Sub: Intimation to Exchange regarding Misreporting of SAST deals on NSE website displaying under SAST disclosure tab of BEW Engineering Limited

Ref: Email received from Mr. Tamal Karmakar dated October 09, 2024 and screenshot of SAST deals displaying under SAST Disclosure-BEW Engineering Limited.

Dear Sir/Madam,

We wish to bring to your attention that the Company has received an email from Mr. Tamal Karmakar regarding the urgent request for correction of misreported SAST (Substantial Acquisition of Shares and Takeovers) deals on NSE Website. An email informs us about an investor Mr. Ashish Kacholia who sold the shares of M/s. Shaily Engineering Plastics Ltd. under SEBI (SAST) Regulations, 2011, during the period from April 5, 2019, to September 17, 2024. [Please note the BEW Engineering Limited was listed on NSE SME Emerge Platform **effective from September 16, 2021**]

However, we note that the Name of the Target Company (TC) was incorrectly mentioned as BEW Engineering Limited in the relevant format for Reports/Disclosures under SEBI (SAST) Regulations, 2011 by the said investor. As a result, these SAST deals have been mistakenly displayed under BEW Engineering Limited instead of Shaily Engineering Plastics Ltd. on the NSE website.

Enclosing herewith a screenshot showing the SAST deals incorrectly displayed under the SAST disclosures of BEW Engineering Limited.

In light of the above, we would like to inform the Exchange that the Company BEW Engineering Limited **has no connection or involvement** with these misreported SAST deals.

We respectfully request the concerned investor to take the necessary steps to rectify the erroneous disclosures, as they may create a misleading impression among the investors of BEW Engineering Limited.

Furthermore, we kindly request the exchange to remove the files that are currently displayed under SAST disclosure tab of BEW Engineering Limited, as they are incorrect and cause confusion in the market.

We trust that this matter will be addressed at the earliest, and we appreciate your cooperation in facilitating the necessary corrections.

Thanking You,
Yours Sincerely,

For BEW ENGINEERING LIMITED
