Dear Sir,

Subject: **Update on COVID – 19 - Partial resumption of Manufacturing operation at Baramati Plant**

Ref: **Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015**

This is in reference to our earlier letter dated March 23, 2020 and April 14, 2020 intimating about closure of operations pursuant to spread of COVID -19.

We wish to inform that Bharat Forge Limited is gearing up to commence partial operations at its Baramati plant as per the guidelines stipulated by the Ministry of Home Affairs of the Government of India after obtaining permission from the local district authority (MIDC, Baramati).

Bharat Forge is commencing operations in a graded manner with the Baramati facility reopening from today and we expect production to commence by end of the week, post completion of mandatory safety check and training of personnel on Physical distancing, health & hygiene.

Few key aspects of the training for employees include –

- Mandatory self-declaration of good health before joining and daily updates through Aarogya Setu App.
- Wearing of face-masks, regular sanitization of personal items, work-stations and maintaining social distancing
- Thorough sanitization of all workplaces regularly, buses and other official vehicles after each trip.

The other manufacturing facilities in India are still closed till further notice.

The Company is taking all recommended precautions and preventive measures to ensure safety and well-being of its employees at all times. We will closely monitor the situation and take necessary steps as may be required from time to time.

Kindly take the same on record.

Thanking you.
For Bharat Forge Limited
