1. We have audited the internal financial controls over financial reporting of Bajaj Finserv Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary companies and jointly controlled company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies and jointly controlled company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two subsidiary companies and one jointly controlled company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

Summary of consolidated results is given in **Annexure A**.

Bajaj Finance Limited and Bajaj Allianz General Insurance Limited have recorded their highest ever annual profit after tax; so did Bajaj Finserv Limited on a consolidated basis.

A synopsis on the performance of the individual companies is given below:

A. Bajaj Finance Limited (BFL)

Despite relatively sluggish credit demand across the country, BFL has performed extraordinarily well and has been able to continue the stellar growth that it has been delivering over the past few years.

- i) Total income for Q4 FY16 **increased by 35% to ₹ 1,957 crore** v/s ₹ 1,445 crore in Q4 FY15.
- ii) The Company recorded **profit after tax of ₹ 315 crore** in Q4 FY16 v/s ₹ 231 crore in Q4 FY15 – an **increase of 36%**.

- i) Gross written premium for Q4 FY16 **increased by 18% to ₹ 1,730 crore** v/s ₹ 1,465 crore in Q4 FY15.

C. Bajaj Allianz Life Insurance Company Limited (BALIC)

BALIC's growth has been positive, though lower than the industry. With savings rates being lower than the historical peaks, growth has tended to favour bank-sponsored insurance companies who have a natural advantage of bundling insurance with their loan and savings products through bancassurance. Even so, BALIC has performed creditably.

- i) Gross written premium was ₹ 2,419 crore in Q4 FY16 v/s ₹ 2,379 crore in Q4 FY15.
- ii) New business premium was ₹ 1,213 crore in Q4 FY16 v/s ₹ 1,127 crore in Q4 FY15 – an increase of 8%.
- iii) Renewal premium for Q4 FY16 was ₹ 1,206 crore v/s ₹ 1,252 crore in Q4 FY15.
- iv) Shareholders' profit during Q4 FY16 was ₹ 232 crore v/s ₹ 559 crore in Q4 FY15. This is due to transfer of policyholders' surplus to shareholders' account on quarterly basis in FY16 as against on annual basis till FY15. For full year, shareholders' profit after tax stood at ₹ 879 crore v/s ₹ 876 crore.
- v) Solvency ratio stood at a healthy 793% as on 31 March 2016 as against the minimum regulatory requirement of 150%.
- vi) Total investments remained stable at ₹ 44,108 crore as on 31 March 2016 v/s ₹ 43,554 crore as on 31 March 2015.

Summary of financial results is given in Annexure D.
