the facility, the teams engaged in valuable discussions that addressed technical queries and confirm that the equipment would be fully optimized for their projects.

**Management Comment:**

Commenting on this development, **Mr. Rohan Lade, Managing Director, BEW Engineering Limited** said:

*"It is our great privilege to welcome the National Institute of Pharmaceutical Research and Development (NIPRD) delegation to our facilities. It was a great opportunity to strengthen our relationship with NIPRD and reinforce our commitment to supporting their mission to advance pharmaceutical research and development in Nigeria.*

*We take immense pride in showcasing our state-of-the-art equipment and reaffirming our commitment to delivering solutions that meet the highest standards.*

*I want to extend my heartfelt gratitude to the Director and the entire NIPRD team for their insightful engagement during the visit. We look forward to continuing our collaboration and supporting NIPRD in their Project."*
